Flight NH006 [Narita→Los Angeles]

BLUE LANE SERVICE

For quicker entry into the U.S., ANA passengers can have the formalities of immigration inspection completed before arriving at Los Angeles International Airport. Upon arrival, passengers have access to an exclusive booth to avoid the typical long immigration lines.
(As always normal inspection is also available).

The Procedure is Easy

To apply for the service, please provide your date of birth when making your reservation. A U.S. Immigration Authority sticker will be affixed to your passport upon check-in at Narita Airport, Sapporo Chitose Airport, Osaka (Itami) Airport, ANA Hotel Narita or TCAT (Tokyo City Air Terminal).

Exclusive Blue Lane Booth

Upon arrival, flight NH006 passengers are directed to the exclusive Blue Lane Booth by ANA staff. Since the passenger's name and date of birth will have been transmitted from an ANA reservations terminal to a U.S. Immigration Authority computer for review beforehand, waiting time at inspection is reduced and connections to other flights become easier.

Eligibility

All those who board ANA flight NH006 bound for Los Angeles are eligible for this service. As always, passengers without an applicable visa are required to obtain and fill out the special landing card necessary to enter the U.S.

And for those who prefer Japanese, we offer a chance to sample the art of Kaiseki, a traditional Japanese meal that uses only the finest ingredients from Japan. Our beverage list boasts top class wines in addition to well-known liquors from around the world to complement your meal.

Menu may change depending on the route and seasonality.

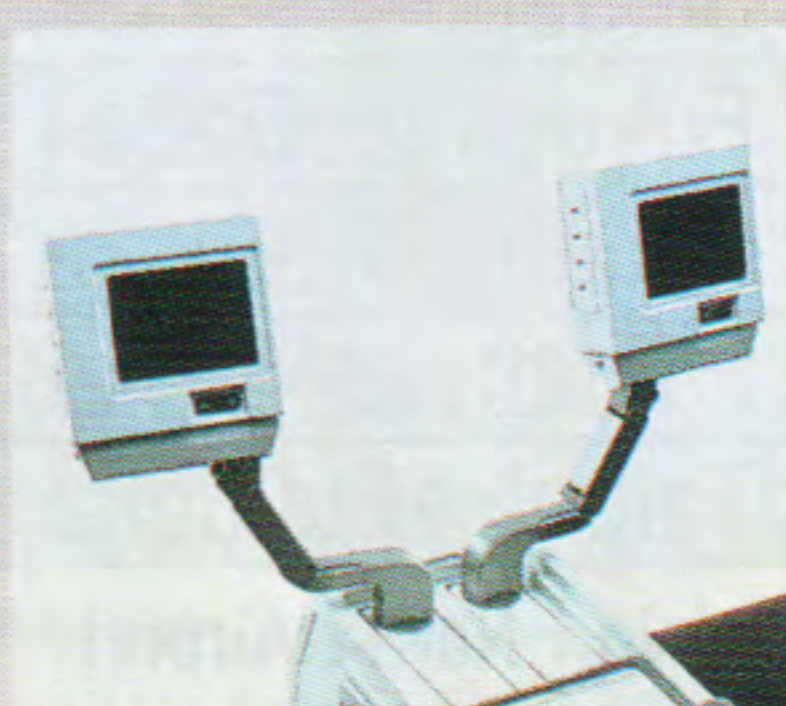

● Lounge Fuji

● CLUB ANA Meal Service

Our full-course Western menu reflects our First Class menu, and is every bit as extravagant. A tempting selection of specialties from all over the country highlight our Japanese menu.

● CLUB ANA Lounge

Comfortably spacious and complete with office facilities, the CLUB ANA Lounge creates a quiet, business-style atmosphere where passengers can relax or work before the flight.
