General Information

Canadian Partners

Flights operated by any of our Canadian Partner network in Canada are shown with an asterisk. See Page 1 for details.

Airport Check-in Times – Passengers should plan to arrive at the airport of departure in sufficient time to allow for check-in and security formalities.

Recommended check-in times at Canadian and continental United States airports are:

- (a) Domestic – 45 minutes prior to departure
- (b) Transborder – 60 minutes prior to departure
- (c) International – 90 minutes prior to departure

Passengers who fail to present themselves for check-in in sufficient time for normal processing may have their reservations cancelled. Minimum times are:

- (1) Domestic – 15 minutes at the check-in counter and 10 minutes at the ticket lift point.
- (2) Transborder and International – 30 minutes at the check-in counter and 15 minutes at the ticket lift point.

Recommended check-in times and minimum times at points outside of North America may vary based on local conditions and government requirements. Please consult any office of Canadian Airlines International or your travel agent for specific details.

Baggage – (All baggage must be labelled with the passenger's name.) Contents should consist of personal items for use on this trip. Fragile items accepted only when properly packaged. Perishable items accepted only when properly packaged and checked as a separate piece of baggage. Money, jewellery, silverware, negotiable papers, securities, samples, and liquids are **not acceptable** in or as part of checked baggage at any time. Articles of value (passports, medications, etc.) should be carried on your person or in your hand baggage. There are many liquids and other substances which are very dangerous to carry or pack in your baggage. The following are some which are either prohibited entirely or may only be carried by prior arrangements: firearms and ammunition, matches, lighters, compressed gasses, corrosive acids, flammable liquids and solids, mercury, radioactive materials, etc. If in doubt, call us for guidance.

Free Checked Baggage Allowance is normally limited to two suitcases per passenger, excluding infants, for travel to, from or within North America. Travel wholly outside North America is usually limited to 30 kgs. (66 lbs.) for First Class and 20 kgs. (44 lbs.) for Economy. Specific size and weight limitations apply to all routes. Ask for details.

Cabin Baggage is limited to that which will safely fit under a seat or in a closed overhead bin. Maximum size permitted is 51 cm x 41 cm x 23 cm (20" x 16" x 9").

Excess Baggage – Checked baggage in excess of the free baggage allowance, may be accepted subject to aircraft weight and space limitations and will be assessed excess baggage charges. Consult Canadian Airlines International or your travel agent.

Schedules – Although we do our utmost to ensure the punctuality of our services, Canadian Airlines International cannot accept responsibility for delays or missed connections. We reserve the right to cancel services or modify these schedules without notice.

Taxes – Many countries impose transportation taxes, security and/or other charges. Canadian Airlines International reserves the right to deny passage to anyone refusing to pay such taxes and/or charges, when and where applicable.

Travel Documents – For international travel, you will usually require a valid passport, and may also require a visa and/or other entry permit or health certificate. We will be pleased to provide our latest available information on travel requirements, but we urge you to contact the nearest consulate of countries on your itinerary before departure. Canadian Airlines International staff are required to deny boarding of international flights to anyone without necessary documents, and we accept no liability for the consequences of such action. And please, **never** place your travel documents in checked baggage.

Liability – Baggage and passenger liability is limited by law, convention and airline tariffs. Airline tariffs are available for public inspection upon request.
