PRINCIPAL EVENTS IN MALTA

November — The **Golden Knight International Film Festival**, for all sub-standard gauges, is open to local and foreign film-making enthusiasts.

13th December is **Republic Day**, a milestone in the history of Malta, which became a Republic in 1974. Festivities include a sports festival and a national parade. The main streets of the capital are specially decorated and illuminated for the occasion.

December — **Christmas** in Malta is, as in most Christian countries, a family feast, with cribs forming an integral part of home decorations. Shop windows are at their best and, coupled with the special lighting and street decorations, add to the festive mood of Yuletide.

February — **Horse-racing**: Lady Jockeys Malta Meeting. Lady jockeys from the UK, Italy, Channel Islands, Germany and France compete in flat races for the Champion of Champions Cup at the Marsa Race Track.

March — International PRO/AM Golf Tournament between local and foreign teams at the Marsa Golf Course (18 holes).

31st March — **National Day** commemorates the day in 1979 when the last foreign military bases on the Island closed down. Activities range from sports meetings through boat races to an International Song Festival at the Mediterranean Conference Centre in Valletta. There are also band marches.

April — **Holy Week Pageants**: Processions are held in the afternoon of Good Friday, in some fourteen towns and villages. Life-size statues are carried in procession, with participants dressed in period costumes, depicting episodes from the Old Testament and from the Life and Passion of Jesus Christ.

Easter Sunday: Morning processions with the statue of the Risen Christ are held in five towns and villages. The statue, accompanied by a brass band, is carried shoulder-high by youths at a run. A festive atmosphere prevails during Easter morning; it is customary for relatives to call at each other's homes, wishing one another "Happy Easter". Easter eggs and the "figolli" (an ornate local sweet) delight the youngsters.

International Tennis Tournament at the Marsa Sports Club.

International Archery Tournament for the Double FITA Star at the Marsa Sports Club, with local archers joining participants from Eastern and Western European countries.

International Book Fair at the Mediterranean Conference Centre.

1st May — **Labour Day** celebrations in various parts of the Island.

May — The three days of **Carnival** festivities, held mainly in Valletta, date as far back as 1535 when the Knights of St John introduced Carnival in Malta. This festival of fun includes dancing competitions in elaborate costumes, band marches, decorated trucks and grotesque masks. Special features are "Il-Parata" (a sword dance commemorating Malta's defeat of the besieging Turks in 1565), "Il-Maltija" (Malta's national dance), and other dances by companies in costume from a number of countries.

June — The **International Air Rally of Malta** for light aircraft, held at Luqa International Airport, with the participation of aircraft from various countries.

June — **L-Imnarja**, a folk-cum-harvest festival held at Buskett Gardens, limits of Rabat. This is an all-night traditional Maltese "festa" with folk-music, dancing and impromptu Maltese folk singing.

This feast originated in the Middle Ages. The word "Mnarja" is derived from "luminaria" (lighting up), because on the eve and on the feast-day itself, the countryside and bastions around Mdina, Malta's ancient capital, used to be illuminated by "fjakkoli" (torches made of sand mixed with oil and animal fat).

July — International Arts Festival.

August — **International Waterpolo Tournament**, held around the 8th September. The Islands commemorate the unsuccessful attempt by the Turks to conquer them in 1565, and the raising of the more recent siege in 1943 after three years of heavy bombardment by the Axis Powers.

Water events are held in Grand Harbour, the main attraction being the **Regatta** which includes several boat races. Known as "dghajjes", these Maltese boats are sleek, gaily-painted, oar-propelled taxi-boats. It is said that their design originated in Phoenician times, circa 800 BC.

October — International yachting: the now-famous **Middle Sea Race** is in the Annual Calendar of Yacht Races for yachts of Class A, Class I to V. This 634-mile race takes the yachts from Malta around Lampedusa, Pantalleria, Sicily and back. It is organised by the Valletta Yacht Club with the assistance of the Royal Ocean Racing Club.

Other activities throughout the year include international and specialised trade fairs, numerous land and water sports events, choral and orchestral concerts, drama, ballet and piano recitals by performers of world renown. April and May are the traditional months for flower and agrarian exhibitions.

Practically every weekend from April to September, numerous parishes celebrate the feasts of their respective Patron Saints. Each festa, starting from Friday evening till Sunday evening, incorporates colourful street decorations, band marches, fireworks and general illuminations. The climax is reached when the statue of the Patron Saint is carried shoulder-high in procession through the parish streets. The parish church, embellished with damask and silver and gold articles, makes a very impressive sight indeed.

Wind surfing is becoming one of the most popular water sports in Malta. Wind surfing boards can be hired from various beach establishments; instructors for beginners are also available.
