GENERAL INFORMATION FOR PASSENGERS

Arrangements may be made in advance for your particular requirements, including baby food and space for a cot, wheelchair or a special menu. Please make your request when booking your flight. Do not wait until the last minute to make your request since it may not always be possible for us to provide for your personal requirements.

Please help us serve you better

PERSONAL ITEMS: Certain articles may be taken into the cabin free of charge in addition to the free baggage allowance; a lady's handbag, an overcoat, wrap or blanket, an umbrella or walking stick, a small camera, a pair of binoculars, a reasonable amount of reading material, a fully collapsible wheelchair and/or any other prosthetic device upon which the passenger is dependent. Infants' food for consumption en route and a carrycot may also be taken on board free.

"NO-SHOW" PASSENGERS: On most major airlines, including Air Malta, a proportion of passengers who have booked seats do not present themselves for their flights. These passengers are known as 'no-shows'. Their number varies from route to route but may be substantial. If you have a booking on one of our flights but know that you are not going to be able to travel on that flight, please let us know as early as possible. Knowing that you are not going to use your reservation, we can then offer the seat to another customer who otherwise would be unable to travel. Remember that one day you may be the passenger needing a reservation on an already fully-booked flight.

UNACCOMPANIED CHILDREN: Travel arrangements for unaccompanied children may be made in advance. Full details on request.
