We care more.

Crossair may be Europe's leading regional airline; but our air cargo operations extend far further than the borders of our home continent. In fact, Crossair and Swissair Cargo offer a comprehensive network of airfreight services all over the world. And you or your forwarder can use any Swissair Cargo office to book space on any Crossair flight. For details of your local cargo contact, look for the entries marked **(F)** (for Freight) in the "Town and airport" section of the Crossair timetable; or call any Swissair Cargo office anywhere in the world.

Qualiflyer, das Programm für Vielfliegende von Swissair, Austrian Airlines und Crossair

Als Vielfliegende von Swissair, Austrian Airlines und Crossair sammeln Sie auf Ihrem Konto nicht nur Meilen, wenn Sie mit diesen Gesellschaften fliegen. Sondern auch bei allen Reisen mit unseren Partner-Fluggesellschaften und beim Automieten. So kommen Sie schnell und einfach zu Meilen, für die wir Sie mit Freiflügen für Sie selbst oder einen Partner, aber auch mit attraktiven Kultur- und Freizeitangeboten belohnen.

Was halten Sie zum Beispiel von einem Crossair-Simulatorflug, bei dem Sie eine Stunde lang selbst den Steuerknüppel übernehmen?

Unsere Zusammenarbeit mit 12 renommierten Fluggesellschaften (Swissair, Austrian Airlines, Tyrolean Airways, Air Canada, Delta Air Lines, Cathay Pacific Airways, Malaysia Airlines, Singapore Airlines, Ansett Australia, Austrian Airtransport, Sabena, All Nippon Airways) und ein weltweites Streckennetz von über 700 Destinationen machen Qualiflyer zum meilenweit besten Angebot für Vielfliegende.

Anmeldeformulare und detaillierte Auskünfte erhalten Sie beim Qualiflyer Service Center (Zürich ☎ 01 258 33 33 / Genf ☎ 022 799 59 59) oder an den Verkaufsstellen der Swissair, Crossair und Austrian Airlines.

Qualiflyer, le programme de fidélisation pour les grands voyageurs de Swissair, Austrian Airlines et Crossair

Grand voyageur de Swissair, Austrian Airlines et Crossair, vous gagnez des milles à chaque voyage en notre compagnie; mais ce n'est pas tout! Voyager aussi sur les lignes de nos partenaires et louer une voiture. C'est là tout l'avantage de notre programme. Rien de plus rapide pour accéder à une étonnante palette de bénéfices; vols gratuits pour vous ou l'une de vos connaissances, entrée à des activités exclusives, culturelles ou de loisirs.

Que diriez-vous par exemple d'une simulation de vol au cours de laquelle c'est vous qui tenez les commandes?

Notre collaboration avec 12 des compagnies aériennes de qualité (Swissair, Austrian Airlines, Tyrolean Airways, Air Canada, Delta Air Lines, Cathay Pacific Airways, Malaysia Airlines, Singapore Airlines, Ansett Australia, Austrian Airtransport, Sabena, All Nippon Airways) et un choix de plus de 700 destinations à travers le monde font de Qualiflyer le meilleur programme de fidélisation de voyageurs assidus de Swissair, Austrian Airlines et Crossair à des milles à la ronde.

Vous pouvez obtenir des formulaires d'adhésion ou des informations complémentaires auprès du Qualiflyer Service Center (à Zurich ☎ 01 258 33 33 ou à Genève ☎ 022 799 59 59) ou aux points de vente Swissair, Crossair et Austrian Airlines ou par téléphone.

Qualiflyer, il programma di fidelizzazione di Swissair, Austrian Airlines e Crossair

Con Qualiflyer, il programma di fidelizzazione di Swissair, Austrian Airlines e Crossair, accumulare miglia è davvero facile. Ma non è tutto: anche viaggiare sulle linee dei nostri partner e noleggiare un'auto. Niente di più facile e rapido per poter accedere a una sorprendente gamma di vantaggi: voli gratuiti per voi o le vostre conoscenze, accesso ad attività esclusive, arrangiamenti culturali.

Che ne direste, per esempio, di diventare pilota durante un volo simulato?

