GENERAL INFORMATION FOR PASSENGERS

CHECK-IN TIMES: Air Malta check-in counters open at least 2 hours prior scheduled time of departure. Check-in closes 30 minutes prior departure, by which time, passengers are expected to be at the Departure Gate to aid us in ensuring on time departure. Passengers may check-in online from 23 hours before departure up to 2 hours before scheduled time of departure. Passengers may choose their own seat and print their boarding cards from home. If you are not checking in any luggage you may proceed directly to the gate not later than 45 minutes prior departure. If you would like to check-in any baggage, please proceed to the respective Baggage Drop Off point in your airport.

HAND LUGGAGE: Each passenger is allowed to carry one (1) piece of hand luggage, the dimensions of which should not exceed 18cm x 45cm x 50cm (handle and wheels included) and which should not weigh more than eight (8) kilos. Any liquids (this includes gels, pastes, shaving foam, perfume etc) in your hand luggage must not exceed 100ml in volume and must be placed in a re-sealable plastic bag (size 18cm x 20cm). This plastic bag shall be presented separately from the hand baggage to Security staff. Each passenger has an allowance of one (1) standard plastic bag.

CHECKED-IN LUGGAGE: Passengers travelling in Club Class are allowed 30kilos of checked-in baggage, whilst passengers travelling in Economy Class are allowed 20kilos each. Passengers travelling with infants are allowed an extra 10kilos regardless of class of travel. Irrespective of this, any one piece of luggage must not weigh more than 32kilos in weight due to Health and Safety regulations. Any bag in excess of 32kilos will have to be re-packed in 2 (two) separate bags. If applicable, excess baggage charges will be levied.

PERSONAL ITEMS: Certain articles may be taken into the cabin free of charge, in addition to the free hand baggage allowance. These include: a lady's handbag, an overcoat, wrap or blanket, a collapsible umbrella or a walking stick, a small camera, a pair of binoculars, a reasonable amount of reading material. A fully collapsible wheelchair will be carried in the aircraft hold. Any other prosthetic devices upon which the passenger is dependent will also be carried free of charge. Infants' food for consumption en route may be taken on board free. A baby buggy may be taken up to the aircraft steps, where it will be stowed in the aircraft hold until arrival.

UNACCOMPANIED CHILDREN: Travel arrangements for unaccompanied children between the ages of 7 and 12 may be made in advance at time of booking. Full details are available on request.

"NO-SHOW" PASSENGERS: On most major airlines, including Air Malta, a proportion of passengers who have booked their seats, do not present themselves for their flight. These passengers are known as 'no-shows'. If you have a booking on one of our flights but know that, for some reason, you are not going to be able to travel on that flight, please let us know as early as possible. If you fail to fly on a booked flight, or change your booking, and fail to advise Air Malta in advance, all onward and return flights will automatically be cancelled.

SPECIAL REQUESTS: Arrangements may be made in advance for your particular requirements, including any special dietary needs, baby food, wheelchair requests etc. Please make your request when you are booking your flight, as it may not be possible for us to provide for your personal requirements if you wait until the time of check-in.

Please help us to serve you better.

DANGEROUS GOODS NOT PERMITTED IN BAGGAGE

There are certain articles that should never be packed in both checked and hand luggage. These articles include:

- **Explosives:** - fireworks, flares, ammunition.
- **Compressed Gases** (flammable, non-flammable, toxic, deeply refrigerated): aerosols, camping gas cylinders, butane, filled aqualung cylinders.
- **Flammable liquids:** - thinners, paint, solvents.
- **Flammable solids:** - Firelighters, matches
- **Oxidising materials:** - bleaches
- **Toxics:** - cyanide, arsenic, weed killers.
- **Corrosives:** - acids, alkalis, mercury even in instruments, wet cell batteries.

THE ABOVE MAY BE CARRIED AS CARGO
SUBJECT TO CERTAIN RESTRICTIONS.
FOR INFORMATION CONTACT OUR OFFICES.

Certain Dangerous Goods articles could be carried by passengers but with special precautions and prior advise to Air Malta. These articles are:

- **Alcoholic beverages:** In receptacles not exceeding 5 litres.
- **Non-Radioactive** medicinal or toilet articles.
- **Hair Curlers containing hydrocarbon gas:** Only one per passenger.
- **Dry-ice:** Maximum of 2.5 kgs per passenger.
- **Safety Matches or a lighter:** only one permitted on one's person.
- **Small carbon dioxide cylinder:** worn by passengers for the operation of mechanical limbs.
- **Radioisotopic cardiac pacemakers:** implanted into a person.
- **Sporting ammunition:** securely boxed, maximum of 5kgs per passenger.
- **Wheelchairs battery operated:** Contact Air Malta for instructions.
- **Small medical thermometer:** when containing mercury only one and to be carried in its own case.

If unsure please do not take risks but contact Air Malta for further advice.
