RED LETENJA

25. listopad 1992. — 27. ožujak 1993.

Štovani,

Dobro došli u CROATIA AIRLINES, hrvatsku zrakoplovnu tvrtku. Hrvatsko zrakoplovstvo ima dugu tradiciju, no vrlo često prekidanu i sputavanu u razvoju. Osnivanjem CROATIA AIRLINES-a kao dioničkog društva, čiji ste i Vi jedan od mogućih dioničara, učinili smo još jedan korak u nizu k ostvarivanju gospodarske suverenosti REPUBLIKE HRVATSKE. Naša osnovna zadaća je dobro poznata: što bolje međusobno povezivanje svih dijelova Hrvatske, kao i povezivanje s Europom i svijetom.

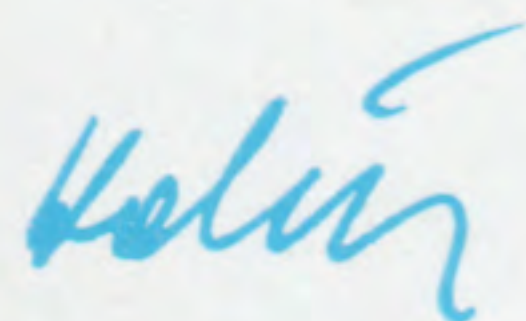

Pred Vama je zimski red letenja 1992./93. CROATIA AIRLINES-a, koji Vam predstavlja naše nove letove na putu do konačnog cilja. Koristeći naše letove vi gradite svoju kompaniju, koja će uložiti sav trud i znanje kako bi udovoljila Vašim zahjevima ili otklonila Vaše eventualne primjedbe.

Dobro došli na svoje zrakoplove!

S osobitim štovanjem

Matija Katičić

Glavni direktor

Dear Ladies and Gentlemen,

Welcome to CROATIA AIRLINES, newly established Croatian airline.

Croatian aviation has a long tradition but unfortunately very often suspended and fettered in its development. By establishing CROATIA AIRLINES as a share holding company, whose shareholder you might also like to become, we have made a further step in achieving the economic sovereignty of REPUBLIC OF CROATIA. Our main task is well known: the best possible flight connections between different Croatian counties as well as between Croatia and Europe and the rest of the world.

You are holding the latest CROATIA AIRLINES winter time table 1992/93 which offers you our new flights and destinations on our way to the final aim.

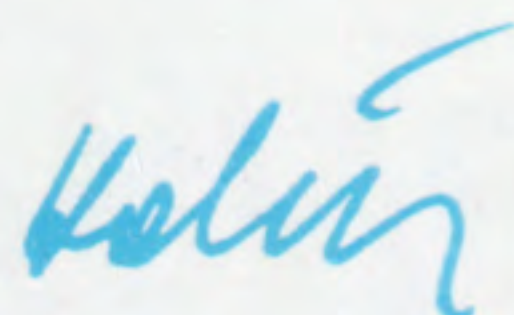

Flying CROATIA AIRLINES you are building up a newly established Croatian airline which will on its part do its best by using all the efforts and knowledge to satisfy your needs and eliminate your possible comments on our services.

Welcome to our aircraft but feel as if in your own!

Yours sincerely

Matija Katičić

President

NEDOLAZAK NA ODLET?

Učinjene rezervacije Vas obvezuju.

Vaše sjedalo čeka na Vas čak i kada se ne pojavite na letu. Putnici koji bi željeli putovati Vašim letom nalaze se na listi čekanja.

Zato, ako ste promijenili planove o putovanju, molimo Vas, pozovite nas i obavijestite, kako bismo Vaše mjesto mogli ustupiti drugom putniku.

Bit ćemo Vam za to zahvalni.

Ako se ne pojavite na letu, a imate rezervaciju, koju niste otkazali, računajte s tim da će Vaše daljnje, a i povratne rezervacije biti automatski otkazane.

CROATIA AIRLINES

YES OR NO — SHOW?

Flight reservations are binding.

Your seat is still reserved even when you do not appear for your flight.

Other passengers who would like to travel on your flight are put on the waiting list.

So, if you have to change your travel plans, please call us and let us know so we can offer your seat to someone else.

It would be much appreciated.

Failure to occupy space that has been reserved for you on a flight may result in the cancellation of your onward or return reservations.

