General Passenger Information

Agriculture Inspection, Hawaii-Mainland — Admissibility of plant products to the Mainland from Hawaii should be determined prior to check-in. Such products and baggage are subject to pre-departure agriculture inspection at the Honolulu and Hilo Airports. Please have baggage ready for examination as requested. For detailed information phone: Plant Protection and Quarantine, APHIS, USDA, Honolulu 836-1491 or 836-1551; Hilo 935-1049.

Alcoholic Beverages — Federal Aviation Agency regulations provide that no person may drink alcoholic beverages aboard an aircraft unless they have been served by the airline and no airline may serve such beverages to any person who appears to be intoxicated.

BAGGAGE

Baggage Liability — Passenger name identification must be placed on the outside of all checked baggage. Baggage identification labels are available from United at no cost. Liability for baggage between points in the U.S. will not exceed $750.00 unless you declare a higher valuation and pay a slight extra charge. Excess valuation cannot be declared for certain checked valuable items such as jewelry, negotiable instruments, currency and antiques. For international trips, United's liability will not exceed $9.07 per pound for checked baggage and $400 per passenger for unchecked baggage unless you declare a higher value and pay an extra charge.

Excess Baggage — Baggage in excess of the free baggage allowance, up to and including four pieces, will be charged a standard excess fee of $8.00. Excess baggage exceeding these four pieces will be charged four times the applicable excess baggage rate. Overweight or oversize baggage is subject to special charges as are the following special items listed below. These items are subject to the special charges regardless of the total baggage carried.

Bicycles—$16 Scuba Gear—$8.00 Surfboards—$16.00
Household Pets—$21.00 per carry-on container or
$24.00 per checked container

Free Baggage Allowance — (Per passenger) 1 piece of baggage with linear dimensions (length + height + width) not exceeding 62 inches, plus 1 piece of baggage with linear dimensions not exceeding 55 inches. One additional piece may be carried on board provided it fits beneath the seat. Approximate dimensions not to exceed 9 x 14 x 22. In addition to size, each piece must not exceed 70 pounds. Allowances for international travel vary by country. Check with your travel agent or United Reservations for this information.

Checks — United accepts checks for air transportation when presented with one of the following major credit cards: United Travel Card, Air Travel Plan (ATP), American Express, VISA, Carte Blanche, Diners Club, MasterCard, and a permanent driver's license.

Checked Baggage — Car keys, pills, critical medicine or other items necessary for your health or well-being should remain in carry-on luggage whenever possible, as baggage, checked prior to departure, is generally unavailable until claimed at your destination.

Check-in Time — Reservations are subject to cancellation if you are not available for boarding, at the loading gate, at least 10 minutes prior to scheduled departure for United Airlines flights between U.S. points and to/from Canada. (20 minutes to/from Mexico and 30 minutes to/from all other international points.)

Class of Service — On most of United's domestic flights there is a choice of First Class or Coach. First Class offers spacious seating comfort and—time permitting—our most luxurious personalized service: complimentary cocktails, gourmet dining, and a variety of other amenities. Coach seating is comfortable but less spacious and meals are also complimentary. There is a nominal fee for cocktails and movie/stereo headsets. On our Royal Pacific flights to the Orient we offer First, Business and Economy Classes of service. First Class is truly luxurious with adjustable, fully-reclining sleeper seats and delicious full-course meals. Business Class is fully comparable to domestic First-Class service while Economy is much the same as domestic Coach Class. All three offer various in-flight amenities and entertainment to help pass the time en route swiftly and enjoyably.

Credit Cards — You can easily arrange credit with our Personal Credit Card Plan, United also accepts American Express, Carte Blanche, Diners Club, Empire, Interbank, MasterCard, Walker Bankard, Universal Air Travel cards and VISA cards. Consult United or your travel agent for details.

Denied Boarding Compensation Plan — Compensation will be paid if the flight for which you have a confirmed reservation is unable to accommodate you and departs without you. Subject to the exceptions prescribed in the tariff on file, compensation will be in amounts from $37.50 to $400.00 depending upon conditions of removal and the ticket value.

Electronic Devices — Federal Aviation regulations prohibit inflight operation of electronic devices other than portable dictation recorders, electronic calculators and games, electronic watches, hearing aids, heart pacemakers and electric shavers. Other electronic devices (including AM and FM transmitters and receivers, portable telephones and remote controlled toys) may interfere with communication and navigation systems on the airplane and are therefore prohibited.

