A WEIGHT OFF YOUR MIND...
AND A WAIT OFF YOUR MIND!

With its network of scheduled destinations, Air Malta has always been by far the quickest and most flexible way of moving cargo out of Malta. And now, with a freighter only service to Frankfurt, large consignments can now speed around the world at 500 miles an hour rather than 12 knots or 40 miles per hour.

That should take a substantial weight off your mind. Not to mention a real wait off your mind!

Contact your cargo agent or Air Malta direct today for further details.

YOUR REQUIREMENTS

If you have any particular requirements on your travels, for example, baby food, space for a crib, a wheelchair or a special menu, we will gladly provide for your needs, if only you ask in time.

Make your request when booking your flight. That will allow us to make the necessary arrangements to give you the best service.

If you wait until the last minute and make your request only after you arrive at the airport, it may not always be possible for us to provide for your personal requirements.

Please help us to serve you better.