CROATIA AIRLINES

OPĆE OBAVIJESTI

Prijevozni uvjeti i propisi

Kratica CTN označava »Croatian Airlines«.

OU — predstavlja dvoslovnu kraticu Croatia Airlines-a koja se koristi isključivo kao prefiks uz broj leta.

Prijevoz putnika, prtljage i robe podliježe prijevoznim uvjetima i propisima prijevoznika uključenih u prijevoz, o čemu možete dobiti obavijesti u putničkoj agenciji ili u poslovnici CTN-a. Osoblje putničke agencije ili poslovnice CTN-a sa zadovoljstvom će vam dati sve dodatne obavijesti u svezi s vašim putovanjem.

Red letenja

Red letenja podložan je promjenama. Molimo Vas da pri rezervaciji mjesta provjerite objelodanjene podatke. Budući da meteorološki i ostali objektivni razlozi mogu utjecati na uredno prometovanje, prijevoznik ne snosi odgovornost za zakašnjenje ili otkaz leta, a isto tako ni za nastavak putovanja.

Rezervacija i otkaz rezervacije

Molimo Vas da mjesto za svoj let pravodobno osigurate u putničkoj agenciji ili u poslovnici CTN-a. Ako želite promijeniti plan putovanja, obratite se našoj službi za rezervacije, koja će Vam ponovno pripremiti putovanje i osigurati mjesto.

Ako se rezervirano mjesto ne iskoristi, CTN ima pravo otkaza svih sljedećih veza i povratnih rezervacija. Ako se rezervirano mjesto ne otkaze najkasnije 24 sata u domaćem i 48 sati u međunarodnom prometu prije leta, prijevoznik ima pravo zadržati dio novca uplaćena za putnu kartu.

Ako se rezervacija traži za

- dijete bez pratnje,
 - za trudnicu,
 - putnika s tjelesnim manama,
 - osobu stariju od 80 godina i/ili
 - osobu koja sa sobom vodi kućnog ljubimca (psa, mačku...),
- valja istaći o kojoj je kategoriji putnika riječ radi osiguranja odgovarajuće usluge.

Putne karte

CTN prodaje karte koje vrijede godinu dana od početka putovanja, osim ako niste kupili kartu s posebnom cijenom, koja ima kraći rok valjanosti. Na karti je označen točan datum valjanosti. Za djelomice iskorištenu ili potpuno neiskorištenu kartu možete zatražiti povrat novca od agenta koji je kartu prodao ili u poslovnici CTN-a.

Molimo Vas da to učinite čim budete sigurni da se kartom nećete koristiti.

Klase prijevoza

Na redovnim linijama Croatia Airlinesa postoji poslovna (C) i ekonomska (M) klasa. Na posebnim radničkim linijama je samo jedinstvena ekonomska klasa (Y), a na malim zrakoplovima Cessna samo poslovna klasa (C).

Neke inozemne kompanije imaju i druge klase (prvu, razne vrste ekonomske klase i dr.)

Poslovna klasa je skuplja od ekonomske klase i osigurava putnicima komfornija sjedala, bogatije obroke i druge povlastice.

Podrobnije obavijesti o klasama mogu se dobiti u poslovnicama Croatia Airlinesa ili putničkim agencijama.

Prijevoz djece

Cijena za prijevoz djeteta mlađega od 2 godine, koje ne zauzima mjesto u zrakoplovu, iznosi 10% od cijene za odraslog putnika, pod uvjetom da dijete prati odrasla osoba. Za djecu između 2 godine i 12 godina života ili za dijete mlađe od 2 godine života koje zauzima posebno sjedalo a u pratnji je odrasle osobe, naplaćuje se 50% od cijene za odraslog putnika.

Vrijeme prijave za odlet

Vrijeme prijave za odlet jest rok do kojega se najkasnije putnik mora prijaviti službi otpreme u zračnoj luci sa svojom putnom kartom, prtljagom koja se predaje na prijevoz i važe, ručnom prtljagom i ostalim putnim ispravama, ako se traže. Putnicima savjetujemo da se prijave službi za prihvat i otpremu u zračnoj luci:

- za domaći promet 60 minuta a najkasnije 30 minuta prije vremena predviđena za polijetanje zrakoplova,
- za međunarodni promet 90 minuta a najkasnije 45 minuta prije vremena predviđena za polijetanje zrakoplova.

