## RENSEIGNEMENTS GÉNÉRAUX

Nous présentons ci-dessous un simple résumé des conditions de transport en vigueur dans notre compagnie. Pour plus de détails, consultez votre Agence de Voyages, nos Représentants ou nos bureaux. Tous les renseignements contenus dans le présent INDICATEUR GENERAL sont susceptibles de changements sans préavis.

### Conditions de transport

Tout transport sur AIR AFRIQUE est soumis aux «Conditions Générales de Transports Aériens» régies par la Convention de VARSOVIE.

### Formalités

La responsabilité d'être en règle avec les formalités de police, santé, douane des pays de départ, de destination et de transit situés sur le parcours du voyage accompli par les passagers leur incombe entièrement et uniquement. En aucune manière la responsabilité de la compagnie ne peut être engagée.

### Réservations - Reconfirmation obligatoire

Les places doivent être retenues suffisamment à l'avance auprès d'une Agence AIR AFRIQUE, UTA, AIR FRANCE ou par l'intermédiaire de toute autre compagnie aérienne ou Agence de Voyages.

Reconfirmez en temps utile la place que vous avez réservée pour votre retour ou la suite de votre voyage, si vous l'avez interrompu pendant plus de 72 heures (3 jours) en un point quelconque du parcours. Veuillez aviser la compagnie qui doit vous transporter 72 heures (3 jours) au plus tard avant le départ du vol. Le défaut de reconfirmation entraînera l'annulation automatique de la réservation.

### Annulation - Remboursement

Si vous ne pouvez utiliser les places réservées, annulez alors votre réservation dans les meilleurs délais afin d'éviter la retenue des frais d'annulation d'une part et de libérer cette place au bénéfice de passagers en liste d'attente. Pour être prises en considération les demandes de remboursement de billets inutilisés doivent être présentées au plus tard 30 jours après leur délai de validité et si possible à l'Agence émettrice.

### Tarifs

Les tarifs applicables sont ceux en vigueur à la date du début du voyage car ils peuvent être modifiés sans préavis après la date d'achat du billet.

### Validité des billets

La validité est variable selon le tarif utilisé. Elle est limitée et figure sur les coupons de vol. La durée pour le tarif normal de base est d'un an, tout voyage doit être commencé dans un délai d'un an à partir de la date d'émission du billet. Il devra être terminé dans un délai d'un an à partir de la date de commencement du voyage, sauf dans le cas des tarifs spéciaux soumis à une validité limitée.

### Réductions et tarifs spéciaux

Un bébé de moins de deux ans, accompagné d'une personne âgée au minimum de 15 ans paie 10 % du tarif normal sans franchise de bagages. Les autres bébés et enfants de 12 ans paient 50 %.

En dehors de la réduction enfants, il existe de nombreuses réductions avantageuses applicables sous certaines conditions. Consultez votre Agent de voyages ou n'importe quelle Agence AIR AFRIQUE.

## GENERAL INFORMATION

Hereunder is a summary of AIR AFRIQUE'S General Conditions of Carriage. For further details, contact our offices, or your Travel Agent. All the informations contained in this Guide may be modified without prior notice.

### Conditions of Carriage

Every journey by AIR AFRIQUE is subject to the «General Conditions of Carriage» which may be consulted at any of our agencies or offices.

### Police and health formalities

Passengers are solely and entirely responsible for conforming with the formalities required by the Police, Customs and health Authorities at the departure, destination and transit points along the route.

### Reservation - Reconfirmation

Seats must be reserved sufficiently in advance at AIR AFRIQUE, UTA, AIR FRANCE offices or agencies or through any authorized Airline or Travel Agent.

It is advisable to reconfirm in advance with the nearest AIR AFRIQUE or any other Airline office or Agency in advance your reservation for the return journey or the continuation of your outward journey if you break it for more than 72 hours (3 days) at any point. Notify our office before the departure of your Flight. Failure to reconfirm may result in the cancellation of your reservation.

