The World of Cathay Pacific

Cathay Pacific operates a modern, all wide-body, fleet of Boeing 747s and Lockheed L1011 Supertristars powered exclusively by Rolls-Royce engines. All aircraft offer a choice of 3 classes of services — full First Class, genuine Business Class and Economy Class, over a network which extends from Vancouver in the east to London in the west, from Tokyo south to Auckland, and with a comprehensive network of services throughout in Asia.

Based in Hong Kong, Cathay Pacific has a unique philosophy which lends the airline its distinctly international flavour. Cabin attendants are specially selected from 9 Asian countries whilst the flight deck crew are the finest available from the UK, Australia, New Zealand and North America.

Cathay Pacific is private, progressive and proud of its reputation for attaining the highest standards of service both on the ground and in the air. The airline offers businessmen an unparalleled range of services from the widely acclaimed and innovative Marco Polo Business Class to the Marco Polo Club for frequent fliers and is now a world leader in longhaul non-stop flights, linking Asia with North America and Europe. For the modern Marco Polo, Cathay Pacific offers genuine comfort and convenience, a quality and style of service worthy of the real traveller.
