Effective September 15, 1956

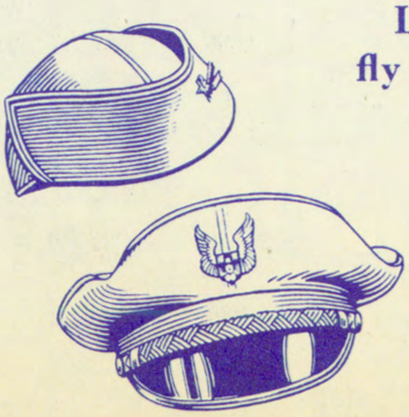
NORTHEAST AIRLINES

Now *we, too, will go South this winter! That's good news for all New England.*

The Civil Aeronautics Board has awarded Northeast Airlines its long-sought route extension to Florida, including the right to serve Philadelphia, Baltimore, Washington, Jacksonville, Tampa and Miami.

Northeast Airlines accepts this responsibility to give New England expanded and direct one-carrier service to these new points.

To our many faithful friends, who have expressed their enthusiastic approval of our route extension, we say "Thank You."



Like the friendly robins who fly North for the spring and summer, we, too, are flying South this winter!

Watch for further announcements.

Now... AIRPORT TO DOORSTEP!

IMPORTANT NOTICE
EFFECTIVE SEPT. 16, 1956

For many years, you and the scheduled airlines have been up against the problem of no-shows and individuals who cancel their reservations too late to free their seats for others. Now to serve you better the airlines have a new CONFIRMED TICKET PICK UP policy which requires you to have your reservations recorded on your ticket within an agreed upon time. This plan has been adopted by all the scheduled airlines to help you get reservations when you want them.

Here's how the "Confirmed Ticket Pick Up" policy works: — The airlines will be aided tremendously in providing your reservations when you want them — just follow these simple rules:

1. **Pick up your Confirmed Ticket — indicating your positive reservation — by the time agreed upon between you and your airline. The airline will be specific about this agreed upon time; otherwise, your airline is obligated to cancel your reservation.**
2. **Take advantage of the many convenient new ways now available to you for securing your confirmed ticket. Your airline or travel agent will gladly describe the specific methods for you.**
3. **In your own interest, cancel your unusable reservation as soon as you know you will not be needing it.**

Thank you for your co-operation.