Vrijeme polaska

Vrijeme naznačeno na putnoj karti je mjesno vrijeme dotičnog grada/zračne luke i označava vrijeme polijetanja zrakoplova. Polijetanje ne može biti odgođeno zbog putnika, koji se prijave kasnije od propisanog vremena.

Prekid putovanja

Načelno, putovanje možete prekinuti u svakom mjestu prema redu letenja, pod uvjetom da je prekid unaprijed dogovoren i upisan na putnu kartu. Neke posebne cijene sužavaju mogućnost prekida putovanja.

Prijevoz prtljage

Odrasli putnik ili dijete za koje se plaća 50% od cijene ima pravo na besplatan prijevoz prtljage:

- 30 kg u međunarodnom prometu za plaćenu poslovnu klasu,
- 20 kg u međunarodnom prometu za plaćenu ekonomsku klasu,
- 20 kg u domaćem prometu za plaćenu poslovnu klasu i
- 15 kg u domaćem prometu za plaćenu ekonomsku klasu.

Dijete za koje se plaća 10% od cijene karte za odraslog putnika nema pravo na besplatan prijevoz prtljage.

Osim predane prtljage, putnik ima pravo ponijeti sa sobom u putničku kabinu ove osobne stvari: ogrtač, kišobran ili štap, manju kameru, dalekozor, žensku ručnu torbicu, torbu za spise, knjigu ili razumnu količinu tiskotvorina za čitanje u tijeku putovanja, dječju košaru i hranu za dojenčad u tijeku putovanja, potpuno sklopiva invalidska kolica i/ili štake te jedan manji komad ručne prtljage, koji se može smjestiti u pretinac iznad sjedala ili ispod sjedala.

Svaki kilogram prtljage iznad dozvoljene težine plaća se.

Elektronički uređaji

Radi sprečavanja ometanja rada elektroničkih uređaja zrakoplova, putnicima se zabranjuje da se u tijeku leta koriste ovim uređajima:

- AM/FM/TV odašiljačima ili prijemnicima,
- prijenosnim telefonima (u koje se ubraja i walkie-talkie),
- igračkama na daljinsko upravljanje,
- skenerima,
- bežičnim mikrofonomima,

- satelitskim prijemnicima,
- prijenosnom videoopremom,
- električnim konverterima,
- računalnim pisačima i
- CD-uređajima.

Ukratko, u tijeku leta nije dozvoljeno korištenje svih uređaja koji imaju antenu ili troše puno struje ili su opremljeni laserom.

Predmeti opasni za prijevoz zrakoplovom

Neki predmeti ili tvari mogu biti opasni ako se prevoze zrakoplovom, pa se njihov prijevoz uvjetuje pristankom prijevoznika. Pri tome se misli na predmete koji su napravljeni od zapaljivih ili praskavih tvari ili sadrže zapaljive ili praskave tvari, kao što su: ampula s plinom za upaljač, valjak napunjen plinom, stlačeni plin i sl. Žigice u kutiji smiju se nositi sa sobom, ali nikako ne smiju biti u predanoj prtljazi. Limenka s lakom za kosu pod tlakom (do 450 g) smije se unijeti u putničku kabinu. Uređaji koji sadrže živu moraju biti zamotani u čvrste polietilenske vreće, kako bi se izbjeglo možebitno istakanje.

Obavijesti o uvjetima za prijevoz oružja i streljiva prijevoznik daje na putnikov zahtjev.

Potpunu listu predmeta zabranjenih za prijevoz na uvid će vam dati prijevoznik.

Putovnice, vize, carinski propisi

Nepotpune isprave ili neusklađenost s propisima za ulazak u neku zemlju ili za izlazak iz neke zemlje, mogu imati neugodne posljedice po putnika (izostanak s leta, zabrana izlaska iz zemlje). Preporučujemo Vam da se za potanje obavijesti obratite putničkoj agenciji ili ambasadi/konzulatu dotične zemlje.

Podvorba u tijeku leta i posebni obroci

Svi obroci i osvježavajuća pića u zrakoplovima CTN-a su besplatni. Putnicima koji zbog vjerskih, zdravstvenih ili inih razloga ne smiju jesti hranu koja se nudi u tijeku leta, CTN pruža veliki izbor posebnih obroka, kao što su dijetalni, vegetarijanski, islamski, indijski ili košer. Može se dobiti i posebna hrana za bebe i za djecu. Posebni obroci moraju se naručiti unaprijed pri rezervaciji mjesta.

