Yes

It's 'yes' all the way,
for a certain kind of man.

Who settles for nothing
less than first class—
in the work he does...
the service he gets...
the things he buys.
For him, S. Kumars have
fashioned a whole new world
of suitings and shirtings...
in stripes, checks,
and self-designs.
Called 'Fancies'.
Yes. S. Kumars.

The Trimurti. A depiction of the Hindu Trinity: Brahma the Creator, Vishnu the Preserver and Mahesh the Destroyer.

We fly North, South, East, West.

Whichever way you face we can fly you there. To over 40 cities in five continents. Connect you to important centres of the world. Our 140 offices worldwide will give you all the help you need.

On board our 747s it's like another country altogether. The sari-clad hostess who welcomes you with the Namaste — a gesture

which says: my guest is as my god. The decor — exotic, richly patterned, captivating. The soul-stirring strains of an Indian raga. The choicest Indian and Continental cuisine — all a result of almost 50 years of flying experience.

Yes, we fly you to the far corners of the earth. But our true destination is your heart.

Reconfirmations

Passengers booked to travel in groups and individual passengers who are ticketed outside India are advised to reconfirm their onward or return reservations on Indian Airlines services when they break journey for more than 72 hours at any of our stations; failure to reconfirm at least 72 hours prior to departure in such cases may result in cancellation of the reservation. Reconfirmation is not necessary when a passenger breaks his journey at a point for less than 72 hours.

Waiting List

Sometimes, heavy demand on a flight may require some passengers to be waitlisted on it. Waitlisted passengers are upgraded against cancellations in the order of their bookings. Waitlisted passengers are therefore requested to leave their contact telephone numbers at the time of seeking reservation so that improvement in their reservation status can be communicated promptly. Whenever passengers are waitlisted on subsequent connecting flights, all efforts are made to obtain confirmations before commencement of the journey.

Validity of Tickets

All passenger tickets for Domestic travel are valid for three months from the date of commencement of travel in the case of definite dated tickets, and for three months from the date of issue of the tickets in the case of open-dated tickets.

Tickets issued for travel on International sectors are valid for one year from the date of commencement of the journey, or the date of issue of the ticket, as the case may be.

Free Baggage Allowance

Domestic Passengers are allowed registered baggage free of charge as below:

CLASS	ADULT	CHILD	INFANT
Economy	20 Kgs.	10 Kgs.	Nil
Executive	30 Kgs.	30 Kgs.	Nil

International passengers travelling on Indian Airlines Sectors are allowed free baggage allowance as under:

CLASS	ADULT	CHILD	INFANT
First	30 Kgs.	30 Kgs.	Nil
Economy	20 Kgs.	20 Kgs.	Nil

Unless otherwise stated by the ticketing carrier, the free baggage allowance when travelling under concessional fares shall be the same as that of full fare paying passengers mentioned above.

The reporting time when passengers should present themselves at the airport is as under:

- (i) Airbus domestic flights — 60 minutes prior to flight departure.
- (ii) Other domestic flights — 45 minutes prior to flight departure.
- (iii) International flights — 90 minutes prior to flight departure.

Security Checks

All passengers and their baggage are subject to security checks before boarding flights. Transit passengers are therefore requested to remain on board at transit stations, as otherwise they will be again subject to security checks.

Hand Baggage

To comply with the security regulations, passengers may carry only one hand baggage:

All other items such as type-writers, brief cases, overnight bags, personal radios, vanity cases, large cameras, etc. will be weighed with other baggage, and will be subject to payment of excess baggage charges if the total weight exceeds the free baggage allowance.

Meals/Refreshments

Meal are served when a flight is airborne during the following hours:

Breakfast	: 0700-0840
Lunch	: 1300-1400
Dinner	: 2000-2130

Generally, hot meals are served on jets and snacks are served on turbo prop aircraft. Snacks are served on all International Services operated outside the above timings. In Economy Class free liquor is served on Delhi/Kathmandu/Delhi and Madras/Colombo/Madras sectors only.

Documents

For international travel, all passengers are requested to be in possession of foreign travel documents, such as passports, visas wherever necessary, health certificates, emigration certificates, etc. Details of these requirements may be sought from booking offices or the travel agents.

