Mit 3.7 Jahren Durchschnittsalter gehören unsere Flugzeuge zu den jüngsten Flotten Europas. Auch für die eigene Wartung sind uns nur die neusten Technologien modern genug. Zum Crossair Erfolgsrezept gehört auch das raffinierte zusammengestellte Inflight Produkt. Wir legen grossen Wert auf Sorgfalt und Sauberkeit bis ins kleinste feinste Detail. Höchstmögliche Beweglichkeit und Angebots-Vielfalt sind feste Bestandteile unserer Unternehmensphilosophie. "European Regional Airline of the Year" wird man nur mit höchsten Ansprüchen an Qualität und Service.

Our aircraft average 3.7 years and are among Europe's youngest fleets. For our maintenance we insist on the very latest technology. The Crossair success recipe also includes the sophisticated assembled inflight product. We attach great importance to care and cleanliness down to the tiniest detail. Maximum flexibility and the widespread range of our services are part and parcel of our corporate philosophy. Only the highest standards of quality and service are eligible for the "European Regional Airline of the Year".

Agés en moyenne de 3.7 ans, nos avions font partie des plus jeunes flottes d'Europe. En matière d'entretien, également, nous ne retenons que les technologies les plus modernes. La clé du succès de Crossair réside encore, par ailleurs, dans un produit Inflight combiné des plus sophistiqués. Nous attachons une grande importance au traitement minutieux et irréprochable des moindres détails. La poursuite d'une souplesse maximale et une palette d'offres multiples font, depuis toujours, partie intégrante de notre philosophie d'entreprise. "Compagnie régionale européenne de l'année", nous ne le sommes devenus qu'en nous fixant les exigences les plus élevées en matière de qualité et de service.

Con un'età media di 3.7 anni, i nostri aerei fanno parte della flotta più giovane d'Europa. Anche per la manutenzione ci avvaliamo delle tecnologie più moderne. Una delle chiavi del nostro successo è il raffinato prodotto inflight. Attribuiamo grande importanza all'accuratezza e alla pulizia fino nei minimi dettagli. Massima mobilità e offerta svariata sono due importanti componenti della nostra filosofia imprenditoriale. "European Regional Airlines of the Year" si diventa solo con i massimi standard di qualità e servizio.

**Das
Crossair
Tarifan-
gebot zu
Ihren
Gunsten**

Die Liberalisierung in Europa hat zur Folge, dass sich die Tarife innerhalb einer Flugplanperiode ändern können. Von welchem Angebot Sie für Ihre Reise "massgeschneidert" profitieren können, sagt Ihnen gern Ihr Reisebüro, die Crossair oder unser Generalverkaufsagent Swissair weltweit. Einige Beispiele aus dem vielfältigen Tarif-Angebot für jedermann sehen Sie im Flugplan.

**Crossair
fare offer
in your
favour**

The result of the liberalisation of air fares in Europe is that fares can change within a flight schedule period. Your travel agent, Crossair or our Swissair general agent anywhere in the world can tell you how you can benefit from the offer that is best tailored to your journey. The flight schedule gives you a few examples from the possible air fares available to all.

**Offre
avanta-
geuse de
tarifs
Crossair**

La libéralisation en Europe a pour conséquence de rendre possible la modification des tarifs, au cours d'une période de planification des vols. Votre agence de voyage, Crossair ou tout agent général de vente Swissair se feront un plaisir de vous communiquer de quelle offre "sur mesure" vous pourrez profiter, dans le cadre de vos voyages.

**L'offerta
di tariffe
Crossair a
vostro van-
taggio**

In seguito alla liberalizzazione in atto in Europa, le tariffe possono cambiare anche durante il periodo della pubblicazione dell'orario dei voli. Per sapere quale offerta è "tagliata su misura" per le vostre esigenze, potete rivolgervi alla vostra agenzia di viaggio, alla Crossair o agli uffici vendita Swissair. Alcuni esempi della nostra vasta offerta di tariffe sono riportati nell'orario di volo.

We care more.

Crossair may be Europe's leading regional airline; but our air cargo operations extend far further than the borders of our home continent. In fact, Crossair and Swissair Cargo offer a comprehensive network of airfreight services all over the world. And you or your forwarder can use any Swissair Cargo office to book space on any Crossair flight. For details of your local cargo contact, look for the entries marked **ⓕ** (for Freight) in the "Town and airport" section of the Crossair timetable; or call any Swissair Cargo office anywhere in the world.

Qualiflyer, das Programm für Vielfliegende von Swissair, Austrian Airlines, Sabena und Crossair

Als Vielfliegende von Swissair, Austrian Airlines, Sabena und Crossair sammeln Sie auf Ihrem Konto nicht nur Meilen, wenn Sie mit diesen Gesellschaften fliegen, sondern auch bei allen Reisen mit unseren Partner-Fluggesellschaften, beim Automieten und sogar beim Übernachten in Häusern unserer Partner-Hotels. So kommen Sie schnell und einfach zu Meilen, für die wir Sie mit Freiflügen für Sie selbst oder einen Partner, aber auch mit attraktiven Kultur- und Freizeitangeboten belohnen.

