GENERAL INFORMATION FOR PASSENGERS

CHECK-IN TIMES: Air Malta check-in counters open at least 2 hours prior scheduled time of departure. Check-in closes 30 minutes prior departure, by which time, passengers are expected to be at the Departure Gate to aid us in ensuring on time departure.

HAND LUGGAGE: Each passenger is allowed to carry one (1) piece of hand luggage, the dimensions of which should not exceed 18cm x 45cm x 50cm (handle and wheels included) and which should not weigh more than five (5) kilos. Any liquids (this includes gels, pastes, shaving foam, perfume etc) in your hand luggage must not exceed 100ml in volume and must be placed in a re-sealable plastic bag (size 18cm x 20cm). This plastic bag shall be presented separately from the hand baggage to Security staff. Each passenger has an allowance of one (1) standard plastic bag.

CHECKED-IN LUGGAGE: Passengers travelling in Club Class are allowed 30kilos of checked in baggage, whilst passengers travelling in Economy Class are allowed 20kilos each. Passengers travelling with infants are allowed an extra 10kilos regardless of class of travel. Irrespective of this, any one piece of luggage must not weigh more than 32kilos in weight due to Health and Safety regulations. Any bag in excess of 32kilos will have to be re-packed in 2 (two) separate bags. If applicable, excess baggage charges will be levied.

PERSONAL ITEMS: Certain articles may be taken into the cabin free of charge, in addition to the free hand baggage allowance. These include: a lady's handbag, an overcoat, wrap or blanket, a collapsible umbrella or a walking stick, a small camera, a pair of binoculars, a reasonable amount of reading material. A fully collapsible wheelchair will be carried in the aircraft hold. Any other prosthetic devices upon which the passenger is dependent will also be carried free of charge. Infants' food for consumption en route may be taken on board free. A baby buggy may be taken up to the aircraft steps, where it will be stowed in the aircraft hold until arrival.

UNACCOMPANIED CHILDREN: Travel arrangements for unaccompanied children between the ages of 7 and 12 may be made in advance at time of booking. Full details are available on request.

"NO-SHOW" PASSENGERS: On most major airlines, including Air Malta, a proportion of passengers who have booked their seats, do not present themselves for their flight. These passengers are known as 'no-shows'. Their number varies from route to route but may be substantial. If you have a booking on one of our flights but know that, for some reason, you are not going to be able to travel on that flight, please let us know as early as possible. Knowing that you are not going to make use of your reservation, we can then offer your seat to another customer who would otherwise have been unable to travel. Remember that one day you may be that passenger needing a reservation on an already fully-booked flight. If you fail to fly on a booked flight, or change your booking, and fail to advise Air Malta in advance, all onward and return flights will automatically be cancelled.

SPECIAL REQUESTS: Arrangements may be made in advance for your particular requirements, including any special dietary needs, baby food, wheelchair requests etc. Please make your request when you are booking your flight, as it may not be possible for us to provide for your personal requirements if you wait until the time of check-in.

Please help us to serve you better.

AIR MALTA EXTENDED NETWORK

To offer a better service to its customers Air Malta selects quality carriers to offer code-shared flights. These flights extend the network of destinations that the airline can offer to its passengers.

If one purchase seats on these code-shared flights, tickets will show Air Malta flight numbers throughout the itinerary. For instance, all or a portion of one's journey, may actually be operated by another carrier.

Flights are jointly marketed by both airlines as their own flights.

Air Malta's code-share flights allow the airline to better:

- Synchronise connecting flights from Malta onto the other airline's network and vice-versa.
- Better coordination of luggage handling, which makes transfers between connecting flights less time consuming.
- Increase in the frequency of service on the code-shared route.
- An increase in service to underserved markets.
- When travelling on Air Malta flights operated by its code-shared partners you can earn KM's Flypass miles.

Air Malta's code-share partners include Lufthansa, SN Brussels airlines, Olympic airlines, CSA airlines, Emirates, Aeroflot and Air One.

Air Malta's most extensive code-share agreement is with Lufthansa. This code-share which includes the main European gateway of Munich is operated on the following flights:

- From Malta to Munich
- From Malta to Frankfurt
- From Catania to Munich
- From Munich to Berlin / Bremen / Dresden / Düsseldorf & Hannover
- From Frankfurt to Hannover / Bremen & Dresden
- Munich to New York
- Munich to Washington DC