Airport Tax

Airport tax is payable by all passengers before embarkation on international flights. For travel from India to destinations in the neighbouring countries served by Indian Airlines, the airport tax is Rs. 50/- per passenger. For all other international destinations, a tax of Rs. 100/- per passenger is payable. Please contact booking office or your travel agent for information on the airport taxes prevalent in other countries.

Cancellations

In the event of a passenger requiring to cancel his reserved ticket or change his travel plans, he is requested to contact any booking office of Indian Airlines or his travel agent at the earliest possible opportunity. Postponement of a journey is treated as a cancellation and rebooking, and cancellation charges become applicable according to the following schedule:

Cancellation made 48 hours or more before flight departure	— Rs. 20
Cancellation made less than 48 hours and upto 24 hours before flight departure	— 10% of the fare
Cancellation made less than 24 hours and upto one hour before flight departure	— 25% of the fare
Cancellation made less than one hours before flight departure and "No-shows"	— 100% of the fare

Passengers who check in on time, but fail to embark on the flight concerned, are taken as "gate no-shows" and are not entitled to any refund

Special Notes:

- (i) No cancellation charges are levied on the Indian Airlines international services, or on the domestic service when domestic travel is against the Dollar tariff.
- (ii) Cancellation charges are not applicable on the fuel surcharge.
- (iii) Cancellation of open-dated domestic tickets would attract the levy of a service charge of Rs. 20 only.

Refunds

Refunds are effected through the channels utilised for ticketing, and in the currency of the country where the ticket was paid for. Tickets purchased in cash from any of the booking offices of Indian Airlines can be cancelled at any other booking office of Indian Airlines. For tickets issued against credit or processed through the recognised travel agents, if required to be cancelled, refunds will be made only through the credit party or the travel agent concerned, as the case may be.

No refunds can be made against lost documents. Passengers are particularly requested to note that tickets are cash value documents and must be physically presented for refunds.

Liability

Indian Airlines is not liable to any claim in case of changes in flight timings or equipment used, diversion from the scheduled route, cancellation of a scheduled flight or inability to complete a scheduled flight. However, every effort will be made to ensure passenger comfort at times of flight disruption.

Smoking

Smoking of cigarettes only is permitted whenever the "No Smoking" sign is switched off. Smoking is not allowed during the take-offs and landings as also in the "No Smoking" zone. Smoking of pipes and cigars is prohibited.

Carriage of Fire-Arms

Carriage of fire-arms, ammunition, and other weapons on the passenger's person is expressly prohibited without specific authorisation from the Director General of Civil Aviation. All weapons must be

declared and unloaded fire-arms with ammunition must be handed over to Indian Airlines before embarkation for delivery at the destination.

