Flight NH006 (Narita→Los Angeles)

BLUE LANE SERVICE

For quicker entry into the U.S., ANA passengers can have the formalities of immigrations inspection completed before arriving at Los Angeles International Airport. Upon arrival, passengers have access to an exclusive booth to avoid the typical long immigration lines.
(As always normal inspection is also available)

The Procedure is Easy

To apply for the service, please provide your date of birth when making your reservation. A U.S. Immigration Authority sticker will be affixed to your passport upon check-in at Narita Airport, Sapporo Chitose Airport, Osaka Airport, ANA Hotel Narita or TCAT (Tokyo City Air Terminal).

Exclusive Blue Lane Booth

Upon arrival, flight NH006 passengers are directed to the exclusive Blue Lane Booth by ANA staff. Since the passengers name and date of birth will have been transmitted from an ANA reservations terminal to a U.S. Immigration Authority computer for review beforehand, waiting time at inspection is reduced and connections to other flights become easier.

Eligibility

Those who board ANA flight NH006 bound for Los Angeles are eligible for this service. As always, passengers without an applicable visa are required to obtain and fill out the special landing card necessary to enter the U.S.

New ANA Lounges at London-Heathrow Airport Now Open

ANA's exclusive Lounge Fuji and CLUB ANA
Lounge are now available at Heathrow Airport.

FIRST CLASS

With the service and atmosphere reminiscent of the world's finest hotels, ANA's First Class is like a lesson in luxury. From the separate check-in facilities to the distinctive lounges on the ground, even the most discerning traveler will feel pampered and spoiled.

● First Class Seats.

First Class seats are a full 28.5 inches wide, and the distance between seats has been increased to 60 inches for more legroom than ever. A switch in the armrest electrically reclines the seat to a full 60 degrees.

● First Class Meal Service.

Our full-course Western menu features three choices, giving passengers the opportunity to experience a sumptuous range of haute cuisine.

Passengers have a chance to sample the art of Kaiseki, a traditional Japanese meal that uses only the finest ingredients from Japan.

Our list of wines and beverages boasts top class wines in addition to well-known liquors from around the world.

● Lounge Fuji

Even before boarding, passengers can relax in deluxe First Class comfort. A variety of beverages, newspapers and magazines is available. For those wishing to do some work, a writing desk and copy machine are provided.

ANA FIRST CLASS / CLUB ANA In-Flight Amenities (excluding joint-operation flights)

Some amenities are not available on certain flights. Contact the nearest ANA International reservation center for details.

● Personal TV.

Attached to every seat is a personal TV with a 5-inch liquid crystal screen, hi-fi sound and an adjustable viewing angle. The TV has 4 English-language channels for watching movies, sports and music programs, and an additional 7 channels of video games.

CLUB ANA ♣

With CLUB ANA, we've completely re-thought the conventional concept of the "business class" to provide a level of luxury that appeals to business as well as nonbusiness travelers.

By offering an enhanced level of comfort and exceptional service, CLUB ANA means the difference between fine traveling, and simply getting there.

● CLUB ANA Seats.

Ergonomically designed bucket-type seats give full support to all parts of the body to guarantee maximum comfort. Seats are 26.5 inches wide, with 40 inches between rows. The seat reclines to a full 39 degrees, and the adjustable leg and footrests add even more comfort.

● CLUB ANA Meal service

Meals on CLUB ANA are an experience in themselves. The full course Western menu reflects the one we feature in First Class, and it's every bit as extravagant.

A tempting selection of specialties from all over the country highlight our Japanese menu. Ingredients are only the freshest and reflect a seasonal variety.

Of course, no meal would be complete without a selection from our extensive list of wines, beers, liqueurs or Japanese sake.

● CLUB ANA Lounge

Comfortably spacious and complete with office facilities, the CLUB ANA Lounge creates a quiet, business-style atmosphere where passengers can relax or work before the flight.

● Cabin wear.

ANA provides 100% wool cabin wear in four different colors for extra comfort on longer flights.

● Overnight kit.

Overnight kits, containing an eye mask, toothbrush and toothpaste, toiletries and other items often required in flight, are available in two types - one for men and one for women. (the contents depend on the class of service)
