Ukraine International has announced the introduction of a **new bus service** which will transfer passengers to and from Kiev's Borispol Airport.

- Coaches now operate to meet all departures and arrivals of Ukraine International Airlines flights at Borispol Airport and each coach journey has been allocated as "PS" flight number.

- Reservation for the bus must be made at the same time as the flight is booked.

- The bus, which will pick up and drop passengers at the *Hotel "Tourist" and the Hotel "Rus"* in the centre of Kiev, is offered **free of charge** to all **Business Class passengers** and is available at a small charge to Economy Class passengers.

Adult	- USD10.00 one way
Child (under 12)	- USD 8.00 one way
Infant	- Free of charge

We expect the service to be in demand throughout the week, and see it as yet another very good reason for passengers to use Ukraine International Airlines when traveling to Kiev from all Europe.

Effective period 26 MAR-28 OCT

RESERVATIONS OF SEATS

Passengers are requested to reserve their seats well in advance. This can be done at any airline office or travel agency. A confirmed seat is indicated in the "reservation status" box of the tickets by code "OK". Code "RQ" indicates that it has not yet been possible to confirm the requested seat.

CANCELLATION OF SEATS

Please cancel your reservation if there is a change in your travel plans. Should you not make use of a confirmed booking all further reservations may be automatically cancelled.

VALIDITY OF TICKET

The ticket for business or class fare is valid one year from the date of commencement of flight on the first sector of the whole journey. In the case of issuing the ticket for economy class both one year and special fares are valid which involve certain restrictions of validity. When booking of changing reservations, it is necessary to advise the airline or travel agent of the special fare. Failure to do so may result in inconvenience and additional cost to the passenger.

CHILDREN AND INFANTS

Infants under two years of age not occupying a separate seat are carried at 10 per cent of the adult fare and have no free baggage allowance. Children between 2 and 12 years of age pay 50 per cent of the adult fare or 67 per cent of the special adult fare. They have the right to their own seat and to full free baggage allowance.

YOUNG PEOPLE AND STUDENTS

25 per cent discounts may be granted to these passengers for certain destinations (Europe, Europe-Middle East). For detailed information regarding fares, contact Air Ukraine Office or your agent.

BAGGAGE, WEIGHT SYSTEM

The free baggage allowance for checked and unchecked baggage is 40 kg for passengers entitled to travel first class, 30 kg in the business class and 20 kg in the economy class. The charges for excess baggage per kilo amount to 1 per cent of the direct first class one-way fare. The excess baggage is carried in the same aircraft provided the necessary space is available or has been reserved in advance. In addition to the above free baggage allowance each passenger may carry in the aircraft cabin the following articles free of charge: lady's hand-bag, overcoat, blanket, umbrella or walking stick, reasonable amount of reading matter for the flight, infant's carrying basket and fully collapsible invalid's wheelchair and/or any medical aid on which the passenger is dependent.

The unchecked articles are carried under the care and responsibility of the passenger. A baggage claim tag is issued to the passenger as confirmation of receipt of the transportation of the checked baggage.

Prior to check-in, each piece of baggage should be clearly marked with your permanent/temporary address - both inside and outside. The name on the bag must be the same as that on the passenger's ticket. Baggage should be properly locked to avoid its opening during carriage. Carrier will not be liable for baggage not collected immediately upon arrival.

BAGGAGE PIECE SYSTEM

Air Ukraine applies the baggage piece system on its flights on transatlantic routes. Please contact the Air Ukraine Office or your agent for further details.

RESTRICTED ARTICLES

Dangerous goods and articles can be carried only subject to special condition.

For safety reasons articles or materials which are dangerous or subject to special transport condition may be carried only under carrier approval.

These regulations apply principally to compressed gasses (flammable/ non-flammable), corrosive materials, explosives, ammunition, weapons, easy flammable materials, oxidizing materials, magnetized materials, radioactive materials and other materials as listed in the IATA Dangerous Goods Regulation. Sporting and hunting weapons can only be accepted as registered baggage. Weapons must be unloaded, with safety catch engaged and suitably packed. For further information, please apply to the Air Ukraine Office or your agent.

CARRIAGE OF SICK PASSENGERS

Sick and invalid passengers and expectant mothers can be transported only when all conditions stipulated by the carrier are complied with.

PASSPORTS, VISAS, HEALTH REGULATIONS

Both Air Ukraine and travel agencies will be pleased to give detailed information concerning the passport, visas, health and/or other regulations. Nevertheless, they cannot accept responsibility for passengers being improperly or insufficiently documented. Without proper passport, visa and health documentation as required by countries of exit, transit and entry the passenger may not be accepted for transportation.

AIRPORT TAX

At many airports an airport tax in cash is collected from passengers prior to departure.

БРОНЮВАННЯ МІСЦЬ

Пасажирам пропонується бронювання місця завчасно. Із заявками можна звертатися у будь-яке агентство Авіакомпанії чи у бюро подорожей. Підтверджене місце позначається у відповідній графі квитка кодом "OK". Код "RQ" свідчить, що підтвердити потрібне місце поки не є можливим.

