## NOTICE

**From December 6, 1992, All Nippon Airways flight departures and arrivals at Narita Airport will move to the new Passenger Terminal 2.**

- In addition to the ANA First Class "Lounge Fuji", a new "CLUB ANA Lounge" will be available to our CLUB ANA/Business Class passengers.
- Our new check-in counters will have much more space than before, with separate counters for each class, for quick check-in.
- The new terminal will be connected by JR and Keisei rail lines with "Narita Passenger Terminal 2 Station", located directly below the terminal for easy access.
- Please note that departures and arrivals for NH/SK 985, 986 to and from Stockholm (Jointly operated with SAS-Scandinavian Airlines System) will continue at Narita Passenger Terminal 1.
- Connecting times required are different depending on the terminal and/or flights being utilized. Please confirm that your flight itinerary includes the proper connecting time necessary when making your reservation.

## ANA Special Immigration Service "BLUE LANE SERVICE"

**Flight NH006 (Narita → Los Angeles)**

**Flight NH1056 (Nagoya → Honolulu)**

### ① Blue Lane Service

For quicker entry into the U.S., ANA passengers can have the formalities of Immigrations inspection done before arriving at Los Angeles or Honolulu International Airport. Upon arrival, passengers are able to use an exclusive booth to avoid the typical long Immigration lines. (As always normal inspection is also available)

### ② The Procedure is Easy

To apply for the service, Please provide your date of birth when making your reservation. A U.S. Immigration Authority sticker will be affixed to your passport upon check-in at Narita Airport, Sapporo Chitose Airport, Nagoya Airport, Osaka Airport, Fukuoka Airport, ANA Hotel Narita or TCAT(Tokyo City Air Terminal).

(To assure smooth check-in procedures at the airport, be sure to provide your date of birth when making your reservation)

### ③ Exclusive Blue Lane Booth

Upon arrival, flight NH006 or NH1056 passengers are directed to the exclusive Blue Lane Booth by ANA staff. Since the passengers name and date of birth will have been transmitted from an ANA reservations terminal to a U.S. Immigration Authority computer for review beforehand, waiting time at inspection is reduced and connections to other flights become easier.

### ④ Eligibility

Those who board ANA flight NH006 or NH1056 bound for Los Angeles or Honolulu are eligible for this service. As always, passengers without an applicable visa are required to obtain and fill out the special landing card necessary to enter the U.S.
