HOW TO USE THIS TIMETABLE

The schedule tables shown in this timetable are arranged in alphabetical country order (Austria to USSR) and all timings are in local time.

To find the table for your journey, refer to the index of tables at the front of the timetable.

Tables are set out showing outward and homeward flights on facing pages. Details of town terminals (🚗), surface transport fares and airport check-in times are given in the heading above each table. Coach departure times where applicable, are quoted against each flight.

Each table shows the non-stop or through services between two points. In certain cases, additional transfer services are included which involve a change of aircraft en route. No transfer times are given at intermediate points on a through flight, the only exception being flights via Athens where there is a change of flight number.

To obtain connections to/from principal UK points via London, Heathrow Airport, refer to pages 104-117.

GENERAL INFORMATION FOR PASSENGERS

CONDITIONS OF CARRIAGE AND REGULATIONS The carriage of passengers, baggage and cargo is subject to BEA's General Conditions of Carriage and Regulations, which may be seen on request at any BEA Office. The notes below are for general guidance and reference should be made to the appropriate Conditions or Regulations for full details. It is impossible in the space available here to give more than an outline of points for your guidance. Your Travel Agent, or any BEA Office, will gladly supply additional information and offer you every possible assistance in connection with your journey

RESERVATIONS AND CANCELLATIONS Seats should be reserved as far in advance as possible through any BEA Booking Office or Agent. If you have to cancel or defer your reservation, please let us know as early as possible and return your ticket

We cannot guarantee refund of fare for a reservation cancelled or transferred at short notice. A passenger failing either to cancel his reservation or to check-in in time to join the international flight on which he is booked will incur a forfeiture of 25 per cent of the single fare (minimum forfeiture £2 or full fare if less than £2). If seats for a return journey cannot be reserved within the validity of a return ticket, the full one-way fare will apply to the outward journey and any application for refund will only be dealt with on this basis. Passengers travelling to Cyprus, or to points in the Middle East and North Africa, must re-confirm their return or onward reservations. You will be given full details when buying your ticket

SKYCOTS Arrangements may be made in advance for Skycots to be available on BEA aircraft for infants of up to 12 months old. Skycots can be provided on certain Trident, Comet and Vanguard international flights of not less than 90 minutes duration, operating from and to London, Heathrow Airport. Full details on request

CATERING Special religious, health, vegetarian or infant diets can be provided if 24 hours' notice is given by the passenger

UNACCOMPANIED CHILDREN Children may travel unaccompanied with the permission of their parent or guardian. In the child's interest, BEA requires that he/she be escorted to the airport of departure and met at the airport of arrival and that the names and addresses of the escorts be given at time of reservation

BEA FLY/DRIVE Facilities are available at over 90 centres on the Continent and in a number of cities within the UK. You can have a self-drive or chauffeur driven car awaiting you at the airport or your hotel. The charges vary according to country and make of car

AIR/SEA TICKET INTERCHANGE There are arrangements with a number of steamship lines for the interchange of return tickets between the United Kingdom and various places abroad. Details may be obtained on application

CURRENCY CONTROL The movement of money into and out of many countries is subject to Government control and you should consult your Travel Agent or Bank about regulations applicable to your journey well before the date of travel

STERLING VOUCHERS To enable passengers travelling on BEA or BOAC International flights to make full use of their currency allowance, BEA Sterling Vouchers may be bought to pay for purchases on board BEA or BOAC aircraft and in duty free shops at London (Heathrow), Manchester and Glasgow Airports

BEA Sterling Vouchers are sold in booklets costing 10s. 0d. Passengers may buy up to £10 worth of Vouchers. Each booklet contains five 2s. 0d. vouchers

TRAVEL DOCUMENTS It is the passenger's responsibility to ensure that the documents necessary for travel are in order, and the carrier cannot accept responsibility for the consequences of any irregularity.

Passports and Visas Your passport, containing any necessary visas, will have to be shown during your journey, so please carry it; do not pack it!

The Passport Office recommends that applications for UK passports should whenever possible be made at least 14 days before the date of travel

Health Certificates Certain countries require valid certificates of inoculation and/or vaccination. Please enquire well in advance whether any such certificates are needed for your journey

Passengers originating from Egypt, Israel, Lebanon, Libya, Morocco and Tunisia arriving in the UK must hold a valid certificate of vaccination against smallpox

BAGGAGE Your baggage should contain personal effects only, but you may carry commercial samples, provided you arrange to be at the airport for international flights not later than the time specified by the local Customs; in the United Kingdom this is 40 minutes before aircraft departure time.

