PASSENGER REGULATIONS & INFORMATION

RESERVATIONS
To ensure your passage on the required date, a reservation should be made and fare or deposit paid well in advance. At destination or transfer points you are advised to confirm return or onward reservations.

CANCELLATION OF RESERVATIONS
If you have to cancel or defer your reservation, please let us know at the earliest possible moment and return your ticket. We cannot guarantee refund of fare for reservations cancelled or transferred at short notice.

AIRPORT DEPARTURE FORMALITIES
It is essential that you report to the departure Terminal or Airport no later than the time advised, as this allows the *minimum* time to complete all embarkation formalities. Flights cannot be delayed to accommodate passengers arriving late, and we cannot accept any responsibility in such cases.

PASSPORTS, PERMITS AND VISAS
All B.O.A.C. and Agents' Offices will gladly help you to obtain all necessary travel documents—passports, endorsements, visas or permits—at a small charge. Some Consulates, however, insist on personal attendance. When travelling remember to carry your passport. Do not pack it!

HEALTH REGULATIONS
Valid certificates of inoculation and/or vaccination, issued on a special international form, are an indispensable requirement of most countries. Please ask our advice on what is necessary in your case. Certificates should be carried attached to your passport.

YOUR TICKET AND CONDITIONS OF CONTRACT
Your ticket is issued subject to these Regulations and to our General Conditions of Carriage of Passengers and Baggage, of which you will find an extract in the ticket. The Conditions are exhibited in full at all British Overseas Airways Corporation offices.

RETURN TICKETS
Return tickets cost approximately 10% less than two single fares and are normally valid for one year.
Special return tickets allowing approximately 10% rebate are issued on certain routes covering circle trips, round-the-world tours, and return from a different point from that to which you travelled on the outward journey. Excursion fares and special fares for schoolchildren are also available in certain circumstances.
Interchange arrangements between B.O.A.C. and some other air carriers enable passengers to utilise the combined services at special fares. Please apply for full details.

CHILDREN AND INFANTS
An infant under two accompanied by an adult, and not occupying a separate seat, is charged at 10% of the published fare. Additional infants under two accompanying the same adult, an infant under two occupying a separate seat and children between the ages of two and twelve are charged half-fare. Age is taken as at the beginning of the outward journey.

WHAT YOUR FARE INCLUDES
Besides the actual carriage by air, and free baggage allowance, your fare includes accommodation at nightstops, and all meals and gratuities in flight and on the ground from the departure of your aircraft until arrival at the airport destination shown on the flight coupon of your ticket. Transport between town and airport (except in Canada, U.S.A. and Bermuda) is also included. At points of transfer to direct connecting services, hotel accommodation and meals are provided when your journey is entirely on B.O.A.C. services, or when it involves other carriers with whom we have an arrangement for a special through fare. For all other journeys involving carriers with whom we have no such arrangement (i.e. journeys marked ■ in the Index, pages 4 to 9 of this timetable, where the through fare is the sum of several sector fares) hotel bills, etc., incurred at connecting points will be your own responsibility. For the type of journey which may involve carriage over certain sectors by local carriers, the regulations, particularly in respect of baggage allowances and the provision of meals and hotel accommodation, may differ.

TAXES
Any ticket, transportation or other taxes imposed by Governmental Authority are additional to the fare and payable by you, either with the fare, or in local currency upon arrival or departure. Please ask for advice at the time of booking.

STOPOVERS
You may break your journey at one or more places en route yet retain the benefit of the through fare, provided that you give us notice when you make your reservation. Hotel expenses at each stopover will be your responsibility.

CAMERAS
Except on our Atlantic routes, cameras (and sometimes binoculars) must remain inaccessible during flight. In some cases they may be packed in registered baggage, but in others they must be handed to B.O.A.C. staff to be placed in sealed containers. They should be declared to Customs whenever baggage is examined.

