Rood is de kleur van de passie, van de concurrentiekracht,

van de winnaars. Maar rood is ook de kleur van Virgin Express, een vernieuwende luchtvaartmaatschappij die een ware revolutie teweegbrengt in de Europese luchtvaartsector.

Virgin Express beschikt over de jongste vloot toestellen in Europa en zet haar Boeings 737 momenteel in voor vluchten naar 8 Europese steden. Dit aantal neemt trouwens nog steeds toe.

De moderne vloot van Virgin Express wordt bemand door een energiek en enthousiast team dat zich kan beroepen op hoogtechnologische systemen en apparatuur.

De drijvende kracht achter dit succes is de charismatische Britse ondernemer Richard Branson. Hij heeft een wereldwijd zakenimperium van meer dan 100 bedrijven opgebouwd en veroverd nu ook de Europese luchtvaart met de succesvolle formule van Virgin.

Samen met Jonathan Ornstein, President en CEO van Virgin Express, werkt Richard hard om Virgin Express uit te bouwen tot de nummer één in Europa op het vlak van goedkope lijnvluchten.