GENERAL INFORMATION FOR PASSENGERS

BAGGAGE (contd.)

Prohibited Articles: Government regulations do not permit the carriage on aircraft of a number of articles including inflammable or explosive material, and you are asked not to carry with you or in your baggage articles such as cylinders of compressed gas for picnic or camping stoves, cylinders of compressed air for use with aqualungs and underwater equipment, containers of lighter fuel, explosives including blank cartridges. Instruments containing mercury (Quicksilver) should be placed in a strong polythene bag properly secured to prevent leakage. On most BEA aircraft smoking is permitted and you may carry a box of *safety* matches or a lighter with you for use on the journey

Free Allowance On International flights (including Domestic sectors forming part of an International journey) the free allowance for each adult or child paying half the adult fare is:—

Tourist class 44lb. (20kg.). First class 66lb. (30kg.)

There is no free allowance for an infant carried at 10 per cent of the adult fare, but infant's food for consumption *en route* and an infant's carrying basket are carried free of charge

Personal Items: On BEA flights one underseat case to be stowed under the passenger seat may be carried as cabin baggage, provided its dimensions do not exceed 18" × 14" × 6". (The weight of this case and of brief cases, typewriters, ladies' vanity cases and large cameras have to be included as part of the free baggage allowance under the regulations of the International Air Transport Association)

In addition to the free allowance, the following may be carried free of charge:

A lady's handbag, an overcoat, wrap or blanket, an umbrella or walking stick, a small camera, a pair of binoculars, a reasonable amount of reading matter for the flight, an invalid's fully collapsible wheel chair and/or a pair of crutches and/or braces or other prosthetic device for the passenger's use, provided that the passenger is dependent upon them

Excess Weight: Baggage in excess of the free allowance may be carried, subject to space being available, at the rates shown in this timetable

Unaccompanied Baggage: By arrangement with BEA Cargo Offices, unaccompanied baggage may be sent as cargo at normal cargo rates. In addition customs clearance, handling and/or cartage charges are payable

CAMERAS The use of cameras in aircraft is subject to restrictions over some countries. If you wish to take photographs from the air please ask the steward

PORTABLE ELECTRONIC EQUIPMENT Passengers on BEA aircraft may use hearing aids, heart pacemakers, portable dictating machines or tape recorders provided these are not used for playing music through a loudspeaker. The use of all other forms of portable electronic equipment, including radio sets, is not allowed, because of possible interference with the aircraft's radio equipment

INSURANCE Under the Conditions of Carriage BEA accepts no liability for the loss of jewellery and money contained in checked (registered) baggage. You are advised to keep valuable articles and money either on your person or in your hand baggage. You can purchase Personal and Baggage Insurance at BEA offices in the United Kingdom and in most countries abroad

PUNCTUALITY Every effort is made to ensure punctuality of our services, but BEA cannot accept responsibility for the consequences of a delay to, or a cancellation of, any flight and cannot guarantee making connections

ANIMALS We regret that we cannot carry animals in the passenger cabins. Livestock can be carried on most routes by prior arrangement

DEPARTURES/CHECK-IN TIMES Passengers must arrive at the Town Terminal or Airport early enough for all formalities to be completed. On your ticket you will find an indication of the check-in time; this is the time by which passengers must have presented themselves and their baggage at the airline desk and have been accepted for the flight. Check-in times are shown above each table on the schedule pages of this timetable, and passengers joining at the Airport must have been accepted at the airline check-in desk before this limit is reached. Departures cannot be delayed for passengers who arrive late

SERVICES IN CO-OPERATION Most BEA services shown are in co-operation with one or more of the following airlines: Aer Lingus, Aeroflot, Air France, Alitalia, Austrian Airlines, British United Airways, CSA, Finnair, Iberia, JAT, KLM, LOT, Lufthansa, Malev, Olympic Airways, Sabena, SAS, Swissair, TAP
Cyprus Airways, Gibair and Malta Airlines services are in association with BEA

The information contained in this timetable is based on the latest information available at the time of going to press and is subject to alteration without notice. Services may be modified during national public holidays. Certain services may be subject to Government approval

The new Super One-Eleven

During 1969 BEA have been building up their fleet of new Super One-Elevens, the second generation of the famous One-Eleven jets. This supremely business-like aircraft has been dubbed the 'Open-Plan Plane'. Because it is single class throughout and because of its exceptionally light, bright and spacious interior.

