The Florida Connection...

FLORIDA AIR LINES

EFFECTIVE FEBRUARY 15, 1975

GENERAL INFORMATION

RESERVATIONS AND TICKETS

You may make your reservations for any flight through your travel agent or by contacting any Florida Air Lines office. You should plan to purchase your ticket 24 hours in advance of departure time. If you must purchase your ticket immediately before your flight, you must arrive at our ticket counter at least 45 minutes before flight time or your reservations will be cancelled. If you have purchased your ticket ahead of time, you should be at the airport 30 minutes before flight time. Reservations for ticketed passengers will be held until 15 minutes before scheduled flight time. If you have not presented your ticket at the boarding gate by this time, your reservation may be cancelled and made available to someone else. Should you find that you are not going to use your reservation, please notify any of our offices as soon as possible so that we may make your space available to someone else.

BAGGAGE

All Florida Air Lines passengers are allowed the following amount of baggage: 1 bag, not to exceed 62 dimensional inches, and 1 bag not to exceed 55 dimensional inches (dimensional inches = length + height + width). A modest charge will be made for any luggage in excess of these limits and such excess baggage will be carried on the first flight with space available. In cases where the next flight with space available is not the same flight the passenger is traveling on, it will be the passenger's responsibility to pick up such luggage at the airport when it arrives.

Liability for baggage is limited to the actual value of the baggage, or $100 per piece and $250 per passenger (whichever is less). Claims for damaged or lost luggage should be filed at the airport as soon as possible since payment of claims depends on proof that such damage or loss took place while the baggage was in the custody of Florida Air Lines.

Specific rules and regulations concerning the transportation of luggage, are included in tariffs which are available for public inspection at all Florida Air Lines offices.

RESPONSIBILITIES FOR MEETING SCHEDULES

Florida Air Lines makes every effort to meet all scheduled arrivals and departures. However, the safety of our passengers and crews is our primary consideration. Because weather and other factors sometimes affect our operating conditions, we cannot guarantee that we will meet every schedule as listed in this folder. For the same reasons, we cannot accept responsibility for damages due to the failure of flights to arrive or depart as scheduled or for the resulting failure of passengers to connect with flights of this or any other airline.

JOINT FARE INFORMATION

Florida Air Lines has made arrangements with other airlines to provide low fares for our passengers. When you are making CONNECTIONS from Florida Air Lines to one of these other airlines, a special joint fare may be available that provides substantial savings on the fare. To determine if your itinerary will allow a joint fare, contact your travel agent or any Florida Air Lines office.

AIR FREIGHT SERVICE

All Florida Air Lines flights carry air freight. We pride ourselves on being able to offer rapid air freight service between any two cities on our system.

Small, but important, packages are our specialty. We will treat your package as if it were our own and see that it arrives at its destination as soon as possible.

For full information, including rates and charges, contact any Florida Air Lines office.

CHARTER SERVICE

Florida Air Lines Charter Division is ready to offer you charter flights to the destination of your choice. We will be happy to provide full information to you if you call us at one of the numbers listed on the back of this folder.

FOR THE BUSINESSMAN

If you are planning to make a trip on our system and only stay a short time, your itinerary may qualify for our special "Thirty-six Hour" fare. The rules governing this fare do require that you travel round trip with Florida Air Lines. If your schedule matches ours (and we think it does), be sure to ask the agent for further details on this program.

FURTHER INFORMATION

on Florida Air Lines, "The Florida Connection . . .", and the many services we offer may be obtained by contacting any of our offices or writing to us at the address below:
