POKYNY PRO CESTUJÍCÍ

Mezinárodní letecká doprava je prováděna podle „Podrobných přepravních podmínek pro cestující, zavazadla a zboží v mezinárodní přepravě", do kterých je možno nahlédnout ve všech cestovních kancelářích ČSA. Informace na této straně jsou pouze všeobecné a nejsou součástí podmínek, za nichž se provádí doprava jednotlivých cestujících.

ZAJIŠTĚNÍ MÍSTA. Doporučuje se, aby si cestující zajistil místo v letadle dostatečně včas. Objednávky míst se přijímají v kancelářích leteckých dopravců a cestovních agentur. Místo však může být pevně zajištěno až po zakoupení letenky na příslušný let. Potvrzené místo je označeno v letence v rubrice „Stav knihování" symbolem „OK". Symbol „RQ" znamená, že vyžadované místo nebylo možné prozatím potvrdit.

Jestliže si cestující předem zajistil místo pro zpáteční nebo další let, musí v některých případech znovu potvrdit použití takového místa dopravci v místě nástupu zpátečního nebo dalšího letu. Neučiní-li tak, může být pro něho zajištěné místo zrušeno.

ZRUŠENÍ OBJEDNÁVKY MÍST. Pokud není možné využít objednané místo, je nutné požádat co nejdříve o jeho zrušení. Cestující může stornovat předem zajištěné místo nejpozději do 48 hodin před odletem linky ČSA. Ohlásí-li stornování po této lhůtě, je od něho vybrán penalizační poplatek ve výši 25% z publikovaného normálního úsekového tarifu. Tento poplatek se vybírá i v případě, kdy cestující neodletí, protože nemá v pořádku své cestovní doklady. O přesných podmínkách stornování míst podají informace všechny provozovny ČSA.

PLATNOST LETENKY. Letenka za normální jízdné je platná jeden rok ode dne nastoupení letu na prvním úseku cesty. Není-li použita celá letenka, může být neproletěná hodnota reklamována nejpozději do 30 dnů po uplynutí platnosti letenky. Cestování na letenky za některé druhy zvláštního jízdného je spojeno s určitými časovými omezeními platnosti. Při zajišťování místa nebo jeho změně je třeba upozornit dopravce nebo cest. agenturu na zvláštní jízdné, jinak mohou během cesty vzniknout nepříjemnosti nebo další výdaje.

JÍZDNÉ. Bližší podrobnosti na požádání sdělí každá letecká cestovní kancelář nebo agentura.

ZAVAZADLA. Dospělí cestující (od 12 let) mají na mezinárodních tratích ČSA nárok na bezplatnou přepravu svých zapsaných zavazadel do výše 30 kg na tratích, kde zaplatili jízdné „C" třídy (tzv. Business Class) a 20 kg na tratích, kde zaplatili jízdné ekonomické třídy. Kromě toho mají nárok na bezplatnou přepravu v kabině letadla jednoho kusu příručního zavazadla, u kterého součet jeho tří rozměrů (výška + délka + šířka) při přepravě s ČSA nepřesahuje 95 cm a hmotnost 5 kg. Překračuje-li hmotnost zapsaných zavazadel hranici, do níž se zavazadla přepravují bezplatně, počítá se za přepravu každého kilogramu nad tuto hranici 1% z ceny jednoduché letenky první třídy, kromě výjimek. Přespočetná zavazadla se přepravují ve stejném letadle jen tehdy, je-li volný prostor v letadle, nebo byl-li prostor pro ně dříve zajištěn. Dále si cestující mohou vzít do kabiny letadla ještě tyto předměty: dámskou kabelku, kabát, šál nebo přikrývku, deštník nebo vycházkovou hůl, malý fotoaparát nebo dalekohled, četbu na dobu letu, koš pro dítě, jídlo pro dítě na dobu letu, zcela složitelný vozík pro invalidní osoby, příp. berle nebo podpěrné přístroje, pokud je na nich cestující závislý. Pro děti do 2 let (bez nároku na místo a přepravu zavazadel) se bezplatně přepraví zcela složitelný dětský kočárek (tzv. golfové hole). Za zavazadla a předměty, která veze cestující s sebou v kabině (tzv. nezapsaná zavazadla), je sám zodpovědný. Ceniny, osobní doklady, šperky a předměty z drahých kovů, fotoaparáty, videokamery, křehké předměty lze přepravovat v omezeném množství pouze v kabinovém zavazadle. Při jejich ztrátě nenese dopravce zodpovědnost.

Za zavazadla, která cestující odevzdal k přepravě leteckému dopravci (tzn. zapsaná zavazadla), je mu jako potvrzení o převzetí vydán útržek zavazadlové přívěsky. Každé zavazadlo, před přijetím k přepravě, musí být opatřeno jmenovkou, vně i uvnitř zavazadla, s uvedením jména a adresy trvalého/přechodného bydliště. Jméno uvedené na jmenovce musí souhlasit se jménem v letence. Zavazadla, včetně zipových uzávěrů, mají být uzamčena, aby během přepravy nedošlo k jejich otevření. Dopravce neodpovídá za zavazadlo, které nebylo ihned po příletu vyzvednuto. Pojišťování zavazadel ČSA neprovádějí.

Podle platných mezinárodních předpisů nesmí mít cestující u sebe zbraně, střelivo, nože, hračky odpovídající skutečným útočným zbraním (pistole, granát) a všechny další předměty bodné a sečné povahy; musí je před nastoupením cesty uložit do svého zapsaného zavazadla, které odevzdává dopravci.

DĚTI. Děti ve věku do 2 let v doprovodu dospělých se dopravují za 10 % tarifu pro dospělé a nemají nárok na vlastní místo ani na dopravu volných zavazadel. Děti ve věku od 2 do 12 let platí 50 % tarifu pro dospělé a mají nárok na vlastní sedadlo a na dopravu volných zavazadel jako dospělí cestující. Děti ve věku do 8 let musí být za letu doprovázeny osobou starší 12 let; děti od 8 do 12 let mohou cestovat se souhlasem ČSA samostatně. Při zakoupení letenky je však nutno písemně potvrdit, že dítě bude dopraveno k odletu i očekáváno při příletu v místě určení.

DOPRAVA NEMOCNÝCH. Doprava nemocných a invalidních cestujících a nastávajících matek je prováděna jen s výslovným souhlasem letecké společnosti, jsou-li splněny všechny podmínky, které dopravující společnost určí.

DOVOZ ZVÍŘAT (psů, koček, ptáků atp.) do ČESKOSLOVENSKA

1) psi a kočky

Psi a kočky starší 3 měsíců musí být vakcinováni proti vzteklině v době ne kratší než 30 dní a ne delší než 12 měsíců před nástupem cesty.

Platný mezinárodní veterinární očkovací průkaz s veterinárním osvědčením (jako jeho součástí, přílohou nebo samostatným dokumentem) musí být předložen u československé pohraniční veterinární kontroly.

2) ptáci a ostatní zvířata

Ve všech případech je vyžadováno veterinární osvědčení.

VŠEOBECNÉ INFORMACE / GENERAL INFORMATION

Obecně

Všechna veterinární osvědčení musí být potvrzena státním (úředním) veterinářem ne déle než 72 hodin před cestou, a to v angličtině, němčině, francouzštině nebo ruštině. Dovozní povolení vydané Státní veterinární správou ČSR (Těšnov 17, 117 05 Praha 1) nebo Štátnou veterinárnou správou SSR (Nábr. arm. gen. L. Svobodu 23, 842 13 Bratislava) je požadované u všech zvířat (psů, koček, ptáků atp.), která zůstávají v Československu déle než 3 měsíce. Dovoz do Československa může být odmítnut, je-li zvíře ve špatném zdravotním stavu a nebo vzhledem k nepříznivé nákazové situaci v zemi původu.

PODMÍNEČNĚ PŘEPRAVOVANÉ PŘEDMĚTY. Z bezpečnostních důvodů mohou být přepravovány předměty nebo materiály, které jsou nebezpečné povahy, jen za zvláštních podmínek, které určí dopravce. Tato pravidla se především vztahují na stlačené plyny (hořlavé, nehořlavé), žíraviny, výbušniny, střelivo, zbraně, snadno zápalné látky, okysličující materiály, magnetické materiály, radioaktivní materiály a jiné nebezpečné předměty, jako jedy, rtuť a ostatní materiály uvedené v seznamu IATA — podmínečně přepravované předměty.

Sportovní a lovecké zbraně lze přijmout k dopravě pouze jako zapsaná zavazadla. Zbraně se přijímají pouze nenabité, zajištěné a v odpovídajícím obalu. Bližší informace podají cestovní kanceláře a provozovny ČSA.

PASY, VISA, ZDRAVOTNÍ PŘEDPISY. ČSA, cestovní kanceláře a agentury ochotně poradí cestujícím v otázkách pasových, visových, zdravotních a jiných, nicméně však nenesou zodpovědnost za to, jestliže cestující nemá potřebné cestovní nebo zdravotní doklady v pořádku. Bez řádného vybavení pasovými, visovými a zdravotními formalitami předepsanými zeměmi odletu, průletu a určení nelze cestujícího přijmout k dopravě.

ODBAVENÍ CESTUJÍCÍCH PŘED ODJEZDEM AUTOBUSU A PŘED ODLETEM. Cestující se musí dostavit k odjezdu autobusu do ČSA Terminálu Vltava nebo přímo k odbavení na letiště nejpozději do doby, označené na letence nebo v letovém řádu.

Pozemní doprava mezi městem a letištěm není započítána do leteckého jízdného.

