RESERVATIONS

To ensure your passage on the required date, a reservation should be made and fare paid well in advance. At destination or transfer points you are advised to check return or onward reservations at least 72 hours prior to the scheduled departure of your flight.

Definite return or onward bookings can be arranged at all stations if a request is made sufficiently in advance. Return tickets for definite or open date bookings can be purchased in advance at a reduction of 5% on the sum of the two one-way fares, i.e. 10% on the return portion of the ticket. Return tickets are valid for a period of one year only.

PASSPORTS, VISAS, INSURANCE

Air-India or its Agents will gladly provide information regarding Passports, Travel Permits or Visas required for your journey, but you must ensure personally that these documents are in order, because the carrier cannot accept responsibility for the consequences of any irregularity. You will have to show your passport or permit during your journey, so please carry it with you: do not pack it!

Facilities for personal insurance are available on request. Kindly contact our Offices for all information you may require.

REFUND

Refund will only be made in the country and currency in which the original payment was made.

DEPARTURES CANNOT BE DELAYED

Passengers reporting direct to the airport in their own transport must arrive there sufficiently in advance of the time of departure of the flight to allow for the completion of the necessary formalities. Under no circumstances will a service be delayed for passengers arriving late.

CHILDREN'S FARES

The passenger fare for infants under 2 years of age, not occupying individual seats, is 10% of the adult fare. Only one child under 2 years of age and not occupying a separate seat will be carried at such 10% of the adult fare, provided the adult fare has been paid for the accompanying passenger. A ticket is required for each such child.

The passenger fare is 50% of the adult fare for:—

- Children who have reached their second birthday but have not yet reached their twelfth birthday.
- Infants under two years of age for occupying individual seats, and
- Infants under two years of age in excess of the one accompanying a passenger paying the adult fare.

UNACCOMPANIED CHILDREN

Special arrangements can be made for the carriage of unaccompanied children under the age of 5 years at prior notice given sufficiently in advance to the nearest Air-India Station.

PETS

Pets including dogs, cats and birds will be accepted for carriage under certain conditions which may be ascertained from the nearest Air-India Office or Travel Agent.

BAGGAGE

All baggage including overnight bags, brief cases, typewriters, large cameras, etc. whether or not they are checked, must be weighed and included in the free baggage allowance. The only exceptions are:—(a) a lady's handbag, lady's pocket book or lady's purse, i.e. which is appropriate to normal travelling dress and is not being used as a container for the transportation of articles which would otherwise be regarded as baggage; (b) an overcoat, wrap or blanket; (c) an umbrella or walking stick; (d) a small camera and/or a pair of binoculars; (e) a reasonable amount of reading matter for the flight; (f) an infant's food for consumption in flight; (g) an infant's carrying basket; and (h) a fully collapsible invalid's wheel chair and/or a pair of crutches, and/or braces or other prosthetic devices for the passenger's use; provided that the passenger is dependent upon them. In view of limited cabin space, passengers are requested to carry with them in the cabin only a small handbag.

Excess baggage will be carried only subject to load and space being available and will be charged at the scheduled excess baggage rates.

The free baggage allowance per passenger who pays the adult fare or infants and children travelling on half-fare tickets will be:

First class 30 kg. or 66 lbs.
Economy class 20 kg. or 44 lbs.

Combined First and Economy class: } For each portion of the trip, the free baggage allowance will be applicable to that class of service for which the fare is paid.

Infants for whom the passage fare is 10% of the applicable adult fare will be granted no free baggage allowance.

UNACCOMPANIED BAGGAGE

Excess baggage consisting of personal wearing apparel, musical instruments, sports equipments and personal articles (with certain exceptions) can be forwarded as cargo between certain points at half the normal cargo rates with a minimum charge for 10 kilos or 22 lbs.

The benefit of the unaccompanied baggage rate can be availed of not later than the date of departure of the passenger.

MEALS