FREE BAGGAGE ALLOWANCE
The usual free allowance of baggage is 30 kilos (approx. 66 lb.) but varies from 20 kilos (approx. 44 lb.) for short journeys to 40 kilos (approx. 88 lb.) for round-the-world journeys. Children at half-fare get the adult allowance. Infants travelling on the 10% fare basis have no free allowance, but a carrycot or portable cradle is allowed as part of the child's personal weight. In addition to your free baggage allowance, personal articles which you carry—such as a lady's handbag, spare overcoat, binoculars, etc.—will be carried free. Please note that brief cases, attaché cases and parcels are NOT included in this category, and will be weighed as part of your free allowance.

EXCESS BAGGAGE
Baggage in excess of your free allowance will be subject to excess baggage charges, which are listed in the Index, pages 4 to 9, of this timetable. Passengers travelling together may in certain circumstances group their baggage, thereby benefiting from the collective free allowances. If you would like to check the weight of your baggage before departure, our offices will be pleased to assist you. Subject to space being available, excess baggage travels on the same aircraft as the passenger. Please enquire in advance regarding the facilities for forwarding your baggage unaccompanied at cheaper rates.

VALUATION CHARGE
We invite you to declare the value of your baggage, registeredand unregistered. For baggage declared at a value of £35 15s. or less, there is no valuation charge. Baggage declared to be worth more than £35 15s. (U.S. $100) is subject to a valuation charge on the excess value at the rate of 9d. per £25 (or 15 cents per U.S. $100)) or fraction thereof. A declaration exceeding £1,500 (U.S. $4,200) from any one passenger cannot be accepted. In the absence of a specific declaration of value, you will be presumed to have declared a value not exceeding £35 15s.

YOUR BAGGAGE
Before you depart, all your baggage will be weighed; the bulk will be registered and labelled "Not Required on Voyage" and will not be accessible during flight. When nightstops are involved, everything needed should be packed in one bag which will be registered and labelled "Required at Nightstops" and will be available only as indicated. Articles, including toilet requisites, etc., for use during flight should be packed separately in a small bag or brief case not exceeding 5 kilos in weight, which will be weighed but not registered and will be left in your custody. You will be well advised while present shortages exist, to carry your own soap and towels for use in hotels. May we ask you to take special care, particularly at stopping places, of small personal articles and of unregistered baggage as the Corporation cannot accept responsibility for their safety.

VALUABLES
Valuable articles, such as jewellery, should be carried personally whenever possible. Please remember that the transfer of valuables is governed by currency regulations—you should ask your Travel Agent or B.O.A.C. for advice on this point.

PROHIBITED ARTICLES
Government regulations do not permit the carriage of inflammable or explosive material in aircraft. You are, therefore, reminded not to carry in your baggage or on your person any articles which are easily ignited, such as cigarette lighter fluid, matches, photographic flash bulbs, etc. The only exception is that where smoking is allowed on aircraft, you may carry a small supply of safety matches or a lighter on your person.

SMALL CHANGE FOR YOUR JOURNEY
You will find B.O.A.C. currency coupons indispensable, particularly at nightstop places in the non-Sterling Area where encashment is limited to £1 10s. per night.

TRAVELLERS' CHEQUES
Travellers' Cheques encashable in the Sterling Area may be obtained at our London offices and at some overseas offices, or from your Travel Agent. In the Sterling Area application for Travellers' Cheques encashable in specified territories outside the Sterling Area must be made through your bank or certain Travel Agents.

HOTEL ACCOMMODATION ON ARRIVAL
Accommodation is limited at most destinations so you should always see that your rooms have been booked for you in advance.

ANIMALS, BIRDS OR OTHER LIVESTOCK cannot normally be carried.

PUNCTUALITY
Although we do everything in our power to ensure the punctuality of our services, B.O.A.C. cannot accept responsibility for any delay or suspension of a service, nor can we guarantee that connections will be made with other air services or with surface carriers.

CONSULT YOUR TRAVEL AGENT OR B.O.A.C.
It is impossible in the space available here to give more than an outline of points for your guidance. For greater detail we would refer you to our booklet "Before You Take Off." Any Travel Agent or B.O.A.C. office, however, will gladly supply further information concerning schedules, travel formalities, etc., and offer you every possible assistance.
