RECONFIRMATION OF RESERVATIONS

To ensure your continuing and return reservations, reconfirmation is required at least 72 hours before departure of your flight. In accordance with standard industry regulations, failure to reconfirm may result in the cancellation of your reservations. For phone numbers of reconfirmation offices, see inside cover (opposite).

LIABILITY

ALM does not accept any liability for damage suffered by passengers because of delay in the flight or failure to execute all or part of a flight. Nor does ALM accept any liability for errors which, in spite of every precaution, may have occurred in timetables or fares stated. Contents of this timetable are subject to change without notice.

DOCUMENTS

To travel from one country to another you must usually have a valid passport, visa or other permit when required, and an International Vaccination Certificate. Although we usually have available the latest information, we are not responsible for its accuracy, and urge you to consult the nearest consulate of the country you propose to visit. Checks performed by our personnel do not constitute proof that the documentation was in order. Any consequences are for the account of the passenger, cost of deportation included. All airlines reserve the right to refuse carriage to passenger whose documents are not in order.

CHECK-IN TIMES

Latest check-in time for domestic flights between Aruba, Bonaire and Curacao is 30 minutes. Latest check-in time for all international flights is 1 hour (United States and Puerto Rico minimum check-in time is 90 minutes; for Venezuela 120 minutes). Flights cannot be held for passengers arriving late, and no responsibility will be accepted in these cases. Late check-in may result in losing your reservation.

HOTEL RESERVATIONS

If passengers so request, hotel bookings will be made in leading hotels at most destinations served by the airline when airplane space is reserved. Although ALM will gladly perform this service for its passengers, no liability can be assumed for failure of any hotel to honor such reservations. Neither does ALM assume liability for her intermediary in cancelling hotel reservations.

BAGGAGE

Free Allowance

Passengers paying full or half fare are allowed the following **free baggage**: 20 kilos (44 pounds) in Economy Class.

Infants traveling at 10% of the adult fare no free baggage allowance. All baggage must be weighed, including overnight bags, briefcases, portable typewriters, personal radios, ladies vanity or cosmetic cases, hat boxes, heavy cameras, etc. the only exceptions are: an overcoat, an umbrella, a small camera, a pair of binoculars, a lady's handbag, a reasonable amount of reading material, a baby basket, infant's food for consumption in flight, and a fully collapsable invalid's wheelchair and/or a pair of crutches and/or braces or other prosthetic device for the passenger's usage when dependent upon them.

Excess Baggage Charges:

All baggage in excess of the above free allowance will be charged for at fixed rates per kilogram, varying per route to be flown.

Cabin Baggage:

One piece of baggage, the dimensions of which not to exceed 8 x 14 x 20 inches (20 x 35 x 51 cm) may be carried in the cabin by each full or half fare paying passenger.

Identification:

Remove old baggage tags of former flights to avoid possible misrouting, and lock your suitcases to prevent them from falling open. For the purpose of easy identification, please mark all baggage—also that which is kept in the cabin—with your name and address. Labels are available at all ALM check-in counters.

LIABILITY AND CLAIMS

Irregularities with regard to your baggage must be reported immediately on arrival to an ALM staff member or representative at the airport. Claims, if any, must be filed in writing within seven days after receipt of baggage. Liability for loss, delay or damage to baggage is limited. The maximum liability is US \$20 per kilo checked bagge and US \$400 per passenger for unchecked baggage.

INSURANCE

You may insure your baggage at very reasonable rates. Full details can be obtained at all ALM offices and authorized travel agencies.

CONDITIONS OF CARRIAGE

All transportation by ALM is subject to ALM's General Conditions of Carriage which are filed in the registry of the District Court in Curacao and which may be inspected at any of ALM's offices.

AIRCRAFT AND CREWS

In connections with lease and pool arrangements between ALM and SLM the following should be noted:
 All flights between Curacao, Port of Spain, Georgetown and Paramaribo are operated by ALM aircraft, ALM cockpit crew while cabin crews could be either ALM or SLM.
