WITH BRUSSELS AIRLINES THE CHOICE IS YOURS

Fly with Brussels Airlines and you can choose between a premium Business Class service, **b.business**, or two fantastic economy products, **b.flex economy +** and **b.light economy**, available to over 50 European destinations; and flying medium- and long-haul you have the choice between **Business and Economy**. With Brussels Airlines you decide for yourself how you want to fly – b.business, fully flexible or at the best price.

b.flex economy + the best economy class in Europe

b.flex economy + is the original travel solution for passengers who want to save time and need a high level of service such as priority check-in and fast-track security. b.flex economy + also offers more comfort on board; passengers may choose their own seat and receive complimentary food, drink and newspaper service. Plus, b.flex economy + passengers can change at the airport to an earlier flight on the same day, or change their flight date or destination entirely... all with no penalty charges. b.flex economy + cancellations are also fully reimbursable.

b.light economy – the low fare you can trust

b.light economy is Brussels Airlines' answer to passengers looking for the best fare, offering the best prices across our network of over 50 European destinations. In effect, with fares starting at €99 one-way all-in, b.light economy passengers will find that our on-board quality is hard to match - We have an excellent choice of drinks and snacks on sale at competitive prices - and our high standard of service with a smile comes free!

b.business – European premium travel

b.business is Brussels Airlines' new Business Class service on the European network. Offering all the advantages in flexibility of a Business Class service, as well as premium service and gourmet dining on board, b.business completes Brussels Airlines' short-haul line-up .

Standard Business and Economy Class on medium and long-haul

On our medium and long-haul networks our Business and Economy services have also been improved with a complete refurbishment of our long-haul jets, and extra comfort in Business Class on medium haul.

CHECK-IN ONLINE : CHOOSE YOUR SEAT AND AVOID THE QUEUES

ONLINE CHECK-IN Queuing up at busy check-in counters is a thing of the past thanks to our online check-in facility.

Rather then waiting till you're at the airport, you can go straight to our online check-in on the website, if you are holding an electronic ticket and/or booking reference. Check yourself in without any stress from your home or office. At Brussels Airport you can also use the online check-in screens at the Brussels Airlines ticketing office in the Departure Area.

1 Go to brusselsairlines.com or your country Brussels Airlines website and select the check-in options, or go straight to checkin.brusselsairlines.com (in English)

2 Fill out your e-ticket number (starting with 082 on your booking confirmation e-mail) or your booking reference, your family name, station of departure, departure date and flight number. Click continue.

3 From there you'll go to a summary page which gives you an overview of check-in options, including your assigned seat number(s). You can change your seat if you wish by clicking on the appropriate button and selecting a new seat on the appropriate version of the aircraft's seating lay-out. Once you're happy with your seating details, confirm and click continue.

4 Print out the pdf version of your boarding card.

You can use this method to check in anytime from 36 hours to 1 hour before your flight. At the airport, when carrying only hand luggage, just go straight to your gate with your printed out boarding pass and your passport or ID card. If you have luggage to be checked in, you still will beat the queues – just leave your luggage at the designated Brussels Airlines' Baggage Drop off points in our check in areas and proceed to the gate. As user of online check in, you will always get access to premium check in counters guaranteeing you the shortest waiting time available at the airport of your departure.
Check it out next time you fly Brussels Airlines.
