For the convenience of the travelling public, this booklet contains the system timetable of both Pacific Western Airlines Ltd. and Transair Limited, each of which companies operates its own licensed services.

AIRPORT CHECK-IN TIMES — Passengers proceeding by private convenyance should be at the airport to allow forty five (45) minutes for completion of check-in and security formalities. Should you require special handling, such as use of a wheelchair or checking an unusual piece of baggage, additional time should be allowed. **Pacific Western Airlines Ltd. and Transair Limited reserve the right to cancel the reservation of any passenger who fails to present himself at the ticket-lift position at least ten (10) minutes prior to the scheduled departure time.**

BAGGAGE — (All baggage must be labeled with the passenger's name). Contents should consist of personal items for use on this trip. Articles of value (passports, medications, etc.) should be carried on your person or in your hand baggage. Fragile and other tariff restricted items will not be transported except on the understanding that Pacific Western Airlines Ltd. or Transair Limited shall not be liable for loss, damage or delay of such articles. There are many liquids and other substances which are very dangerous to carry or pack in your baggage. The following are some which are either prohibited entirely or may only be carried by prior arrangements: Firearms and ammunition, matches, lighters, compressed gases, corrosive acids, flammable liquids and solids, mercury, radioactive materials, etc. If in doubt, call us for guidance.

FREE BAGGAGE ALLOWANCE PER PASSENGER (other than infants)
CHECKED BAGGAGE:

A. Applicable on Pacific Western Airlines Ltd. routes
— Baggage (Including unchecked cabin baggage) up to a maximum of 44 lbs will be carried for each ticketed passenger. For Pacific Western Airlines Ltd. flights between Vancouver, Victoria and Seattle refer to item (B) below for your free baggage allowance.

B. Applicable Transair Limited routes
— Two pieces may be checked, one of which, the overall dimensions (length plus width plus height) must not exceed 62'' (157 cm) and the other must not exceed 55'' (139 cm). Additional pieces may be carried provided an excess rate is paid. No single piece may exceed 70 lbs (31.8 kg.) or 80'' (203 cm) overall.

CABIN BAGGAGE (INCLUDING GARMENT BAGS): Must be retained at the passenger's seat position and must be stowed under the passenger's seat or in an enclosed overhead storage bin on aircraft so equipped. To permit safe stowage, the combined dimensions of one or more small pieces of cabin baggage must not exceed 9'' x 16'' x 20'' (23 x 41 x 51 cm).

EXCESS BAGGAGE CHARGES — Cabin and checked baggage in excess of the free baggage allowance referred to in items (A) and (B) above will be assessed an excess baggage charge at current tariff rates and will be accepted subject to aircraft weight and space limitations.

CHILDREN — Children two years of age and under twelve years of age will be charged 66 2/3% of the full adult regular economy fare. One child under two years of age not occupying a seat will be carried free with each accompanying passenger twelve years of age and over. Children under five years of age must be accompanied by a passenger twelve years of age or over. Children five years of age and under twelve years of age who are not accompanied by a passenger at least twelve years of age will be charged the adult fare. Children five, six and seven years of age will be accepted if satisfactory arrangements are made for them at airports of departure and destination.

GROUND TRANSPORTATION — Ground transportation service is usually available at the passenger's expense between specified downtown points and the airport. Pacific Western Airlines Ltd. or Transair Limited, however, do not operate any such transportation.

TARIFFS AND LIABILITY — Fares, schedules and all other information published herein are subject to tariff regulations and change without notice. Pacific Western Airlines Ltd. and Transair Limited will not be responsible for damages resulting from failure of aircraft to depart or arrive at times stated herein.

If travel is within Canada or from a Canadian point to a U.S. destination, fares are published in Canadian dollars. For travel originating from a U.S. point fares are in U.S. dollars. Fares quoted do not include federal transportation taxes but they do include Edmonton Municipal Airport user's fees which are assessed in the same proportion as the fare is to the full adult fare.

Pacific Western Airlines Ltd.'s and Transair Limited's baggage liabilities are limited in accordance with their tariffs. Pacific Western Airlines Ltd. and Transair Limited are not liable for loss, damage to, or delay in the delivery of fragile or perishable articles, money, jewelry, silverware, negotiable papers, securities, samples, business machines, or musical instruments. Pacific Western Airlines Ltd. and Transair Limited assume no liability other than that specified in their tariffs published and filed pursuant to law. Current tariffs are maintained in all Pacific Western Airlines Ltd. and Transair Limited offices for public inspection.

Pacific Western Airlines Ltd. and Transair Limited reserve the right to refuse or cancel reservations before passage or enroute whenever such action is deemed advisable or necessary.
