NOW The Family Half-Fare Plan is Effective ON 4 DAYS A WEEK*

The shaded areas on the calendar are fare-saving days under American's expanded Family Half-Fare Plan, now in effect on four days a week instead of three. From 12:01 Monday afternoon until 12:01 Thursday afternoon you can take your family with you at half the regular fare.

You buy a full-fare ticket at the regular Flagship one-way rate, and your spouse and/or all your children, from twelve through twenty-one, fly at half the Flagship one-way rate. Children under twelve travel half fare any day of the week, and a baby under two goes free when accompanied by a full fare paying passenger.

**Effective October 10*

AMERICAN is extending its famous Family Half Fare Plan to Thursday mornings to give families a wider choice of fare-saving days.

Up to now it was only on Mondays, Tuesdays and Wednesdays that any person who purchased a full fare ticket could take along his or her spouse and their children for half fare. But beginning October 10, American's Family Half Fares will be in effect from 12:01 Monday noon to 12:01 Thursday noon.

In 1948 American Airlines first introduced the Family Half Fare Plan. Since then thousands of families have saved hundreds of dollars by using it. Next time you plan a family trip, remember that American offers the widest choice of days on which you can enjoy Family Half Fare savings.

GENERAL INFORMATION

AIR TAXI SERVICE—This service is available at many airports to off-line points at reasonable rates. Companies operating this service are members of the National Air Taxi Conference. Call any American Airlines office for information.

BAGGAGE—Following rules apply:
Free Allowance within the United States and Canada, 40 pounds; Mexico Flagship Service 66 pounds; Mexico Aircoach Service 44 pounds. Children transported free of charge receive no free baggage allowance. The term "baggage" shall mean all luggage including briefcases, portfolios, parcels, camera equipment and similar articles whether carried in the cabin or checked in cargo compartment.

Excess baggage may be accepted, space and weight permitting at the rate of ½ of one per cent of the applicable first-class one-way adult fare per pound regardless of service used except that for transportation to or from points outside the U.S. and Canada the rate for excess baggage shall be one per cent of the applicable first-class one-way adult fare per kilogram, regardless of class of service used.

American Airlines liability for any personal property, including baggage whether or not checked or otherwise delivered into the custody of Carrier, is limited to $250 (See Note) for each passenger unless a higher valuation is declared and the additional charges required therefor paid before the transportation by air commences. Total valuation is limited to $25,000 on each full fare ticket for which a fare is paid except as otherwise provided in applicable tariffs.

NOTE: Applicable to domestic travel on American Airlines. Warsaw limitations applicable on international travel.

Pets—Domestic cats or dogs only will be carried except on DC-6 Aircoach equipment, subject to a weight limitation of 45 pounds including the weight of a suitable container, as excess baggage at owner's risk and subject to tariff regulations.

Restricted Articles: Acids, matches, lighter fluid, liquids and other hazardous articles must not be packed in baggage. Fragile and perishable articles are carried at the risk of the passenger.

CANCELLATION BY COMPANY—
The company reserves the right to cancel continuing and/or return airline space if passenger fails to use the flight on which passage was arranged to the connecting or return city without first notifying the Company of his desired disposition of such continuing, connecting or return space.

The company reserves the right to cancel bookings before passage or enroute whenever such action is deemed advisable or necessary.

The Captain may remove passenger from plane at any point on the route for safety or other cause. In any event, the passenger's sole recourse shall be recovery of that portion of the fare equal to the distance untravelled.

CANCELLATION BY PASSENGER—Flagship Flights—It is requested that reservations be cancelled as soon as it is known that space will not be used, thus making such space available to other passengers.

Aircoach Flights—SERVICE CHARGE FOR FAILURE TO USE OR CANCEL YOUR AIRCOACH RESERVATIONS: Unless your reservation has been **cancelled at least 3 hours** prior to departure of the flight, tickets or exchange orders for Aircoach flights will be assessed a service charge of 20% of the applicable fare (Minimum $5.00), when presented for refund or reuse. (Not applicable in connection with travel to or from Mexico.)

