GENERAL INFORMATION

RESERVATIONS

To ensure your passage on the required date, a reservation should be made and fare paid well in advance. At destination or transfer points you are advised to check return or onward reservations at least 72 hours prior to the scheduled departure of your flight.

Definite return or onward bookings can be arranged at all stations if a request is made sufficiently in advance. A normal fare ticket is valid for one year from the date of commencement of the journey. In case of special fare tickets, the validity would depend on the type of fares used. Communication expenses incurred in cancelling onward, connecting or return reservations will be collected in full.

PASSPORT, VISAE, INSURANCE

Air-India or its Agents will gladly provide information regarding Passports, Travel Permits or Visae required for your journey, but you must ensure personally that these documents are in order, because the carrier cannot accept responsibility for the consequences of any irregularity. You will have to show your passport or permit during your journey, so please carry it with you; do not pack it!

Facilities for personal insurance are available on request. Kindly contact our Offices for all information you may require.

UNACCOMPANIED CHILDREN

Special arrangements can be made for the carriage of unaccompanied children under the age of 5 years at prior notice given sufficiently in advance to the nearest Air-India Office.
