YOU MUST RECONFIRM your intention to use your reservation at each city where you hold a reservation on a flight scheduled to leave more than 12 hours after your planned arrival in that city. This applies whether you are arriving by air or other means.

TO RECONFIRM simply inform the office at the city where you are boarding your flight of your intention to use your reservation. Do this on arrival or at your earliest convenience, but be sure to reconfirm at least six hours before scheduled flight departure.

Reconfirmation of reservations is now required by some airlines in order to free additional seats for immediate use.