Da non dimenticare, infine, che la nostra collaborazione con 12 compagnie aeree di qualità (Swissair, Austrian Airlines, Tyrolean Airways, Air Canada, Delta Air Lines, Cathay Pacific Airways, Malaysia Airlines, Singapore Airlines, Ansett Australia, Austrian Airtransport, Sabena, All Nippon Airways) e una scelta di oltre 700 destinazioni in tutto il mondo permettono a «Qualiflyer» di essere considerato come miglior programma di fidelizzazione per la clientela, in un raggio di centinaia di miglia.

Potete ottenere i formulari d'iscrizione o qualsiasi informazione supplementare presso i Qualiflyer Service Center (a Zurigo ☎ 01 258 33 33 o a Ginevra ☎ 022 799 59 59) o presso tutti gli sportelli Swissair, Crossair e Austrian Airlines, come pure presso i Qualiflyer Service Centers.

Qualiflyer, the frequent flyer program of Swissair, Austrian Airlines and Crossair

As a frequent flyer with Swissair, Austrian Airlines and Crossair it is not just the mileage that multiplies. You also benefit while you fly with one of our 12 partner airlines (Swissair, Austrian Airlines, Tyrolean Airways, Air Canada, Delta Air Lines, Cathay Pacific Airways, Malaysia Airlines, Singapore Airlines, Ansett Australia, Austrian Airtransport, Sabena, All Nippon Airways) or when you rent a car. Herewith, it is easy to collect mileage which in return will be rewarded in terms of free flights for you or your partner or you may take advantage of our cultural and recreational facilities.

How about a one-hour-training on a Crossair flight simulator?

And last but not least, our rout network brings more than 700 destinations within reach and therefore, is the most valuable offer for frequent flyers.

You may request enrollment forms and further details at the Qualiflyer Service Center (Zurich ☎ 01 258 33 33 or Geneva ☎ 022 799 59 59) or at all Swissair, Crossair or Austrian Airlines offices.

Le tariffe pubblicate in questo orario sono puramente indicative e possono essere modificate senza preavviso. Inoltre in certi paesi le tariffe sono sottoposte all'approvazione delle competenti autorità. Nelle tariffe non sono comprese le eventuali tasse imposte dai governi, le tasse aeroportuali, le sovrattasse ecologiche e i costi del trasporto fra il terminale cittadino e l'aeroporto. Le tariffe speciali di andata e ritorno sono soggette a condizioni particolari di applicazione. Le deviazioni dalle rotte più brevi possono risultare con una maggiorazione della tariffa. Grazie alla liberalizzazione dell'aviazione civile fra le nazioni europee, è divenuto necessario introdurre un numero sempre maggiore di tariffe speciali. Gli uffici biglietteria sono a disposizione per darvi tutte le informazioni sulle riduzioni per famiglie, coniugi, bambini, ragazzi, giovani, studenti, anziani e gruppi ed in oltre per le tariffe non pubblicate nel presente orario.

Beförderungsbedingungen. Die Beförderung unterliegt den «Allgemeinen Beförderungsbedingungen» der Fluggesellschaften. Diese Bedingungen stehen den Passagieren in den Büros der Gesellschaften zur Einsicht offen. Ein Auszug ist ausserdem den Flugscheinen beigegeben.

Platzbelegung. Es empfiehlt sich, die Plätze so früh wie möglich bei einer anerkannten Reiseagentur oder Fluggesellschaft zu reservieren. *Es ist wichtig, dass Sie Ihren Weiter- oder Rückflug bestätigen lassen und nicht mehr gewünschte Buchungen sofort annullieren.* Bitte setzen Sie sich deshalb an Ihrem nächsten Aufenthaltsort mit einer Buchungsstelle persönlich oder telefonisch in Verbindung und geben Sie Ihre Adresse oder Telefonnummer bekannt, damit Sie über allfällige Unregelmässigkeiten frühzeitig informiert werden können. Für die Beförderung unbegleiteter Kinder sowie für Behinderte und Kranke gelten besondere Bestimmungen.

Die Beförderung von Tieren unterliegt der Zustimmung der Fluggesellschaften.

Pass-, Visa-, Zoll-, Gesundheits- und Währungsvorschriften. Für die Beachtung der einschlägigen Vorschriften sind die Fluggäste selbst verantwortlich. Die Flugscheinverkaufsstellen geben hierüber gerne unverbindlich Auskunft.

