Now on JAL....

Convair 880 luxury and speed throughout southeast Asia

Make a travel note of JAL's new, exciting jet service via the swift, luxurious Convair 880M—8 flights weekly throughout Southeast Asia.

Three flights a week non-stop between Tokyo and Hong Kong, just three hours and 40 minutes, with service to Bangkok and Singapore on the same schedule.

Convairs between Hong Kong and Tokyo also now stop at Osaka and Taipei three times a week and at Okinawa twice-weekly.

You'll wonder at the speed, the comfort and the graciousness aboard JAL's new Convairs. You'll wonder, too, at the charm and finesse of JAL's kimono clad hostesses as they lavish you with delicious foods, expert drinks and service that has made JAL famous all over the world.

And remember.....JAL connects Japan with Hawaii and the U. S. West Coast by daily flights as well as with Copenhagen, London and Paris twice weekly over the Pole. And coming in 1962, the new Southern Route via India to Europe.

PASSENGER GENERAL INFORMATION

The general information shown below is subject to specific limitations and regulations contained in official Tariffs, which are available for inspection at any Japan Air Lines office.

PASSPORT AND VISA—In order to travel from one country to another, you must in most cases have a valid passport appropriately visaed where required, and other permits for certain countries. While we normally have all the latest information, we are not responsible for its accuracy and urge you to consult the nearest consulate of the country you propose to visit in order to obtain official advice.

HEALTH DOCUMENTS—Many countries require that you have proper vaccinations and inoculations prior to arrival. When required, the vaccinations must be recorded in the "International Certificate of Inoculation and Vaccination" form and should be certified by the government health authority. The forms are available from any of these offices, or may be obtained from your agent or JAL.

RESERVATIONS—Reservations must be made in advance. Call any Japan Air Lines office listed in this timetable or your travel agent to obtain airlines reservations necessary for your complete journey. When requesting reservations please specify class of service.

TICKETING TIME LIMITS—(Applicable to the area of Canada Continental U. S., Cuba and Mexico.) Tickets must be purchased within 48 hours after your space has been confirmed and, in any event, not later than 72 hours prior to the scheduled departure time of your flight. Failure to purchase your ticket within these time limits shall result in cancellation of reservations.

RECONFIRMATION—Even if you hold a confirmed reservation you are requested to reconfirm your intention to use the reservation in the cases as mentioned below.

International: If you hold a continuing or return reservation for travel from one of the areas as shown below permitting you to spend a total of more than 72 hours within the area you are requested to reconfirm your reservation at least 72 hours prior to departure of your flight. (1) from the area comprising the United Kingdom, Ireland, continental Europe and Israel for westbound travel over the North Atlantic. (2) from the area comprising Japan, Hong Kong, Philippines, Australia, New Zealand and and Fuji for eastbound travel over the Pacific to Hawaii, Canada and continental U. S. A. (excluding Alaska). (3) from the area comprising Hawaii, Canada and continental U. S. A. (excluding Alaska) for any international travel.

To reconfirm, contract any office of the carrier located within the area which you are going to leave, preferably that located at the boarding point.

Within or between U. S. A. and Canada: Every time you make a stopover of more than 12 hours within the U. S.-Canada area you are requested to reconfirm your continuing or return reservation on a U. S. or Canada domestic flight at least 6 hours before departure of the flight. Contact any office of the carrier located at the boarding point.

Reconfirmation can be made by any expedient means—in person, by telephone, by telegram or in writing. Failure to reconfirm will result in automatic cancellation of all your remaining reservations.

TICKETS—Tickets issued at normal fares are valid for one year from the date of commencement of journey, or if no portion of the ticket has been used, one year from the date of issue.

CANCELLATION BY PASSENGER—It is requested that your reservation be cancelled as soon as it is known that seat will not be used, thus making such space available to other passengers.

STOPOVER—You may stopover at any scheduled stop or connecting points provided that you arrange for stopovers prior to departure from the airport preceding your desired stopover.

FARES—There are several discounts of fares of which you may wish to avail yourselves according to the nature of the journey to be made.

Round trip fare and circle trip fare are generally 10% less than the sum of the one way fares for such trip.

Children's fare: One child under 2 years of age, when accompanied by an adult and not occupying a separate seat, is carried at 10% of the adult fare. Children between 2 and 12 years of age or infants occupying a separate seat are carried at 50% of the adult fare.

Student's fare: A school student may be allowed 25% reduction from the normal adult round trip fare. (Not applicable to travel to, from or via the U. S.)

Air and Sea trip: When going via air and returning by sea or vice versa, 10% reduction on the one way air fare is allowed if round trip discount is allowed for the sea portion. Sea fare is subject to sea carrier's tariff.

Sleeper Berth: Sleeper berths on propeller aircraft are available on the first class at an additional charge of US \$85. Sleeper berths on jet aircraft across the Pacific are only available to First Class Passengers requiring their use for Medical reasons. Surcharge US \$100.

BAGGAGE—All baggage must be weighed including overnight bag, briefcase, lady's vanity case, portable typewriter, large camera and portable radio whether carried in the cabin or checked in the cargo compartment and included in the free baggage allowance. Only the following articles will be regarded as personal weight and will not be weighed as "baggage".

A lady's handbag or pocketbook, an overcoat or wrap, a foot rug, an umbrella or walking stick, a small camera and a pair of binoculars, a reasonable amount of reading matter for the flight, an infant's food for consumption enroute, an infant's carrying bassinets, a fully collapsible wheel chair and a pair of crutches.

Free Baggage Allowance: 30 kilos (66 lbs.) for First Class Passengers, 20 kilos (44 lbs.) for Economy Class or Excursion Fare Passengers. Children travelling on half fare tickets, either class, will receive the adult baggage weight allowance. Infants travelling at the 10% fare receive no free baggage allowances.

Excess Weight Charges: Baggage in excess of the free baggage allowance may be carried as excess baggage at a charge of 1% of the normal first class one way propeller fare per kilogram (2.2 lbs.).

Excess Value: May be declared on baggage at a nominal charge.

Unaccompanied Baggage: Baggage in excess of the free baggage allowance may be forwarded as unaccompanied baggage at reduced cargo rates.

CHECK-IN FOR FLIGHTS—Before departure, passengers are required to be at the airport ticket counter to complete necessary departure formalities not later than check-in times shown in this folder.

MEALS—in both First and Economy class services complimentary meals are served aloft or at intermediate airports at all meal time. Snack and beverage services are available aloft at all times. Wines, beer and spirits are free of charge on First Class Passengers and for sale to Economy Class Passengers at reasonable prices. Passengers requiring special foods or diets are asked to make their requirements known at the time of booking in order that arrangements can be made to fulfil their requests.

TAX—Transportation taxes are imposed by some governments: these are not included in the fares quoted and will be collected where they apply.

INSURANCE—Personal and baggage insurance are available at your travel agent or JAL office.

BABIES, SICK OR INCAPACITATED PASSENGERS—Please make arrangement in advance.

For further details concerning any of the above or for additional information, please consult your agent or JAL office. All schedules, equipment, fares and rates shown in this folder are subject to change without notice.