Prijevoz iz grada u zračnu luku i pristojba

Prijevoz iz grada (s terminala) u zračnu luku u većini je gradova u svijetu dobro organiziran, bilo da putnike svojim autobusima prevozi zračni prijevoznik ili da putnici stižu u zračnu luku javnim prijevozom. Cijena tog prijevoza nije uračunata u cijenu leta.

Neke zračne luke od putnika naplaćuju pristojbu za putovanja na domaćim i međunarodnim linijama.

Kreditne kartice

Kao sredstvo plaćanja zračnog prijevoza CTN prihvaća slijedeće kartice: **Diners Club i American Express.**

GENERAL INFORMATION

Conditions of Carriage and Regulations

Abbreviation CTN indicates Croatia Airlines.

OU stands for Croatia Airlines two character designator code which is used as a flight number prefix only.

The carriage of passengers, baggage and cargo is subject to the Conditions of Carriage and Regulations of the carrier concerned. The appropriate information can be obtained from your travel agent or any CTN sales office.

Timetable

This timetable is subject to change after publication. Please check when you make your reservation.

CTN cannot accept any responsibility for any delay to or cancellation of any flight nor for missed connections.

Reservations and Cancellation

You are asked to make the reservation for your flight well in advance through your travel agent or CTN-sales office. If you wish to change your travel plans, please consult the agency at which you originally made the reservation, or the nearest CTN sales office. If you do not use the reservation within the agreed period your reservation will be cancelled. In the event of a booked seat not being used, CTN reserves the right to cancel all connecting and return bookings. A cancellation charge is payable by any passenger who fails to cancel a reservation not later than 24 hours before flight departure on domestic services, and 48 hours before flight departure on international services. If a reservation is being made for:

- an unaccompanied minor,
- an expectant mother,
- a disabled person,
- a person over 80 years of age, or
- a person carrying a household pet,

it is necessary to state which of above the above categories is involved, to ensure provision of the appropriate services.

Air Tickets

CTN air tickets are valid for one year from the date of commencement of travel, unless you have purchased a ticket on a special tariff with a shorter validity. Your ticket will show the exact dates of validity. You can apply for a refund of the cost partially or completely unused CTN ticket at the issuing travel agent or CTN sales office. Please do so as soon as you are sure that you will not use them.

CLASSES OF CARRIAGE

CROATIA AIRLINES operates scheduled flights in both Business (C) and Economy Class (M).

Only Economy Class (Y) is available on special workers flights, while passengers flying on Cessna aircraft are entitled to the carriage in Business Class only.

Business Class passengers enjoy more luxurious menu as well as more comfortable and wider spaced seats.

Detailed information concerning the classes of carriage is available in Town Offices of CROATIA AIRLINES or in any travel agency.

Children and Infants

A ticket for an infant under two years of age, not occupying a separate seat, costs 10% of the applicable adult fare provided the infant is accompanied by an adult. A discount of 50% of the applicable adult fare is allowed for children between ages of 2 and 12, or for an infant under two years of age occupying a separate seat and accompanied by an adult.

Check - in Times

The check - in time is the time limit by which passengers must report to the check - in desk at the airport, present their tickets, baggage to be checked - in and weighed, hand baggage and other travel documents if required. Passengers are asked to report: — 60 minutes to and NOT LATER THAN 30 minutes before the scheduled flight departure time on domestic services;

— 90 minutes to and NOT LATER THAN 45 minutes for international services.

Departure Time

The time entered on a passenger ticket is the local time for the respective city or airport and refers to the time the aircraft departs (takes off). Departure cannot be delayed for a passenger who fails to observe the minimum check - in time requirement.

Stopovers

In principle you can break your journey at any place listed in this timetable, on condition that this stopover is agreed in advance and specified on your ticket. Certain special tariffs include restrictions concerning the possibility of stopovers.

Baggage

An adult passenger or a child paying 50% of the applicable fare is entitled to the following free baggage allowance:

- 30 kgs (66 lbs) on international flights in Business Class
- 20 kgs (44 lbs) on international flights in Economy or Tourist Class;
- 20 kgs (44 lbs) on domestic flights in Business Class;
- 15 kgs (33 lbs) on domestic flights in Economy or Tourist Class.