Responsibility for Departures, Arrivals, Connections — United Airlines will not be responsible for damages resulting from the failure to depart or arrive at times stated in this timetable, nor for errors herein, nor for failure to make connections with planes of other lines or of this Company. Schedules subject to change without notice. Safety is our primary consideration. Schedule times published include allowances for variations in wind direction and velocity, planned ground movement of the aircraft between runway and gates and similar factors to assure gate arrivals within 15 minutes of published schedule more than 75% of the time. Schedules do not allow for abnormal air traffic and ground delays which cannot be forecast in advance.

Restricted Articles — Corrosive liquids, flammable substances, such as matches and lighter fluid, compressed gas or any hazardous material **MAY NOT BE CARRIED IN BAGGAGE.**

DENVER

United's Passenger Terminal at Stapleton International Airport

When we say, "United's high on Denver!" . . . we really mean it.

Because the mile-high city is one of the most important hubs in United's expanding route structure. As Denver's largest airline, we serve millions of travelers each year with more flights, to more major cities, than anyone.

Now, we're flying nonstop from Denver to Honolulu — every day.

And this issue of our system timetable lists more than 140 other nonstop flights — between Denver and the East Coast, the Midwest, the Great Lakes, the Plains, the Southeast, and the West Coast. United also serves several important cities in the Southwest with nonstop service to Dallas/Ft. Worth, Houston, San Antonio, Tucson, and Albuquerque.

But there's more to our friendly skies than excellent schedules and convenient connections. United also offers a wide range of services, fares, and appropriate amenities: First Class and Coach on most flights. Royal Hawaiian to Honolulu. Sunbirds to Florida. Movies and audio on longer flights. And excellent food, appropriate to the length of the trip and the time of day, prepared in United's own Denver flight kitchen.

When you fly the Friendly Skies you also enjoy the added advantages of advance round-trip check-in/seat assignment and most importantly — the services of experienced airline professionals, fully committed to making your flight everything it should be, from the time you call for a reservation to the time you claim your baggage at destination.

Now — in the midst of what may well be the biggest ski season ever — Denver is a gateway to some of the best and most varied slopes in the world. Vail, Aspen, Breckenridge, Telluride, Copper Mountain, Crested Butte, Powderhorn, Keystone, Snowmass and Winter Park are all within easy reach — by connecting airline, bus, rental car, or in some cases, even by train. (If you'd like to know more about our ski packages, ask your Travel Agent of nearby United office for a copy of United's Skiers Dreambook.)

A handy map of United's Denver passenger terminal appears overleaf. Whether you're flying there for a week of the world's greatest skiing or to close a business deal — or just passing through — it may help to show where facilities are located. And we want you to know that all of United's people in Denver are looking forward to serving you, whenever you travel our way.

CHICAGO

United's Passenger Terminal at O'Hare International Airport

Chicago is United's home town and O'Hare International Airport, the busiest airport in the world, is the largest hub on the United Airlines route system. Over 30 million people a year depart on over 1,300 daily flights for destinations world-wide on United and the other carriers serving O'Hare.

United flies nonstop from O'Hare to more cities West, East, Southwest and Southeast than any other carrier. In addition to flying to Cancun and Cozumel as well as Vancouver and Toronto, United Airlines will become a truly International Airline this spring when we inaugurate Royal Pacific service to Tokyo and Hong Kong. Through flights will be offered from Chicago via Portland and/or Seattle to Tokyo without a change of planes while convenient connecting schedules at Seattle will carry Chicago passengers nonstop to Hong Kong.

More than 5,000 United Airlines people are required to fill the needs of the thousands of passengers who fly the Friendly Skies to or through O'Hare every day. In addition to preparing meals, loading baggage and providing our customers with neat and clean aircraft interiors, these employees also provide the many other essential and taken-for-granted services that contribute to a smooth flight.

On the preceding page, you'll find a map of United's terminal at O'Hare. It shows locations of passenger boarding gates and other facilities. You may wish to remove this functional centerfold and tuck it into your wallet or briefcase. It could come in handy the next time you fly our friendly skies to the world's busiest airport.

United Airlines presents . . . Tokyo

Introducing Royal Pacific Service. Starting April 2, 1983.

It's a whole new way to travel that's uniquely United throughout.

First Class from head to toe.

No other airline has our First Class seat. We had it built expressly for Royal Pacific Service. Our sleeper seat has a hydraulically adjustable footrest and generous storage underneath.

Our unique Business Class.

World Class service.

In First Class, a choice of several entrées—and a spectacular hors d'oeuvre cart. There's a choice of entrée in Coach, and Oriental appetizers in all three classes.

A schedule to fit your schedule.

Departures and arrivals have been scheduled for convenient connections to and from cities on United's system throughout the United States.
