PASSENGER GENERAL INFORMATION

The general information shown below is subject to specific limitations and regulations contained in official Tariffs, which are available for inspection at any Japan Air Lines office.

PASSPORT AND VISA—In order to travel from one country to another, you must in most cases have a valid passport appropriately visaed where required, and other permits for certain countries. While we normally have all the latest information, we are not responsible for its accuracy and urge you to consult the nearest consulate of the country you propose to visit in order to obtain official advice.

HEALTH DOCUMENTS—Many countries require that you have proper vaccinations and inoculations prior to arrival. When required, the vaccinations must be recorded in the "International Certificate of Inoculation and Vaccination" form and should be certified by the government health authority. The forms are available from any of these offices, or may be obtained from your agent or JAL.

RESERVATIONS—Reservations must be made in advance. Call any Japan Air Lines office listed in this timetable or your travel agent to obtain airlines reservations necessary for your complete journey. When requesting reservations please specify class of service.

TICKETING TIME LIMITS—(Applicable to the area of Canada Continental U.S., Cuba and Mexico.) Tickets must be purchased within 48 hours after your space has been confirmed and, in any event, not later than 72 hours prior to the scheduled departure time of your flight. Failure to purchase your ticket within these time limits shall result in cancellation of reservations.

RECONFIRMATION—Even if you hold a confirmed reservation you are requested to reconfirm your intention to use the reservation in the cases as mentioned below.

International: If you hold a continuing or return reservation for travel from one of the areas as shown below permitting you to spend a total of more than 72 hours within the area you are requested to reconfirm your reservation at least 72 hours prior to departure of your flight. (1) from the area comprising the United Kingdom, Ireland, continental Europe and Israel for westbound travel over the North Atlantic. (2) from the area comprising Japan, Hong Kong, Philippines, Australia, New Zealand and Fiji for eastbound travel over the Pacific to Hawaii, Canada and continental U.S.A. (excluding Alaska). (3) from the area comprising Hawaii, Canada and continental U.S.A. (excluding Alaska) for any international travel.

To reconfirm, contact any office of the carrier located within the area which you are going to leave, preferably that located at the boarding point.

Within or between U.S.A. and Canada: Every time you make a stopover of more than 12 hours within the U.S.-Canada area you are requested to reconfirm your continuing or return reservation on a U.S. or Canada domestic flight at least 6 hours before departure of the flight. Contact any office of the carrier located at the boarding point.

Reconfirmation can be made by any expedient means—in person, by telephone, by telegram or in writing. Failure to reconfirm will result in automatic cancellation of all your remaining reservations.