### Cancellations - Refunds

If you are prevented from using your reservation, notify your cancellation, so as to avoid a cancellation fee, and make your seat available to passengers on the waiting list.

If a ticket is not used partly or wholly, application for refund must be made by purchaser of ticket within 30 days after the expiry date.

### Fares

The fares applicable are those effective at time of commencement of the journey and are subject to alteration after the purchase of the ticket without notice. One year of the date of issue on your ticket.

### Validity of tickets

The validity of tickets depends on the fare. It is limited and shown on the flight-coupons: generally one year. You must begin your journey within one year from the date of issue of your ticket, and terminate it within one year from the effective date of departure. (Except in the case of special tariffs of limited validity).

### Fare reductions

One accompanied child under 2 years pays 10 % of the normal fare, without free baggage allowance. Other children under 12 years are granted 50 % discount.

A great number of promotional fares are available under certain conditions. Ask your Travel Agent or any AIR AFRIQUE Agency for further details.

### Heures limite d'enregistrement

L'heure limite d'enregistrement (HLE) à l'aéroport est impérative et précise la limite au-delà de laquelle les passagers ne peuvent plus être enregistrés sur le vol prévu. Elle est en général de 45 mn avant l'heure de départ du vol. La compagnie se réserve le droit de disposer des places des passagers qui ne se seraient pas présentés dans les délais prévus.

### Horaires

Les horaires sont indiqués en heures locales. Le décalage par rapport à l'heure TU (Temps Universel) figure en regard de chaque escale.

Les horaires, les types d'appareils et les prestations sont susceptibles de changement sans préavis et AIR AFRIQUE ne saurait être tenue responsable d'aucun retard, annulation de vol, correspondance manquée.

### Repas

Déjeuner, dîner, thé ainsi que tous rafraîchissements et alcools sont gracieusement offerts aux passagers à l'exception du champagne payant en classe touriste.

Air Afrique se fait le plaisir de servir à bord des repas spéciaux pour enfants, musulman, sans sel, végétarien, repas kascher pourvu que la demande soit exprimée au moment de la réservation.

Au départ des escales Africaines (exceptée Brazzaville) Air Afrique offre le choix entre une «spécialité Africaine» et un «plat classique cuisine internationale».

### Bagages

Ce terme inclut tous les bagages y compris machine à écrire, bagage de nuit, serviettes d'affaires etc... qui entrent dans le poids total, que ceux-ci soient transportés en cabine ou en soute. Sont transportés gratuitement en sus la franchise et à condition qu'ils restent sous la garde du passager dans la cabine.

- un sac à main de dame à l'exclusion du sac type «fourre-tout».
- un parapluie ou une canne,
- un manteau, une cape ou une couverture,
- un appareil photographique ou cinématographique et une paire de jumelles.
- quelques livres (en quantité raisonnable) destinés à être lus pendant le vol.
- la nourriture des bébés pour consommation en cours de vol,
- un mouchoir portatif,
- un fauteuil roulant et paire de béquilles, un appareil orthopédique seulement aux infirmes auxquels ils sont indispensables, un chien d'aveugle transporté soit en cabine (muselé) soit en soute.

Selon la nouvelle réglementation vous devez attacher sur chaque bagage une étiquette adresse extérieure (NOM, adresse permanente) AIR AFRIQUE recommande également aux passagers de mettre une étiquette à l'intérieur de leurs bagages et de les fermer à clefs.

Ne mettez dans vos bagages enregistrés ni articles fragiles, périssables ou de valeur (titres ou autres), des objets précieux, des papiers d'affaires. Sont interdits dans les bagages, les articles explosifs, inflammables, armes à feu et munitions corrosifs, oxydants, irritants, toxiques, radioactifs, magnétiques, les gaz comprimés et les objets non autorisés par les Etats. L'écoute des transistors est interdite à bord.

### Franchise de bagages

La franchise est accordée à tous les passagers âgés de plus de 2 ans. Elle est en général fixée comme suit: 30 kg en première classe et 20 kg en classe économique.