CHILDREN—Children under twelve years of age accompanied by a passenger at least twelve years of age will be charged one-half the adult fare, except that one child under two years of age, not occupying a seat, will be carried free with each accompanying full fare passenger twelve years of age or over. Children under five years of age will not be accepted for transportation unless accompanied by a passenger at least twelve years of age. Unaccompanied children five through eleven will be accepted for transportation, subject to payment of the full adult fare, and also, it is required that transportation for children under eight years of age involves no change of plane and that such children be delivered and met at origin and destination airports by a responsible adult.

CLAIMS—Written notice of claims with respect to baggage and all other claims must be filed within 45 days with any office of American Airlines, Inc. Suits must be filed within two years from date of loss or damage.

DEPARTURES—In the interest of improving on-time service to all passengers, persons are requested to be at airport ticket lifting points approximately fifteen minutes before published departure time.

INSURANCE—Trip insurance is available at all airlines offices.

INTERNATIONAL TRAVEL—The following documents are required by U. S. citizens proceeding direct to country of destination:
To Canada: Proof of U. S. citizenship and proof of sufficient funds.
To Mexico: For Pleasure Trips—(1) Proof of U. S. citizenship (2) Mexican Tourist Card — from American Airlines Ticket Agent or any Mexican Tourist Bureau or Mexican Consulate and (3) Smallpox Vaccination Certificate not more than three years old. For Other Trips — see American Airlines Mexico folder, or contact any American Airlines office.
Smallpox Vaccination Certificate not more than 3 years old is required of passengers entering the U. S. from Mexico and must show the specific type of reaction if vaccination is passenger's first.
To any other country: Contact any American Airlines office or your Travel Agent.
The above documentary requirements are given for information only and are subject to change without notice.
Passengers on international flights must possess all documents required by the laws of the countries from, into or over which they are to fly and should any required documents be missing, passage may be denied. American Airlines will not be responsible for any failure of passengers to comply with governmental requirements in force at the time of their journey.
Baggage of international travelers will be examined by customs officers of each country on arrival. Used personal articles intended for personal use while traveling are generally admitted free of duty. However, any merchandise for sale, gifts, samples or anything being carried for other persons will be subject to duty.
Residents of the United States are permitted to bring back, duty free, $200 in merchandise acquired outside United States, provided the traveler has been away from the United States more than 48 hours (except to Mexico where no minimum time is prescribed) and this free allowance is claimed not oftener than once in thirty days. This merchandise must be for the traveler's own personal use or for the personal use of immediate members of his family. $300 additional allowance per resident can be claimed duty-free not oftener than once every 6 months and provided the passenger has been out of the U. S. for at least 12 days.
For more detailed information on travel documents and baggage restrictions for international travelers, see American Airlines Mexico folder, or contact an American Airlines office or your travel agent.

MEALS—Served without charge on standard flights as indicated in timetables. For passengers using DC-6 Aircoach, reasonably priced FLITE BUFFET meals are available for purchase at originating and/or enroute stations.

REFUNDS—Requests for refunds may be made at any American Airlines' Ticket Office or directly to: Director of Revenue Accounting, American Airlines Inc., 910 South Boston, Tulsa, Oklahoma.

RESERVATIONS—Advance requests for space are desirable, and reservations are tentative until tickets have been purchased. If a passenger fails to purchase his ticket by the "time limit" agreed upon, the reservation will be cancelled and resold. (See "Cancellation by Company" for other conditions under which reservations may be cancelled even though ticket had been purchased.)

SCHEDULES—Schedules shown are expected departures and arrivals, subject to change without notice, and are not guaranteed.

STOP-OVER—Stop-overs will be allowed at any regular stop, provided reservation is made accordingly. Stop-over privileges on DC-6 Aircoach service wholly within the United States are subject to the payment of the combination of fares over the point of stop-over.

The above information is, in part, excerpted from rules published in tariffs filed with applicable government authorities. All transportation is sold subject to these tariffs and copies are on file and open for public inspection at all American Airlines ticket offices. For further details concerning any of the above or for additional information call or visit any American Airlines office or authorized travel agent.