Was halten Sie zum Beispiel von einem Crossair-Simulatorflug, bei dem Sie eine Stunde lang selbst den Steuerknüppel übernehmen?

Unsere Zusammenarbeit mit 13 renommierten Fluggesellschaften (Swissair, Austrian Airlines, Sabena, Tyrolean Airways, Air Canada, Delta Air Lines, Cathay Pacific Airways, Malaysia Airlines, Singapore Airlines, Ansett Australia, Austrian Airtransport, All Nippon Airways, Air One) und ein weltweites Streckennetz machen Qualiflyer zum meilenweit besten Angebot für Vielfliegende.

Anmeldeformulare und detaillierte Auskünfte erhalten Sie beim Qualiflyer Service Center (Zürich ☎ 01 258 33 33 / Genf ☎ 022 799 59 59) oder an den Verkaufsstellen der Swissair, Crossair, Austrian Airlines und Sabena.

Qualiflyer, le programme de fidélisation pour les grands voyageurs de Swissair, Austrian Airlines, Sabena et Crossair

Grand voyageur de Swissair, Austrian Airlines, Sabena et Crossair, vous gagnez des milles à chaque voyage en notre compagnie; mais ce n'est pas tout! Voyager sur les lignes de nos partenaires, louer une voiture, séjourner dans un hôtel associé peut aussi vous rapporter des milles. C'est là tout l'avantage de notre programme. Rien de plus rapide pour accéder à une étonnante palette de bénéfices; vols gratuits pour vous ou l'une de vos connaissances, entrée à des activités exclusives, culturelles ou de loisirs.

Que diriez-vous par exemple d'une simulation de vol au cours de laquelle c'est vous qui tenez les commandes?

Notre collaboration avec 13 des compagnies aériennes de qualité (Swissair, Austrian Airlines, Sabena, Tyrolean Airways, Air Canada, Delta Air Lines, Cathay Pacific Airways, Malaysia Airlines, Singapore Airlines, Ansett Australia, Austrian Airtransport, All Nippon Airways, Air One) et nos destinations à travers le monde font de Qualiflyer le meilleur programme de fidélisation de voyageurs assidus de Swissair, Austrian Airlines et Crossair à des milles à la ronde.

Vous pouvez obtenir des formulaires d'adhésion ou des informations complémentaires auprès du Qualiflyer Service Center (à Zurich ☎ 01 258 33 33 ou à Genève ☎ 022 799 59 59) ou aux points de vente Swissair, Crossair, Austrian Airlines et Sabena ou par téléphone.

Qualiflyer, the frequent flyer program of Swissair, Austrian Airlines, Sabena and Crossair

As a frequent flyer with Swissair, Austrian Airlines, Sabena and Crossair it is not just the mileage that multiplies. You also benefit while you fly with one of our 13 partner airlines (Swissair, Austrian Airlines, Sabena, Tyrolean Airways, Air Canada, Delta Air Lines, Cathay Pacific Airways, Malaysia Airlines, Singapore Airlines, Ansett Australia, Austrian Airtransport, Sabena, All Nippon Airways, Air One), when you rent a car or when you spend the night in one of our partner hotels. Herewith, it is easy to collect mileage which in return will be rewarded in terms of free flights for you or your partner or you may take advantage of our cultural and recreational facilities.

How about a one-hour-training on a Crossair flight simulator?

And last but not least, our rout network brings destinations within reach and therefore, is the most valuable offer for frequent flyers.

You may request enrollment forms and further details at the Qualiflyer Service Center (Zurich ☎ 01 258 33 33 or Geneva ☎ 022 799 59 59) or at all Swissair, Crossair, Austrian Airlines or Sabena offices.

Beförderungsbedingungen. Die Beförderung unterliegt den «Allgemeinen Beförderungsbedingungen» der Fluggesellschaften. Diese Bedingungen stehen den Passagieren in den Büros der Gesellschaften zur Einsicht offen. Ein Auszug ist ausserdem den Flugscheinen beigegeben.

Platzbelegung. Es empfiehlt sich, die Plätze so früh wie möglich bei einer anerkannten Reiseagentur oder Fluggesellschaft zu reservieren. *Es ist wichtig, dass Sie Ihren Weiter- oder Rückflug bestätigen lassen und nicht mehr gewünschte Buchungen sofort annullieren.* Bitte setzen Sie sich deshalb an Ihrem nächsten Aufenthaltsort mit einer Buchungsstelle persönlich oder telefonisch in Verbindung und geben Sie Ihre Adresse oder Telefonnummer bekannt, damit Sie über allfällige Unregelmässigkeiten frühzeitig informiert werden können. Für die Beförderung unbegleiteter Kinder sowie für Behinderte und Kranke gelten besondere Bestimmungen.

Die Beförderung von Tieren unterliegt der Zustimmung der Fluggesellschaften.

Pass-, Visa-, Zoll-, Gesundheits- und Währungsvorschriften. Für die Beachtung der einschlägigen Vorschriften sind die Fluggäste selbst verantwortlich. Die Flugscheinverkaufsstellen geben hierüber gerne unverbindlich Auskunft.