Au départ de la zone US/Canada elle est de deux valises moyennes ou une grande et une petite.

### Latest check - in times

The last check-in-times indicates the latest time after which passengers will not be allowed to board the aircraft.

It is essential to conform to the last check-in-times at the Airport. The Carrier reserves the right to dispose of the seats of passengers who arrive after the scheduled check-in-times. (depending on the time).

### Schedules

Schedules are listed in local time. Difference between local time and UT (Universal Time) is shown opposite each destination. Schedules, types of air-craft and fares are subject to alteration without previous notice and AIR AFRIQUE does not accept responsibility for any delay, cancellation of flight or missed connection.

### Meals

Breakfast, lunch, dinner or tea, soft drinks, wine and spirits are served free of charge. However champagne is charged in tourist class.

Air Afrique is happy to serve special diets: muslim, kosher, salt free, vegetarian and for infants, provided notice is given when booking.

For lunch or dinner on long haul flights, Air Afrique is pleased to offer you (except from Brazzaville) a choice between one typical African meal and one international meal.

### Baggage

This form includes baggage: typewriters, night bags, briefcases etc... making up to weight whether carried by cargo or in the passenger section of plane. Only the following items are carried free of charge over and above the free baggage allowance, provided they remain in the passenger's possession in the cabin: a lady's hand bag, or purse (carry-all bag, excluded).

- an overcoat, wig or blanket
- a small camera or movie camera and a pair of binoculars
- a reasonable amount of reading matter for the flight
- infant's carrying basket, fully collapsible
- wheel chair and or a pair of crutches
- a blind person's guide dog (carried either in the cabin or in the hold).

According to new regulations, hand baggage must bear outside identification (name and permanent address). AIR AFRIQUE also recommends to passengers to put a label inside the baggage and lock it.

Articles of a dangerous nature such as fire-arms explosives, inflammable material etc... and restricted articles are subject to special conditions of carriage and are accepted only by prior agreement with the carrier.

### Free baggage allowance

The following free baggage allowance is granted to every passenger over 2 years, it is generally 30 Kg (66 Lbs) in first class and 20 Kg (44 Lbs) in economy class. On flights originating in the USA and Canada, passengers are allowed to take two medium size suitcases or one large suitcase and a small one.

### Baggage in excess

Baggage in excess of the free baggage allowance is charged as a general rule at 1% of the one way first class fare per kilogramme. If you are travelling with a lot of baggage, it may be advantageous for you, to use our «Unaccompanied Baggage System» at a reduced rate. Contact our offices or your Travel Agent for further details.

### Pets

Domestic animals as a general rule cannot be ad-

### Excédents de bagages

Le tarif du kilogramme d'excédent est en règle générale de 1% du tarif aller simple 1ère classe, applicable au voyage correspondant. Des conditions tarifaires particulières peuvent être consenties sur certaines relations pour des bagages voyageant en fret (Bagages Non Accompagnés). Renseignez-vous à nos bureaux ou à votre Agence de voyage habituelle.

### Animaux

Le transport des animaux est toujours soumis à des conditions particulières et nous regrettons de ne pouvoir les admettre en règle générale dans les cabines des passagers. Ils sont admis en soute au tarif des excédents de bagages dans des caisses ou des paniers appropriés.

Exceptionnellement les animaux de petite taille sont acceptés en cabine à condition qu'ils soient dans un contenant ne dépassant pas 45 x 35 x 20 cm après accord des services de réservation.

En effet le nombre admissible de petits animaux en cabine ne doit pas excéder par type d'appareil, 3 sur DC 10 et AB4, 2 sur DC8 et B727.

### Facilités offertes à la clientèle

Sur toutes nos lignes Long-Courriers et Inter-Etats vous pourrez acquérir différents articles: boissons, cigarettes, cravates, écharpes, montres, parfums, etc... vendus à des prix hors taxes. Veuillez demander la liste des prix au personnel de cabine.