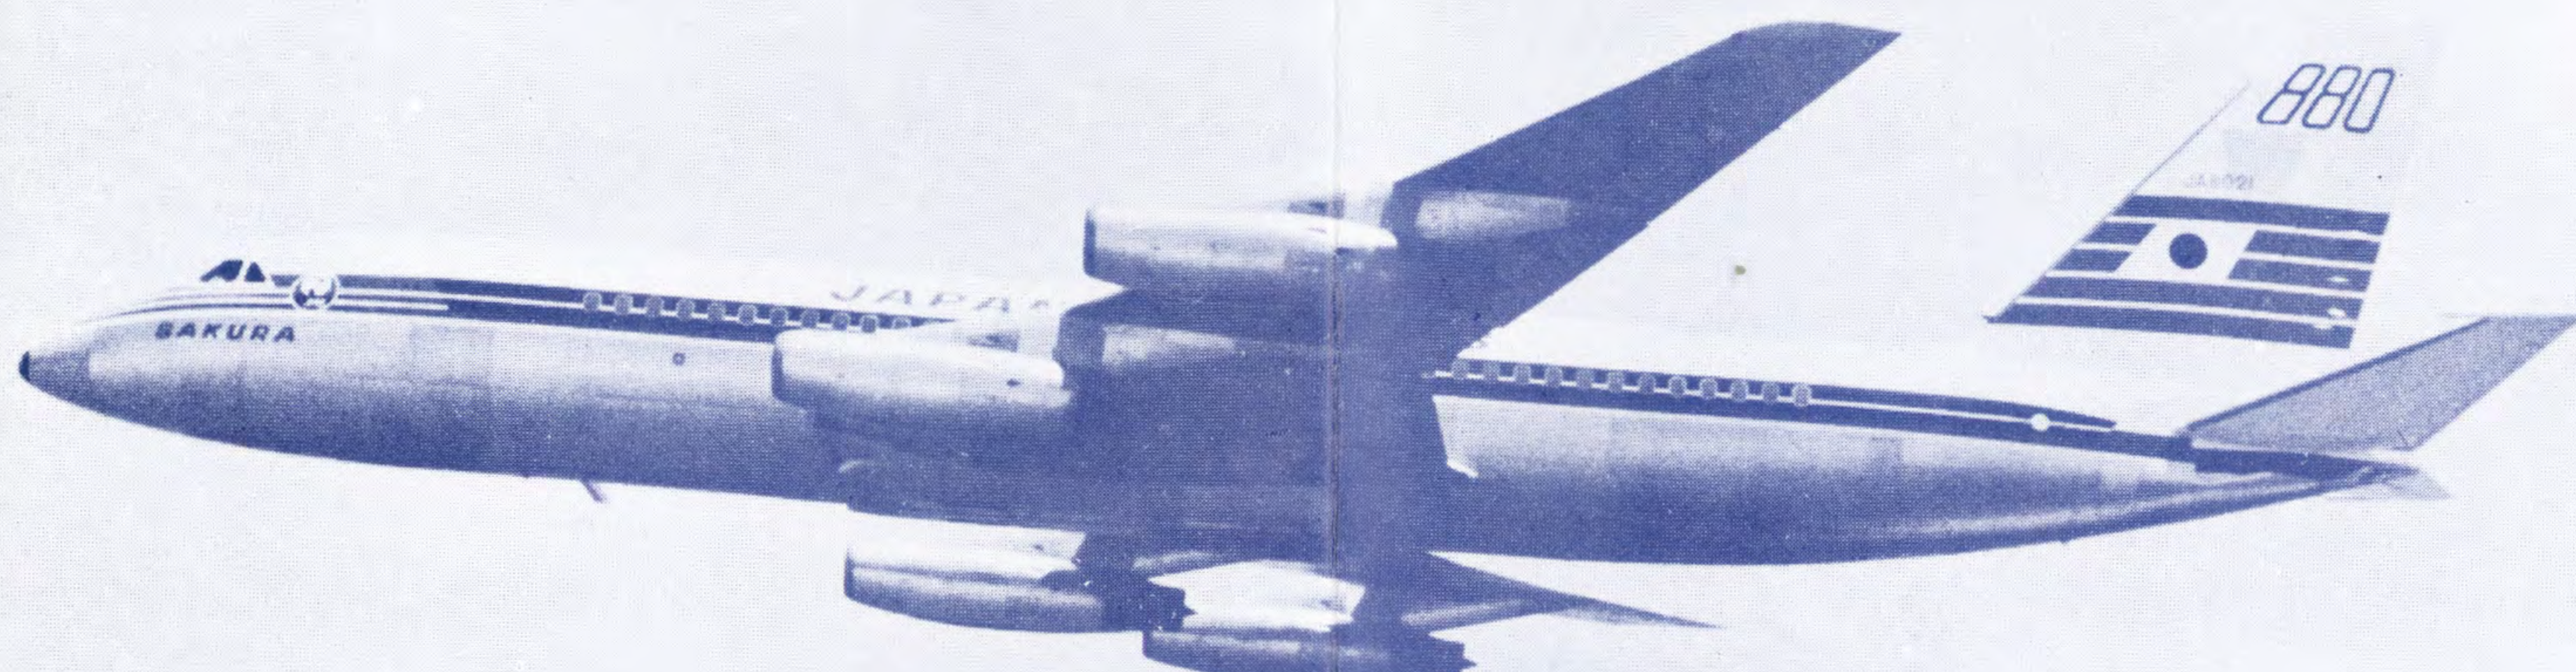

TICKETS—Tickets issued at normal fares are valid for one year from the date of commencement of journey, or if no portion of the ticket has been used, one year from the date of issue.