An infant for whom 10% of the applicable fare has been paid is not entitled to a free baggage allowance.

In addition to checked baggage, a passenger may take the following personal items into the passenger cabin; an overcoat, a wrap or blanket, an umbrella, a packet book or reasonable amount of reading matter for the flight, a handbag, or purse a small camera and/or a pair of binoculars, a baby's carry cot and infant food to be consumed on board, a fully collapsible wheelchair and/or a pair of crutches and/or other prosthetic device for passenger use.

Electronic Devices and Appliances

In order to prevent interference with aircraft's electronic equipment it is forbidden to use on board certain articles such as:

- AM/FM/TV Transmitters or Receivers
- Walkie Talkies
- Portable Telephones
- Remote Control Toys
- Scanners
- Wireless Microphones

- Satellite Receivers
- Portable Video Equipment
- Electric Power Converters
- Computer Printers
- CD Players

More general, it can be said that all devices that have an antenna or use a lot of power or are laser equipped are not allowed to be used during the flight.

Dangerous Articles in Baggage

Certain articles are potentially dangerous when carried by air, and their transportation must therefore be arranged with carrier concerned. These included articles made of or containing inflammable or explosive material such as lighter fuel containers, cylinders of compressed gas for picnic or camping stoves, aqualungs, diving equipment, fireworks, etc. One aerosol container of hair lacquer (up to 450 gms) only may be taken into the passenger cabin. Safety matches in boxes may be carried on the person, but on no account should be included in checked baggage. Instruments containing mercury must be sealed inside a strong polyethylene bag to prevent leakage.

For information about the carriage of weapons and ammunition, it is necessary to check with carrier.

For a detailed list of articles prohibited by the IATA Dangerous Goods Regulations, please contact in carrier.

Passports, Visas, Customs Regulations

Incomplete documents or non-compliance with entry and exit regulations of any country may result in unpleasant consequences (exclusion from a flight, refusal of entry, fines, etc). We recommend you to contact your travel agent or the consulates of the countries involved, in order to obtain detailed information.

Meals and Service on Board

All meals and refreshments on CTN flights are served free of charge, their availability depending on the time of day.

For those passengers who, for religious, health or any other reason, cannot avail themselves of the standard meals served on board. CTN offers a variety of special meals such as dietetic, vegetarian, Muslim, Hindu or Kosher meals. Special meals are also available for babies and children.

If a special meal is required, it must be ordered when the passenger's reservation is made.

Ground Transportation and Passenger Service and Charges

In most cities of the world, transportation between the city terminal and airport is well organized, either by airlines themselves or by public transport services. The fare for such transportation is not included in the amount paid for the air ticket. At some airports passengers are required to pay a passenger service charge for travel on domestic and international flights.

Credit Cards

CTN honours the following credit cards: **Diner's Club and American Express.**

- panik rasvjeta (plastično kućište)
- ručni javljač požara (plastično kućište)

RED LETENJA — POSEBNI RADNIČKI LETOVI TIMETABLE — SPECIAL WORKERS FLIGHTS

OPĆI UVJETI ZA PUTOVANJE POSEBNIM RADNIČKIM LETOVIMA

Posebnim radničkim letovima mogu putovati građani Hrvatske privremeno zaposleni u Njemačkoj i članovi njihove najuže obitelji (suprug, supruga, djeca i roditelji).

Prilikom kupovine karata građani Republike Hrvatske privremeno zaposleni u inozemstvu, kao i članovi njihovih obitelji moraju pokazati fotokopiju dozvole za rad u inozemstvu.

Dopuštena težina besplatne prtljage je 30 kg.

Cijena dodatne prtljage po kilogramu iznosi DEM 3 u Njemačkoj, a u Hrvatskoj protuvrijednost u HRD prema važećem tečaju.

GENERAL CONDITIONS OF CARRIAGE ON SPECIAL MIGRANT WORKERS FLIGHTS

Only Croatian workers temporarily employed abroad and the members of their families (spouse, children and parents) can take advantage of our Special Migrant Workers Flights to Germany. The carriage will be granted on base of photostatic copy of working permit.

Free baggage allowance is 30 kgs.

Excess baggage rate per kilo is DEM 3 in Germany, and its equivalent in HRD in Croatia.