### Non fumeurs

Pour améliorer votre confort, une zone non-fumeurs vous est réservée à bord de nos avions, si vous souhaitez en bénéficier veuillez demander au moment de l'enregistrement.

### Transport des enfants

Les enfants âgés de moins de quatre ans doivent obligatoirement être accompagnés soit par leur père ou mère ou par un adulte, ou par une hôtesse, le transport de cette dernière étant à la charge des parents. Une décharge de responsabilité signée par le chef de famille doit être remise à tout enfant de moins de douze ans s'il n'est pas accompagné par la personne détentrice de la puissance paternelle.

### Arrêts en cours de route et changement d'itinéraire

D'une façon générale il est possible si la demande en est faite au préalable d'effectuer des arrêts à certaines escales en cours de voyage. De même il est possible de demander un changement d'itinéraires sous réserve de réajustement tarifaire (paiement ou remboursement de la différence).

### Cartes accréditives

Les cartes accréditives suivantes sont acceptées par toutes nos Agences pour règlement de billets de passages et d'excédents de bagages: AMERICAN EXPRESS, DINERS CLUB, VISA-CARTE BLEUE, CARTE BLANCHE-UATP CARDS, INTERBANK CARDS (EUROCARDS, ACCESS...).

### Santé

Les enfants non accompagnés de leurs parents (ou tuteur) doivent, pour se faire vacciner, présenter une attestation paternelle.

Les formulaires de vaccination (individuels) doivent être du modèle international et comporter pour la variole et le choléra:

- a) l'origine et le numéro du lot du vaccin (pour la variole seulement),

mitted in passenger cabin, they are normally accepted as hold baggage. Their weight is not included in the free baggage allowance.

However, animals can be accepted in passenger's cabin provided they are carried in cases (dimensions: 18 x 14 x 8 in); 3 cases in DC 10, and AB4, 2 in DC 8 and B 727

### Facilities offered to passengers

On any Air Afrique flight Duty Free items such as drinks, cigarettes, ties, watches and perfumes, etc... are available. Please contact crew members for price-list on board.

### No smoking passengers

To improve your comfort, a special non-smoking section is reserved for you on all our planes; if you wish a seat in that section, please ask when checking-in.

### Children

Children under four years must be accompanied by their father, mother, an adult passenger or by an air-hostess who is in this case at the charge of the parents.

A waiver of responsibility signed by the head of the family must be produced by the person holding parental authority.

### Stop-overs and change of itinerary

Stop-overs may be made en route, in most cases, provided notification is given when booking. You may also change your itinerary, this change may be subject to fare adjustment (payment or refund of difference).

### Credit cards

The following Credit cards are accepted in AIR AFRIQUE agencies in payment of tickets and baggage checks: AMERICAN EXPRESS, DINER'S CLUB, VISA-CARTE BLEUE, CARTE BLANCHE-UATP CARDS, INTERBANK CARDS (EUROCARD, ACCESS...).

### Health

Unaccompanied minors without their parents (or guardian) must present a parental attestation prior to vaccination.

The (individual) certificates, in which the following indications must be stated for small-pox and cholera have to be the same as the international certificates.

- a) The origine and batch number of the vaccine (for small-pox only)
- b) The stamp of the doctor who gives the vaccination
- c) The board registration number of the doctor
- d) The signature of the doctor (signature stamp excluded) the date (day, month in full letters and the year)
- e) The stamp of approved vaccinating center, of the valid stamp of the health administration for the territory in which is the doctor.

No vaccination is required in Europe. But vaccinations are required if going to the following countries.

- Africa: against small-pox (and yellow fever, cholera in many countries).

