Your travel agent is a good man to know. He'll help you plan the perfect vacation or business trip. See him soon.

Air Jamaica starts your vacation early.

Jet non-stop between Jamaica and New York or Jamaica and Miami.

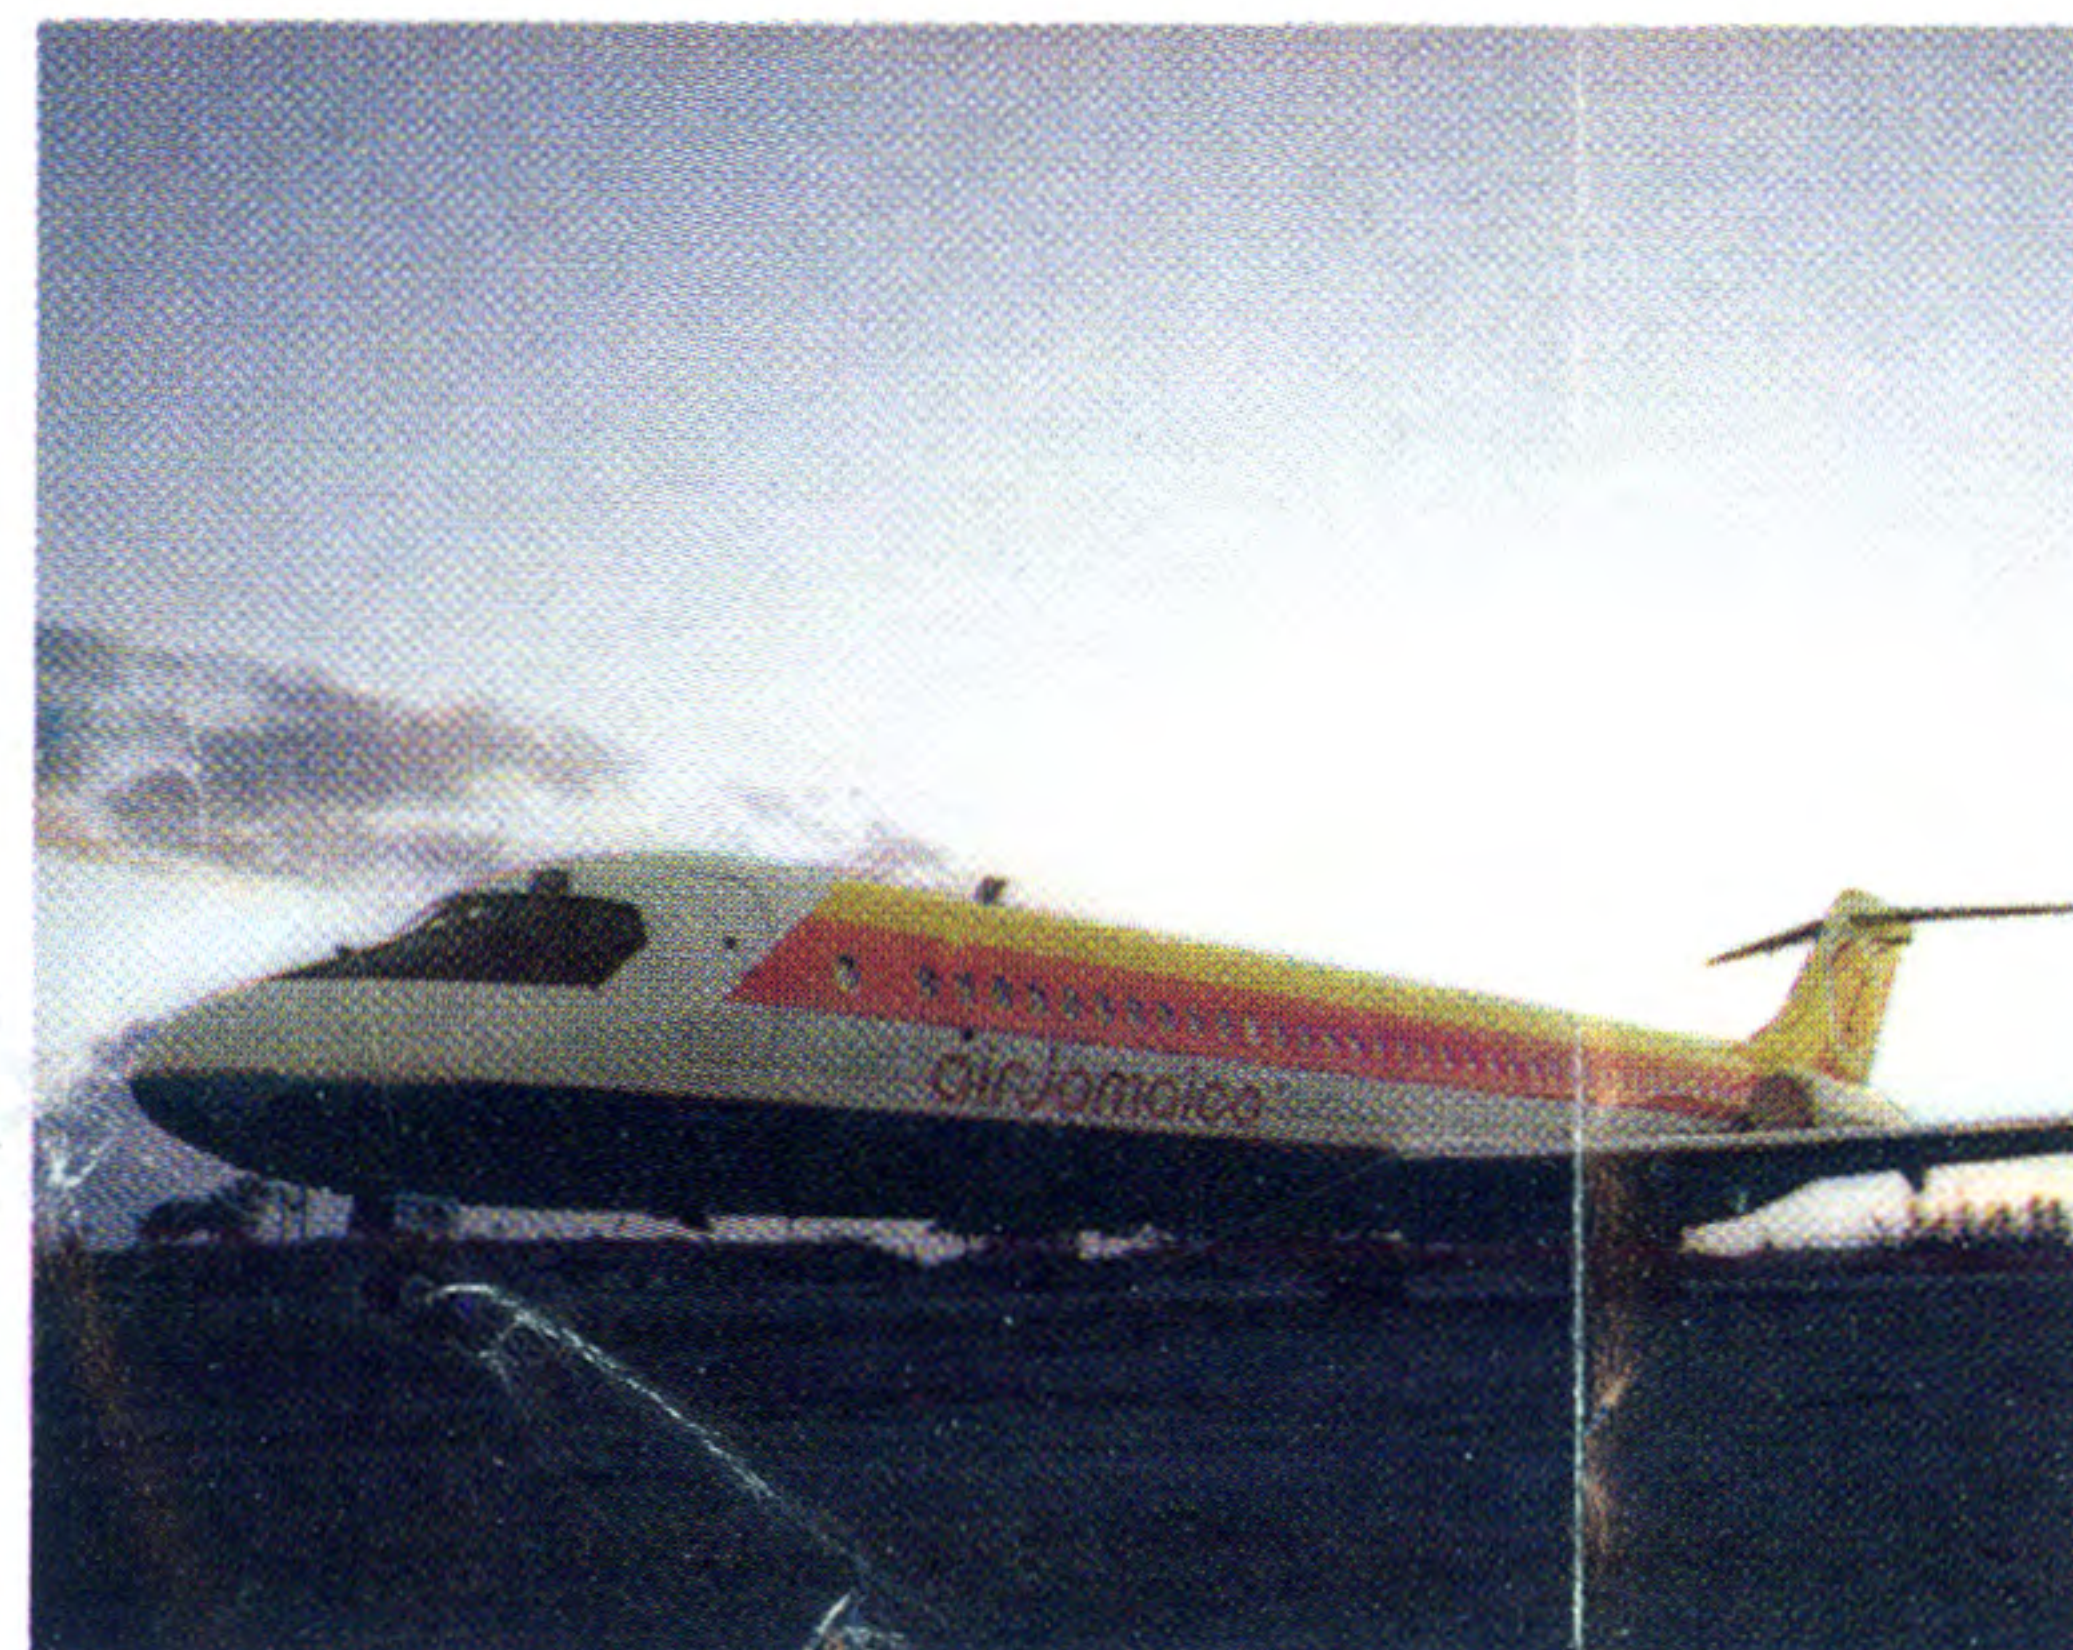

Step aboard an Air Jamaica jet. You're in Jamaica, mon! The pretty faces you see belong to our beautiful Jamaican stewardesses. (They're our rare tropical birds.) The music you hear is Jamaica's heartbeat. Real island music. Your vacation has already started.

Air Jamaica is the airline of Jamaica. So we take a little bit of our island with us wherever we go. We fly you down in style with Super DC-8 equipment every day

from New York City. And Super DC-9's from Miami. Our destination: Montego Bay and Kingston. When we fly you to the States, the happiness of Montego Bay and Kingston comes along. **On each flight**, our rare tropical birds give a Jamaican fashion show. They flock to your side with ice-cold, bone-dry martinis (mixed right on the plane). And a special nectar we invented (Rum Bamboozles) is served free, even in economy class.

Our first-class passengers between New York and Jamaica can lounge around in the only stand-up bar and lounge on the New York-Jamaica run. (There's a party going on!) **Every pilot** wants to fly the Jamaica run. So we get our pick of the crop. Air Jamaica pilots form an elite corps. **You don't just eat.** You dine. Elegantly, and endlessly. Our seafood, beef and poultry are prepared by Jamaican chefs.

And when it comes to island food ... we give it to you and keep giving it to you. Ackee, plantains, curried rice, Lobster Port Royal, River Janga salad. (Of course, only the finest wines from Europe accompany our cuisine.) Then we top it all off with Jamaican fruits so fresh you'll swear they were picked just hours ago. Which isn't surprising. They were. **Come have a good time** on your way to a good time. Air Jamaica starts your vacation early.

It's a little bit of Jamaica in a whole lot of plane.
