ABOUT THE TIMETABLE

All main schedules are laid out to be read downwards from airport of origin to airport of termination.

The 24-hour clock is used throughout. Times from midnight (0001) to midday (1159) are shown in light-faced italic type; those from midday (1200) to midnight (2400) are in bold-faced type. All times quoted are local times applicable at the airport of call.

G.M.T.

The column on the left of the schedule shows the hours each airport is fast (+) or slow (—) in relation to Greenwich Mean Time.

Fares are listed alphabetically by point of origin, and in general apply to the more direct routings available between the points concerned.

The information contained in this publication is subject to alteration without notice.

STOP PRESS SCHEDULE INFORMATION

PASSENGER INFORMATION

RESERVATIONS

Seats may be reserved through approved Travel Agents everywhere, any AIR NEW ZEALAND Booking Office or other airline office where details of passport, visas, health and customs requirements are available. When booking, you may arrange to break your journey at one or more places and still enjoy the benefit of through fares. Refund of full fare if reservations are cancelled or transferred at short notice cannot be guaranteed.

RECONFIRMATION OF RESERVATIONS

The attention of all passengers is drawn to the International Regulations concerning re-confirmation of return or onward reservations printed in full detail in the information pages of passenger tickets.

YOUR TICKET

Your ticket is issued subject to our General Conditions of Carriage for Passengers and Baggage, a copy of which is available at AIR NEW ZEALAND Offices. Conditions of Contract are printed on the inside cover of your ticket.

Your ticket shows the time you are required to report at the City Terminal or Airport. In the interests of all passengers these times have been very carefully calculated and to avoid inconvenience to yourself and others they should be closely observed.

GROUND TRANSPORT

In most countries a charge is made for transport between Airport and City Terminals.

FARE CONCESSIONS

Return tickets, First or Economy Class, cost 5% less than two single fares and are valid for one year. A similar reduction is available on round-the-world travel.

Parties travelling together with a common interest other than travel may apply for a group rebate which is available in some areas.

Children aged two years and under twelve years may travel for half the adult fare when accompanying an adult.

One infant under two years of age accompanied by an adult passenger, but not occupying a seat, may travel for 10% of the adult fare. Each additional child under two years of age occupying a seat will be charged half the adult fare. Ages are taken as at the beginning of the outward journey.

Family Plan fares for travel between New Zealand and Australia are available.

Excursion Fares available between New Zealand and some Pacific islands. Enquire for details.

BAGGAGE

Free allowance on international services: on First Class services the free baggage allowance is 66 lb (30 kilos) and on Economy Class is 44 lb (20 kilos) for adults and children paying half fare.

If you are travelling in a party you may bulk your baggage with that of the others and take advantage of the collective free baggage allowance providing all members of the group report for travel (with baggage) at the same time and place.

Personal Items

In addition to the free allowance, the following items may be carried free of charge: a lady's handbag, lady's pocketbook or lady's purse, i.e., which is appropriate to normal travelling dress and is not being used as a container for the transportation of articles which would otherwise be regarded as baggage, an overcoat, wrap or blanket, an umbrella or walking stick, a small camera and/or a pair of binoculars which may be used on all AIR NEW ZEALAND services except when over certain restricted areas about which the Cabin Attendant will advise you, a reasonable amount of reading matter for the flight, infants' food for consumption in flight, infants' carrying basket and a fully collapsible invalid's wheelchair and/or a pair of crutches, and/or braces or other prosthetic devices for the passenger's use, provided that the passenger is dependent upon them.

FOR FURTHER INFORMATION PLEASE ENQUIRE FROM YOUR TRAVEL AGENT OR ANY AIR NEW ZEALAND OFFICE

To comply with an agreement between International Airline Carriers, brief cases, typewriters, large cameras, cabin bags, personal radios, ladies' cosmetic or vanity cases, hat boxes and all other articles must be included in the baggage weight and are therefore subject to excess baggage charges.

EXCESS BAGGAGE

A charge will be made for baggage carried in excess of the free baggage allowance at the rate of 1% of the adult First Class one-way fare, per kilogram (2.205 lb.).

BAGGAGE CARRIED AS CARGO

On some routes certain personal effects if presented to an Air Cargo Office before the passenger's departure may be forwarded as air cargo at substantial savings. Rates are based on 50% of normal cargo rates.

PASSPORT AND HEALTH CERTIFICATE

On most international journeys it is necessary for you to carry a valid passport containing visas where appropriate for the countries you pass through. Also, to comply with regulations in these countries, you may need valid health certificates indicating that you have been inoculated against certain diseases within a stipulated period before arrival. We shall be glad to advise you fully of the requirements for your trip and assist in completing these formalities.

CURRENCY

Most Governments restrict the amount of currency which may be taken into or out of their countries. The carriage of notes or coinage is particularly restricted. You are, therefore, recommended to carry your main funds in the form of travellers' cheques or letters of credit.

SPECIAL FOOD OR DIET

Passengers requiring special foods or diets are asked to make their requirements known at the time of booking so that arrangements can be made to fulfil their requests.

RENT-A-CAR PLANS

Passengers travelling on AIR NEW ZEALAND services may book rental cars to be available at destination airports.

UNIVERSAL AIR TRAVEL PLAN

Any Travel Agent or AIR NEW ZEALAND Office will be pleased to honour air travel cards issued under this plan.

FLY BEFORE YOU PAY

Credit facilities are available for travel on AIR NEW ZEALAND journeys. Enquire at any AIR NEW ZEALAND Office or Agent for details of deposits and monthly payments.

AIR CARGO INFORMATION

CARGO RATES

In common with all other members of the International Air Transport Association and Civil Aviation Board, AIR NEW ZEALAND quotes cargo rates per kilogram. One kilogram is equivalent to 2.205 lb.

CARGO CONCESSIONS

A reduction of 25% is available on amounts weighing 45 kilos (100 lb.) or more.

Special reduced rates are available for certain commodities. Full details of these concessions are available at AIR NEW ZEALAND Cargo Agents and Offices.