ВІДМІНА БРОНЮВАННЯ

Просимо Вас скасувати бронювання, якщо Ваші плани змінилися. Якщо Ви не скористалися ствердженням замовленням, то усе ваше подальше бронювання буде автоматично скасовано.

ДІЙСНІСТЬ КВИТКА

Квитки, сплачені за тарифами бізнес класу, дійсні протягом року від дня вильоту пасажирів. У разі оформлення квитка за економічним класом може бути використаний як річний тариф, так і спеціальний, який припускає певні обмеження у строках дійсності квитка. Бронюючи місце чи змінюючи бронювання, потрібно поінформувати Авіакомпанію або турагента про оформлення квитка з використанням спеціального тарифу. Невиконання цього може привести до деяких незручностей та додаткових витрат для пасажирів.

ДІТИ

Діти до 2 років, які не займають окремого місця, перевозяться з оплатою 10 % вартості дорослого квитка і не мають права на безкоштовне перевезення багажу. За дітей від 2 до 12 років сплачують 50% вартості дорослого квитка або 67% вартості дорослого квитка для спеціального тарифу. Вони мають право на окреме місце і на безкоштовне перевезення багажу.

МОЛОДЬ ТА СТУДЕНТИ

25% знижки мають тарифи, на рейси до Європи чи до Близького Сходу. Більш детальну інформацію відносно цих знижок Ви в змозі одержати в агентстві Авіакомпанії чи у Вашого турагента.

БАГАЖ "ВАГОВА СИСТЕМА"

Дозволяється безкоштовно перевозити багаж (zareestrovaniy чи ni) вагою 40 кг для осіб, які летять першим класом, 30 кг для бізнес класу та 20 кг для економічного класу. За 1 кг наднормативного багажу сплачується 1% вартості одного прямого тарифу першого класу в один бік. Наднормативний багаж перевозиться тим же літаком, якщо у ньому є вільне або завчасно заброньоване місце. У доповнення до вище означених норм безкоштовного перевезення багажу кожний пасажир може провозити безкоштовно такі речі: дамську сумочку, пальто, плед, парасольку або палицю, літературу для читання у польоті, кошик для перенесення немовляти, складану інвалідну коляску або будь-який предмет медичного призначення, без якого пасажир не може обійтися у польоті. За незареєстровані речі пасажир несе відповідальність сам. Пасажир одержує багажну бірку як підтвердження, що zareestrovaniy багаж прийнято для транспортування. Перед реєстрацією на кожному місці багажу повинна бути чітко написана постійна або тимчасова адреса - усередині і зовні. На багажі пасажир повинен написати те ж саме прізвище, що зазначене у квитку. Багаж повинен бути надійно закритим, щоб він не відкрився за час польоту. Авіакомпанія не несе відповідальності за збереження багажу, не отриманого одразу після прильоту.

БАГАЖ, СИСТЕМА ПО "КІЛЬКОСТІ МІСЦЬ"

Авіалінії країни застосовують на трансатлантичних маршрутах багажну систему "по кількості місць". Пропонуємо звертатися у агентство Авіакомпанії чи до свого турагента за докладною інформацією.

РЕЧІ, ЯКІ ОБМЕЖЕНІ ДЛЯ ПЕРЕВЕЗЕННЯ У БАГАЖІ

Небезпечний багаж перевозиться тільки при спеціальних умовах. Для збереження небезпечні речі та матеріали вимагають спеціальних транспортних умов і можуть перевозитися тільки зі згоди Авіакомпанії. Ці правила головним чином стосуються стиснутих газів (які запалюються чи ні), матеріалів, які піддаються корозії, вибухових речовин, боєприпасів, зброї, матеріалів, які мають магнітні властивості, радіоактивних матеріалів, ртуті, отрути та іншого із списку небезпечних матеріалів ІАТА. Спортивні та мисливські рушніці можуть бути прийняті тільки серед zareestrovaniy багажу. Рушніці повинні бути розряджені і спеціально запаковані. За подальшою інформацією пропонуємо звертатися до агентства Авіакомпанії або до свого турагента.

ПЕРЕВЕЗЕННЯ ХВОРИХ ПАСАЖИРІВ

Хворі пасажири, інваліди, вагітні жінки перевозяться, якщо виконані всі умови, зазначені Авіакомпанією.

ПАСПОРТИ, ВІЗИ, МЕДИЧНІ СЕРТИФІКАТИ

Як Авіакомпанія, так і бюро подорожей будуть раді запропонувати докладну інформацію про оформлення паспортів, віз, медичних сертифікатів та інших документів, але вони не можуть нести відповідальності за пасажирів, в яких невірно оформлені документи. Без правильного оформлення паспорта, візи або медичного сертифіката, як того вимагає сторона виїзду, транзиту чи в'їзду, пасажир може бути не прийнятим до перевезення.

АЕРОПОРТОВІ ЗБОРИ

В багатьох аеропортах аеропортові збори готівкою пасажири сплачують перед вильотом в іншу державу.
