JET AWAY WITH NORCANAIR

Norcanair is very pleased to introduce the Fokker F-28 jet to Saskatchewan and our route system. Our first new aircraft begins service with three frequencies every weekday between Regina and Saskatoon as well as a direct flight every weekday to our United States gateway, Minneapolis/St. Paul.

The versatile F-28 has been selected as the aircraft to meet the future needs of Norcanair and Saskatchewan. The next time you have business in Regina or Saskatoon or when you have the urge to jet away for a southern holiday, try the F-28, we know you'll like it.

Call Norcanair or your travel agent.