CANCELLATION BY PASSENGER—It is requested that your reservation be cancelled as soon as it is known that seat will not be used, thus making such space available to other passengers.

STOPOVER—You may stopover at any scheduled stop or connecting points provided that you arrange for stopovers prior to departure from the airport preceding your desired stopover.

FARES—There are several discounts of fares of which you may wish to avail yourselves according to the nature of the journey to be made.

For further details concerning any of the above or for additional information, please consult your agent or JAL office. All schedules, equipment, fares and rates shown in this folder are subject to change without notice.

Gracious service, delightfully different

The kimono-clad charmer with the tender touch is a Japan Air Lines hostess. She is typical of her co-workers who serve aboard JAL's international Jet Courier flights. Her natural beauty, dignity, poise and devotion to her passengers' creature comforts have made her famous the world over.

Japan Air Lines, with an all-jet Courier fleet, flies between Tokyo and almost all major cities of the world. Between Tokyo and the U.S. West Coast via Hawaii and over the Pole to Europe JAL offers DC-8 Jet Courier service. Between Tokyo and key ports of Southeast Asia JAL flies Convair 880M Jets.

During Summer 1962 JAL will further expand its services to capital cities of Europe via India, Pakistan and Egypt on a Southern Route by Convair 880M Jets.

This hostess is giving a party this week
(somewhere over the North Pole)

The occasion is a flight on JAL's Polar Route between Japan and Europe, a major step in JAL's expanding globe-circling routes. The party is on a mighty JAL DC-8 Jet Courier. And you are invited. Twice a week on JAL (and twice more on a Boeing 707 Jet in pool operation with Air France) you can fly over the roof of the world between Tokyo and the capitals of Europe, while kimono-clad hostesses delight you with the service that has made JAL famous the world over.

You'll feel cherished and important—arrive relaxed and serene. It's such a delightful way to fly. Yes, you can relax amid the calm beauty of Japan as you fly at almost the speed of sound: just 15 hours between Tokyo and Copenhagen. JAL also serves London and Paris. It's the most wonderful way yet between Europe and the Orient. Please accept our invitation and see for yourself.

CARGO GENERAL INFORMATION

The general information shown below is subject to specific limitations and regulations contained in official Tariffs, which are available for inspection at any Japan Air Lines office.

C. O. D. SERVICE—C. O. D. service is available upon request to many countries.

MINIMUM CHARGES Transpacific (1) \$10.00 to or from Hawaii, Los Angeles, San Francisco, Portland, Seattle and Vancouver. (2) \$11.00 to or from points in the U. S. or Canada (other than those points specified in (1) above) or Mexico. (3) \$12.00 to or from points in Latin America south of Mexico.

Any shipment which weighs less than one kilo per 9000 ccm., and any fraction of 9000 ccm. will count as the next higher 4500 ccm. When per pound rates are used, a fraction of a pound will count as the next higher pound. Any shipment weighs less than one pound per 250 cuin. will be charged for at the rate of one pound per 250 cuin., and any fraction of 250 cuin. will count as the next higher 250 cuin.

Shipping charges are figured on the total weight of animal plus crate and food. Shippers must accept full responsibility for complying with export-import regulations at the destination.

JAL PET CRATES—For customer convenience, each JAL office has a supply of pet crates for sale at reasonable rates.

LIABILITY—JAL's liability will not exceed \$16.50 (250 gold francs) per kilo unless the shipper has made out a special Declaration of Value for Carriage. JAL is not liable for any damage or loss of the goods unless it can be proved that such loss or damage was caused by the gross negligence or wilful fault of JAL.

For further details concerning any of the above or for additional information, please consult your agent or JAL office. All schedules, equipment, fares and rates, shown in this folder are subject to change without notice.