- b) le cachet du médecin,
- c) son numéro d'inscription au conseil de l'ordre,
- d) signature de sa main (griffe exclue) et date (jour, mois en toutes lettres et année),
- e) cachet du centre vaccinateur agréé ou cachet d'authentification du service départemental de la santé de son département d'exercice.

| Validités des Certificats internationaux | Fièvre jaune                                     | Variole                                                                                            | Choléra                                                      |
|------------------------------------------|--------------------------------------------------|----------------------------------------------------------------------------------------------------|--------------------------------------------------------------|
| Couvrant une période de                  | 10 ans                                           | 3 ans                                                                                              | 6 mois                                                       |
| Commençant en cas de primo vaccination   | 10 jours après                                   | 8 jours après (avec succès)                                                                        | 6 jours après la première piqûre                             |
| et en cas de revaccination               | au cours de cette période de 10 ans le jour même | le jour même                                                                                       | au cours de cette période de 6 mois le jour même             |
| On vaccine dans l'ordre                  | en premier lieu                                  | peut être fait le même jour que la dernière inj. anti-cholérique ou 12 jours après la fièvre jaune | 15 jours après la fièvre jaune 2 inj. à 7 jours d'intervalle |

Aucun vaccin n'est exigé en Europe mais si vous allez dans les pays suivants des vaccins sont exigés :

- Afrique contre la variole (et la fièvre jaune et choléra dans de nombreux pays),
- Amérique Nord, Centre, Sud contre la variole. Aucun vaccin n'est exigé en provenance de France, à l'entrée en Guyane (pour un séjour de moins de 15 jours) et en Martinique/Guadeloupe.
- Asie/Océanie/Australie : contre la variole (et le choléra dans les pays).

#### Service de cars

Les passagers désirant se rendre à l'aéroport de Roissy Charles de Gaulle ont la possibilité d'emprunter :

- soit un service de cars au départ du Terminus Porte-Maillot où il existe un service régulier.
- soit un service de trains au départ de la Gare du Nord (départ tous les quarts d'heure), service gratuit pour les enfants accompagnés de moins de 6 ans.

Pour les correspondances à l'aéroport de Paris il est prévu un service de cars AIR FRANCE entre Roissy Charles de Gaulle et ORLY.

#### Voitures sans chauffeur

La compagnie AIR AFRIQUE soucieuse d'aider sa clientèle dans ses déplacements, met à sa disposition en liaison avec HERTZ et d'autres Sociétés de location, des voitures sans chauffeur, aux arrivées d'avions dans la plupart des aéroports et des villes de France ou d'Afrique; il suffit de vous adresser à vos Agences au moment de l'achat du billet. Vous pourrez ainsi louer la voiture de votre choix.

- North, Central and South Africa: against small-pox. No vaccination required coming from France to Guyanna (for a stay no longer than fifteen days).
- Indes, Asia, Oceania, Australia: Against small-pox (and cholera in most countries).

| Period of Validity of International Certificates | Yellow fever 10 years                              | Small pox 3 years                                                    | Cholera 6 months                                      |
|--------------------------------------------------|----------------------------------------------------|----------------------------------------------------------------------|-------------------------------------------------------|
| Extend for in case of primary vaccination        | beginning 10 days after vaccination                | beginning 6 days after success full vaccination                      | beginning 6 days after first injection                |
| in case of re-vaccination                        | within 10 years beginning on date of revaccination | beginning on date of revaccination                                   | within 6 months beginning on, date of revaccination   |
| Sequence of vaccination                          | first                                              | on date of last anti-cholera injection or 12 days after yellow fever | 15 days after yellow fever 2 injections within 7 days |

**N.B.** - Coming back from most African, Asia countries and infected South and Central America territories to France, vaccinations against small-pox are required.

#### Car services

Passengers who wish to go to ROISSY-CHARLES DE GAULLE can catch Buses, leaving at «TERMINUS» «PORTE-MAILLOT» They have also the possibility of catching the train at the «GARE DU NORD» every quarter of hour (Free for accompanied children under 6 years)

#### Self - drive car rental

In the desire to help our clients during their journeys we have arranged with HERTZ and other Car rental companies to have cars without drivers waiting at each passenger arrival at most of the airports and cities in Africa and France. You can apply to any Air Afrique office when purchasing your ticket and we will be pleased to help you in the rental of the car of your choice.