Meldeschluss. Die Passagiere werden dringend gebeten, sich zwecks rechtzeitiger Erledigung der Abfertigungsformalitäten spätestens zu den im Kapitel «Stadt und Flughafen» angegebenen Zeiten im Stadtbüro oder am Flugplatz einzufinden.

Passagiere, welche sich nach Meldeschluss am Abfertigungsschalter einfinden, verlieren ihr Recht auf eine zuvor bestätigte Reservation.

Gepäck allgemein. Jedes Gepäckstück muss mit einer Namens- und Adressetikette versehen sein.

Wertsachen, Dokumente, Geschäftspapiere, Muster, Schlüssel, Medikamente sowie zerbrechliche und verderbliche Sachen müssen im Handgepäck mitgeführt werden.

Den Reisenden wird der Abschluss besonderer Gepäckversicherungen empfohlen.

Gefährliche Güter oder Stoffe sowie Waffen und Munition können nur unter besonderen Bedingungen transportiert werden.

Nachstehende Gepäckarten müssen schon bei der Platzreservierung angemeldet werden: voluminöses Gepäck, Übergepäck von mehr als 50 kg pro Passagier oder Gruppe, Fahrräder, Tiere, Munition für Sportwaffen, Rollstühle, Zubehör für gehbehinderte Passagiere; zerbrechliche, gefährliche oder bedingt zugelassene Gegenstände, Kindertragkörbe und Zubehör. Die Flugscheinverkaufsstellen geben gerne nähere Auskunft über den Gepäcktransport.

Registriertes Freigepäck. Erwachsene sowie Kinder ab zwei Jahren haben Anrecht auf die Beförderung von 40 kg registriertem Freigepäck in der Ersten Klasse, 30 kg in der «Business»-Klasse bzw. 20 kg in der «Economy»-Klasse.

Freies Handgepäck. Zusätzlich zum registrierten Freigepäck können Erwachsene und Kinder ab 2 Jahren ein Handgepäckstück von max. 10 kg, welches die Masse von 55x40x15 cm nicht überschreiten darf, in die Kabine mitnehmen. Für Kinder unter zwei Jahren kann zusätzlich eine Kindertragtasche mitgenommen werden.

Übergepäckgebühren. Über die Gebühren für Übergepäck geben die Flugscheinverkaufsstellen Auskunft.

Conditions de transport. Le transport est subordonné aux «Conditions générales de transport». Celles-ci sont à la disposition des passagers dans tous les bureaux et agences de transport. De plus, un extrait est joint au billet de passage.

Réservation de places. Il est conseillé de retenir les places le plus tôt possible auprès d'une agence de voyages agréée. *Il est important que vous fassiez confirmer vos vols de continuation ou de retour et que vous annuliez immédiatement les réservations que vous ne désirez plus.* Veuillez donc avoir l'obligeance, à votre prochain lieu de séjour, de vous mettre en rapport avec un bureau de réservation afin de lui communiquer votre adresse ou votre numéro de téléphone pour que vous puissiez être informé en temps utile de changements éventuels.

Des prescriptions spéciales sont applicables pour le transport d'enfants non accompagnés, ainsi que de passagers malades ou handicapés.

Le transport d'animaux est subordonné à l'accord des compagnies aériennes.

Passeports, visas, formalités douanières et monétaires. Le passager est lui-même responsable de l'observation des prescriptions en vigueur. Les bureaux de vente de billets fournissent volontiers tous les renseignements nécessaires à ce sujet, sans engagement de leur part.

Heure limite d'enregistrement. Les passagers sont instamment priés de se présenter dans les délais indiqués (voir chapitre «Ville et aéroport») au terminal urbain ou à l'aéroport, pour accomplir les formalités de départ.

Les passagers qui se présentent au guichet d'enregistrement après l'heure limite d'enregistrement perdent leur droit à une réservation préalablement confirmée.

Bagages. Chaque bagage doit être muni d'une étiquette portant le nom et l'adresse du passager.

Les objets de valeur, les documents, les papiers d'affaires, les échantillons, les clefs, les médicaments, les objets fragiles ainsi que les denrées périssables doivent être placés dans les bagages à main.

Il est donc recommandé aux passagers de contracter une assurance-bagages spéciale.

Les matières ou articles dangereux, ainsi que les armes et les munitions peuvent seulement être transportés dans des conditions particulières.
