MERIDIANOS.—Las horas indicadas en estas tablas son horas de meridiano, en grados al Oeste o al Este de Greenwich; 15° de diferencia en longitud equivalen a una hora de diferencia.

EQUIPAJE.—Se transporta, sin cargo extra, a razón de 30 kilos, máximo, por pasajero, excepto en Bolivia, donde el límite local es 15 kilos, y en Ecuador donde el límite local es 25 kilos. Con excepción de transportes locales dentro de Bolivia, por cada kilo de exceso se cobrará 1% del valor del pasaje de ida hasta 10 kilos; y en exceso de 10 kilos se cobrará ½ de 1% del valor del pasaje. Cuando el pasajero viaja con escalas, el cargo por exceso de equipaje será sobre el valor del pasaje entre los puntos de escala que correspondan.

Con excepción de transportes locales dentro de Bolivia, a los niños que viajen con medio pasaje, se les concederá la misma cuota de equipaje libre para adultos. El equipaje de los niños se incluirá en el de los adultos que les acompañen, sin que por ello se aumente la cuota de éstos.