Meldeschluss. Die Passagiere werden dringend gebeten, sich zwecks rechtzeitiger Erledigung der Abfertigungsformalitäten spätestens zu den im Kapitel «Stadt und Flughafen» angegebenen Zeiten im Stadtbüro oder am Flugplatz einzufinden.

Passagiere, welche sich nach Meldeschluss am Abfertigungsschalter einfinden, verlieren ihr Recht auf eine zuvor bestätigte Reservation.

Gepäck allgemein. Jedes Gepäckstück muss mit einer Namens- und Adressetikette versehen sein.

Wertsachen, Dokumente, Geschäftspapiere, Muster, Schlüssel, Medikamente sowie zerbrechliche und verderbliche Sachen müssen im Handgepäck mitgeführt werden.

Den Reisenden wird der Abschluss besonderer Gepäckversicherungen empfohlen.

Gefährliche Güter oder Stoffe sowie Waffen und Munition können nur unter besonderen Bedingungen transportiert werden.

Nachstehende Gepäcksarten müssen schon bei der Platzreservierung angemeldet werden: voluminöses Gepäck, Übergepäck von mehr als 50 kg pro Passagier oder Gruppe, Fahrräder, Tiere, Munition für Sportwaffen, Rollstühle, Zubehör für gehbehinderte Passagiere; zerbrechliche, gefährliche oder bedingt zugelassene Gegenstände, Kindertraggörbe und Zubehör. Die Flugscheinverkaufsstellen geben gerne nähere Auskunft über den Gepäcktransport.

Registriertes Freigeäck. Erwachsene sowie Kinder ab zwei Jahren haben Anrecht auf die Beförderung von 40 kg registriertem Freigeäck in der Ersten Klasse, 30 kg in der «Business»-Klasse bzw. 20 kg in der «Economy»-Klasse.

Freies Handgeäck. Zusätzlich zum registrierten Freigeäck können Erwachsene und Kinder ab 2 Jahren ein Handgeäckstück von max. 10 kg, welches die Masse von 55×40×15 cm nicht überschreiten darf, in die Kabine mitnehmen. Für Kinder unter zwei Jahren kann zusätzlich eine Kindertragtasche mitgenommen werden.

Übergeäckgebühren. Über die Gebühren für Übergeäck geben die Flugscheinverkaufsstellen Auskunft.

Conditions de transport. Le transport est subordonné aux «Conditions générales de transport». Celles-ci sont à la disposition des passagers dans tous les bureaux et agences de transport. De plus, un extrait est joint au billet de passage.

Réservation de places. Il est conseillé de retenir les places le plus tôt possible auprès d'une agence de voyages agréée. *Il est important que vous fassiez confirmer vos vols de continuation ou de retour et que vous annuliez immédiatement les réservations que vous ne désirez plus.* Veuillez donc avoir l'obligeance, à votre prochain lieu de séjour, de vous mettre en rapport avec un bureau de réservation afin de lui communiquer votre adresse ou votre numéro de téléphone pour que vous puissiez être informé en temps utile de changements éventuels.

Des prescriptions spéciales sont applicables pour le transport d'enfants non accompagnés, ainsi que de passagers malades ou handicapés.

Le transport d'animaux est subordonné à l'accord des compagnies aériennes.

Passeports, visas, formalités douanières et monétaires. Le passager est lui-même responsable de l'observation des prescriptions en vigueur. Les bureaux de vente de billets fournissent volontiers tous les renseignements nécessaires à ce sujet, sans engagement de leur part.

Heure limite d'enregistrement. Les passagers sont instamment priés de se présenter dans les délais indiqués (voir chapitre «Ville et aéroport») au terminal urbain ou à l'aéroport, pour accomplir les formalités de départ.

Les passagers qui se présentent au guichet d'enregistrement après l'heure limite d'enregistrement perdent leur droit à une réservation préalablement confirmée.

Les objets de valeur, les documents, les papiers d'affaires, les échantillons, les clefs, les médicaments, les objets fragiles ainsi que les denrées périssables doivent être placés dans les bagages à main.

Il est donc recommandé aux passagers de contracter une assurance-bagages spéciale.

Les matières ou articles dangereux, ainsi que les armes et les munitions peuvent seulement être transportés dans des conditions particulières.

En plus des bagages enregistrés admis en franchise, les adultes et les enfants dès l'âge de deux ans peuvent emporter dans la cabine un bagage à main de 10 kg au maximum dont les dimensions n'excèdent pas 55×40×15 cm. Pour les enfants au-dessous de deux ans on peut emporter en outre un sac de voyage pour bébés.

Taxes d'excédent de bagages. Les bureaux de vente de billets renseignent sur les taxes d'excédent de bagages.

Prenotazioni. I posti devono essere prenotati al più presto, presso la Crossair o presso un agente di viaggio riconosciuto. Le prenotazioni possono considerarsi definitive solo dopo trascrizione sul biglietto stesso. La Crossair cerca di soddisfare la richiesta di posti e di assecondare in tempo utile e per quanto possibile i desideri dei suoi passeggeri. Per facilitarci questo compito, siete gentilmente pregati di