Change in Fares

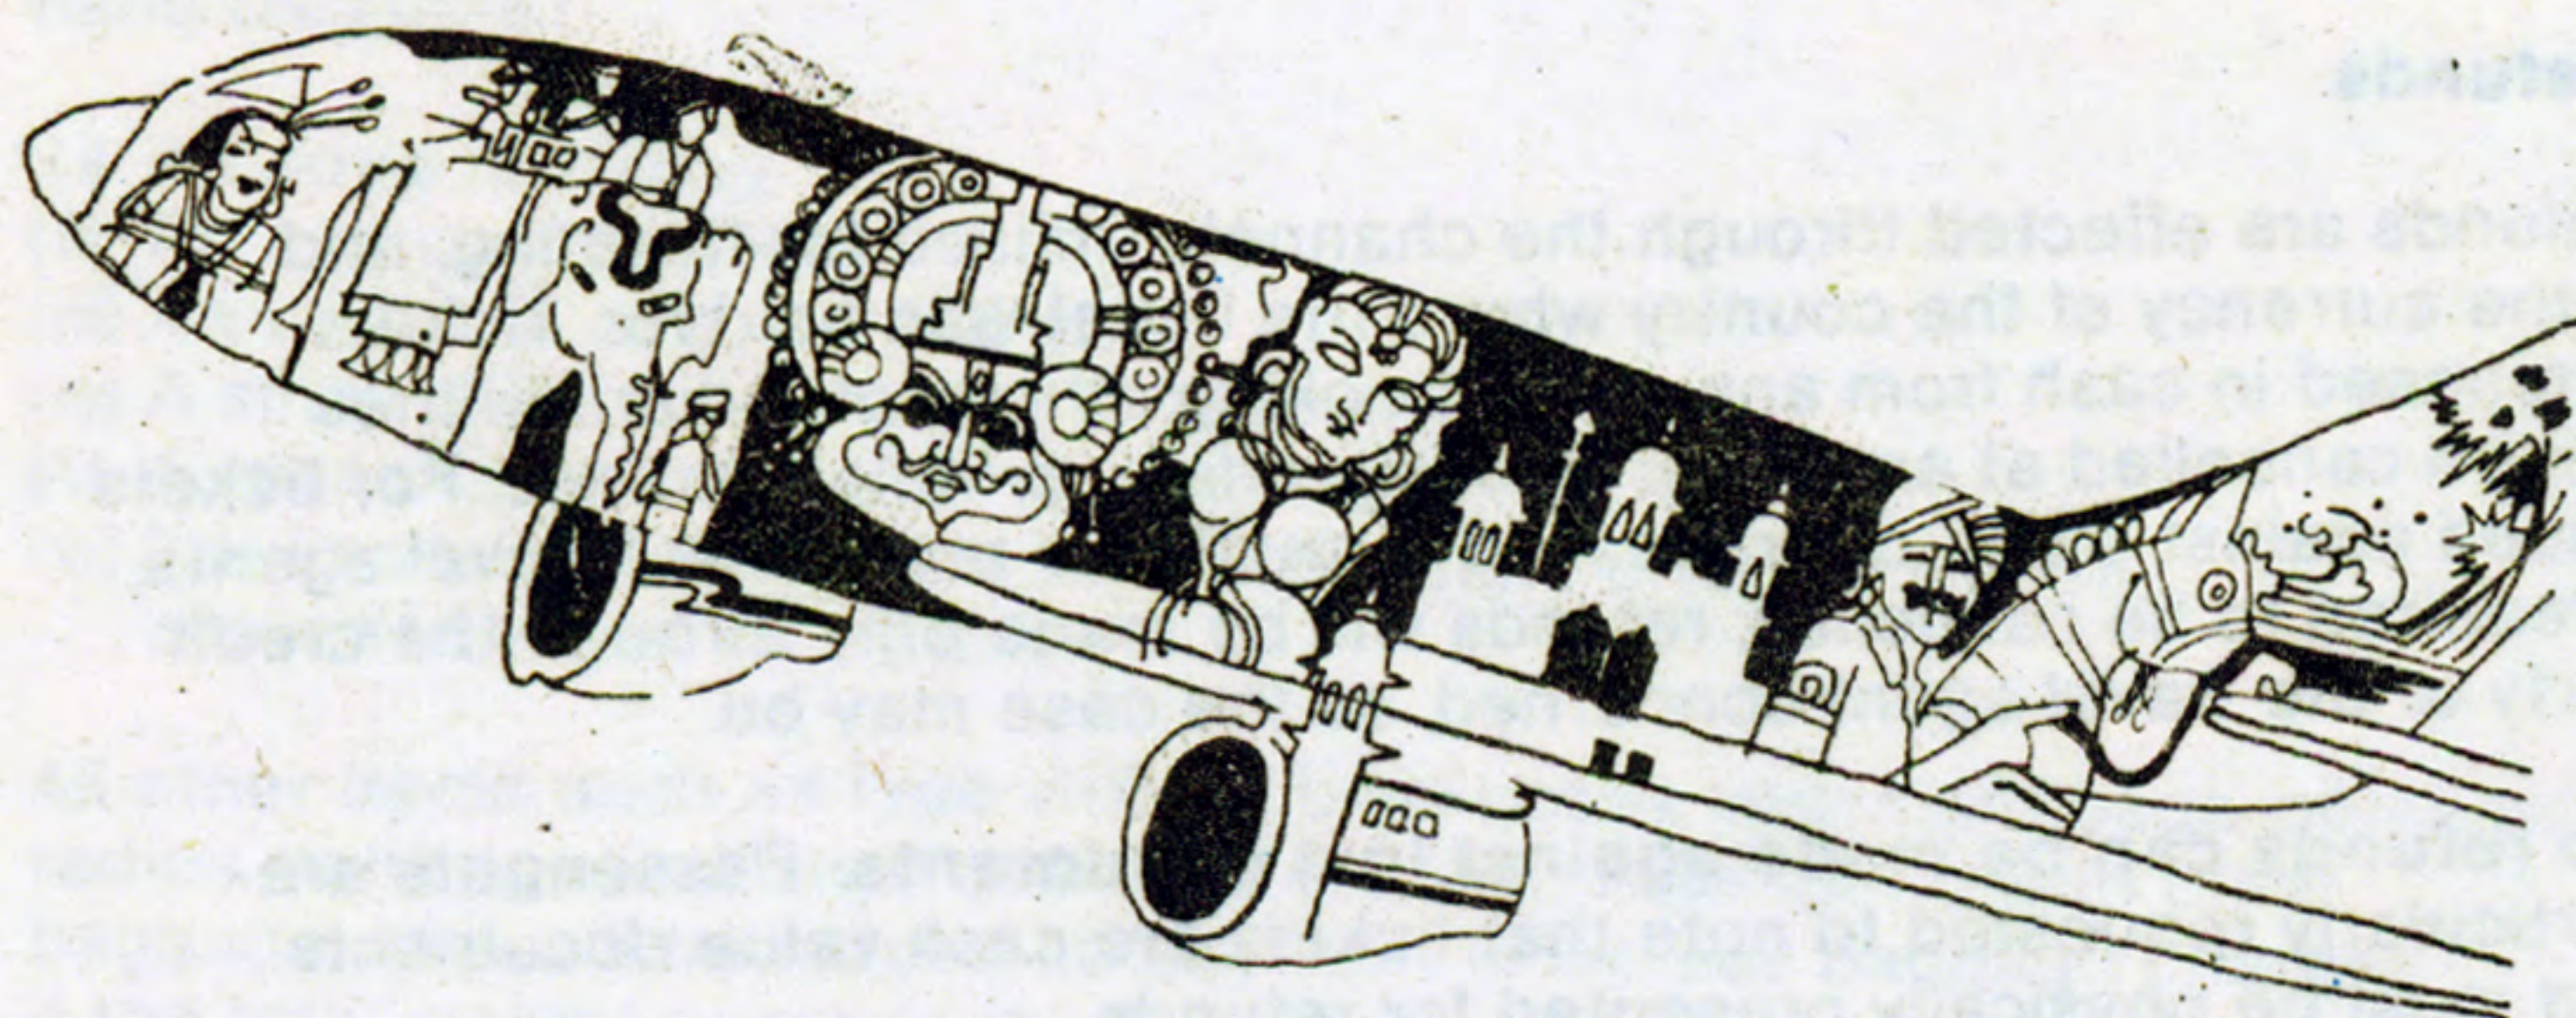

Fares are subject to change without advance notice. In the event of a passenger commencing his journey after a revised tariff becomes effective, the difference between the fare paid and the fare applicable will be collected from the passenger before embarkation.

Fares & Concessions

Fares on Indian Airlines domestic sectors are quoted in Rupees and US Dollars. The Rupee tariff is applicable on domestic sectors when travel is ticketed in India, whereas the US Dollar fares are to be used when travel on the domestic sectors is ticketed outside India, and also when ticketed through our interline partners within India. Fares on the regional international sectors of Indian Airlines are quoted in local currencies relative to the country where travel is undertaken. Children between the ages of 2 and 12 are allowed to travel at 50% of the adult fare and infants below the age of 2 years are allowed to travel at 10% of the adult fare. However, one infant is accepted at 10% of the adult fare when travelling with an adult. Additional infants are charged 50% of the applicable adult fare.

There is no stop-over facility available on Indian Airlines domestic fares. Due to schedule changes if some of the city-pairs are not linked by a single service, the sector fares given for such city-pairs will automatically cease to apply.