ODPOVĚDNOST ČSA — POJIŠTĚNÍ. ČSA, jako letecký dopravce, odpovídají za škody vzniklé při letecké dopravě v rozsahu Varšavské úmluvy a „Podrobných přepravních podmínek pro cestující, zavazadla a zboží v mezinárodní dopravě".

Pokud cestující mají zájem o uzavření úrazového pojištění pro jednotlivý let, mohou tak učinit u pojišťovny. Náhrada podle této pojistky se vyplácí nezávisle od případného nároku podle předchozího odstavce.

LETIŠTNÍ POPLATEK. Na mnoha letištích se vybírá od cestujících v hotovosti před odletem do ciziny stanovený poplatek.

PŘESTUP V PRAZE A V BRATISLAVĚ. Cestující, kteří pokračují ze zahraničí v Praze nebo Bratislavě na vnitrostátních linkách ČSA, si po příletu do Prahy/Bratislavy vyzvednou svá zavazadla, podrobí se celní kontrole a pokračují v odbavení na vnitrostátní linky.

The seat may be, however, reserved only after the ticket of the respective flight has been purchased. Confirmed seat is indicated in the "Reservation Status" box of the ticket by code "OK". Code "RQ" indicates that it was not possible to confirm the requested seat yet. If a passenger has reserved his seat in advance for the return or continuing flight, he is in some cases obliged to reconfirm his intention to use such reservation to the air-carrier at the departure point of the return or continuing flight. Failure to comply may result in the cancellation of the onward or return reservations.

CANCELLATION OF SEATS. Should it be impossible to use the seats reserved, we ask the passengers to let us know as early as possible. Passengers cancelling their seats too late or failing to report for departure or being insufficiently documented so that they are not allowed to travel, may be required to pay a fee which is 25 % of the applicable one-way fare.

VALIDITY OF TICKET. The ticket at normal fare is valid one year from the date of commencement of flight on the first sector of the whole journey. The request for the refund of an unused sector of the journey must be submitted at latest 30 days after the validity of the ticket has expired. Travel on tickets at some types of special fare involves certain time restrictions of validity. When booking or changing reservations, it is necessary to advise the airline or travel agent of the special fare. Failure to do so may result in inconvenience and additional cost to the passenger.

FARES. Details will be supplied upon application by any airline office or travel agency.

BAGGAGE. Passengers over 12 years of age are entitled to carry on international flights of ČSA free of charge up to 30 kgs of checked baggage on those sectors of their journey, where they have paid the "C" Class (Business Class) fare and 20 kgs on those sectors, where they have paid the Economy Class fare. In addition, they may carry, free of charge, in the aircraft cabin one piece of cabin baggage when the sum of three dimensions does not exceed 95 cms and weight does not exceed 5 kgs. The charges for excess baggage per kilo amount to 1% of the First Class one-way fare. The excess baggage is carried in the same aircraft provided the necessary space is available or has been reserved in advance. In addition to the above mentioned free baggage allowance including one piece of cabin baggage, each passenger may carry in the cabin of the aircraft the following articles free of charge: handbag, pocketbook or purse; overcoat, wrap or blanket; umbrella or walking stick; small camera and/or pair of binoculars; reasonable amount of reading matter for the flight; infant's carrying basket; infant's food for consumption in flight; fully collapsible invalid's wheelchair and/or any prothetic device on which the passenger is dependent. Infants (not entitled to a seat and free baggage allowance) are allowed, free of charge, one fully collapsible stroller/pushchair.

All unchecked baggage and articles are carried under the care and responsability of passenger. Valuables, personal documents, jewellery and precious metals, cameras, videocameras, fragile or perishable articles in limited quantities may be carried in cabin baggage only. Carrier has no responsability in case of loss of those articles. A baggage claim tag is issued to the passenger as confirmation of reciept of the checked baggage for transportation.

Each piece of baggage, prior to check-in should be clearly marked with your permanent/temporary address — both outside and inside. The passenger shall be advised that the name on bag must be the same as the name on the passenger's ticket. Baggage and also zipper fasteners should be properly locked to avoid their opening during carriage. Carrier will not be liable for baggage not collected immediately upon arrival. ČSA does not provide the insurance of passenger's baggage. According to valid international regulations, passengers are not permitted to be in possession of following articles during the flight: weapons, firearms, ammunition, knives, handlifes, toys and other items which are realistic replicas of weapons, and all other items of cutting and stinging matter.

CHILDREN. Infants under 2 years of age must be accompanied by a person older than 12 years. If not occupying a separate seat, these children are carried at 10 % of the adult fare and have no free baggage allowance. Children between 2 and 12 years of age pay 50 % of the adult fare. They have the right to their own seat and to full free baggage allowance. Children aged over 8 years may be carried without being accompanied by an adult person provided the consent is given by the parents (in writting) and by ČSA. In this case the child must be accompanied to the departure and must be awaited at the airport of destination.

CARRIAGE OF SICK PASSENGERS. Sick and invalid passengers and expectant mothers can be transported only when all conditions stipulated by the carrier are complied with.
