Birmingham International Airport

Birmingham International Airport is at the centre of the U.K.'s motorway network. Ryanair flights operate from the main terminal at Birmingham International Airport, which is directly linked to Birmingham International B.R. station by a 90 second journey on the "MAGLEV" shuttle link.

By Road

- Birmingham Airport lies on the A45 trunk road which immediately joins the M42 , providing access to the M6, M1, M69, M5 and M40 motorways.

By Bus and Coach

- Regular bus and coach services provide onward connections to other main airports, towns and cities throughout the U.K.

Car Parking

- £3.00 per day in the long stay carpark.

Important Advice

- All Ryanair passengers are advised to check-in for their flight no later than one hour before the scheduled time of departure. Check-in closes 30 minutes before departure.
- Passengers who have made flight reservations at least one week in advance of their date of departure, are advised to call their local Ryanair reservations office, or travel agent, on the day prior to departure, in order to confirm their flight reservation and departure time.
- When making a flight reservation, passengers are requested to leave a contact telephone number, which will be used by our reservations office in the unlikely event of a flight schedule change or cancellation due to adverse weather conditions.