You can now enjoy the spacious comfort of Super One-Elevens on flights all over Europe from Manchester, Glasgow and Birmingham as well as from London. It's all part of your Number One service from Europe's Number One airline.

Triumphant Trident Two

...Europe's No 1 jetliner

No-one could dispute that Trident Two is the most advanced jetliner flying in Europe. Its Autoland is the world's most sophisticated all-weather landing system. Another special feature is that all flight systems are triplicated. And Trident Two's three Rolls Royce Spey engines power her to effortless 610 mph cruising and make the further corners of Europe as if a Sunday afternoon's motor car ride away. So far so much better.

But we're just as proud that our passengers find Trident Two the smoothest, most comfortable jetliner they've ever flown. Which makes us all the more happy to have given them Europe's Number One plane.

SURFACE CONNECTIONS

Details of convenient road/rail services and supplementary fares to many popular resorts are given below. In most cases the coach timings have been specially arranged to provide good connections with BEA flights. Reservations for these services should be made at the same time as the air booking.

Unless otherwise stated the special surface connections shown in this timetable are not provided by the air carrier but by a local road or rail service carrier contracting directly with the passenger. However, BEA and its agents will, on request, make through bookings on these services on behalf of the passenger and will collect the supplementary fare on behalf of the local carrier when issuing a ticket for air carriage.

GENERAL INFORMATION ON INTERNATIONAL FARES

FARES Fares shown are from airport to airport only, and are available via London unless otherwise indicated.

Details of surface transport charges between town terminals and airports are shown above the relevant schedule table, and a list of airport service charges is shown following the fares tables.

The fare for a journey is normally shown in the currency of the country in which the journey commences. Payment may be accepted in other currencies subject to the existing currency regulations. Details of regulations affecting the payment of fares in any particular country may be obtained from BEA offices in the country concerned. Through fares to destinations beyond points served by BEA and any fares which are not shown in the following tables will be quoted on request.

All fares and rates are subject to alteration without notice, and the publication of a fare does not necessarily imply that BEA operates such a service.

CREDIT CARDS accepted: American Express, Barclaycard, BankAmericard, Carte Blanche, Chargex, Diners Club, Eurocard, Interbank and Sumitomo, for purchase of BEA tickets providing that approximately 50 per cent of the travel is on BEA services. (For Silver Wing Holidays only Barclaycard is accepted.)

CREDIT TRAVEL ORDERS Credit Travel Orders are available to individuals, commercial firms and organisations which hold credit accounts with BEA.

UNIVERSAL AIR TRAVEL PLAN Any BEA Office or Agent will be pleased to honour Air Travel Cards issued under this Plan.

CHILDREN An infant under two years of age accompanied by an adult and not occupying a separate seat is carried at 10 per cent of the adult fare. Additional infants under two years of age accompanying the same adult, infants under two years of age occupying a separate seat, and children of two years of age and above but under 12 years of age, are carried at half the adult fare.

STUDENTS Special reduced fares are available for students between the ages of 12 and 25 inclusive, attending full-time school, college, university courses or other

educational institutes, when travelling between place of education and home.

YOUTH FARES A discount of 25 per cent on all Normal Tourist Single, Return or Circle Trip fares is available to young people between the ages of 12 and 21 inclusive. The discount is not available for journeys between the U.K. and the Republic of Ireland or on German Internal Services, or outside Europe.

PARTY TRAVEL When a party of 10 or more adult members (two children at half fare count as one adult) of a sports club, society or other similar group travel together to the same destination, a rebate will be granted on receipt of written application well before the date of travel. The amount of the rebate is 5 per cent on each ticket for parties of 10 to 14 adults: 10 per cent for parties of 15 or more. This rebate, which is available for travel between most European countries and within the British Isles, can be applied to normal single, return, circle trip or open jaw tickets and to most excursion fares.

STOPOVERS You may break your journey at most places *en route* without losing the benefit of the through fare, provided you give notice when you make the reservation. Hotel expenses at each stopover are your responsibility.

SKI-ING EQUIPMENT One pair of skis, sticks and boots in excess of the free baggage allowance may be carried at a special rate equivalent to 2 kg of excess baggage.

GOLFING EQUIPMENT In addition to the normal free baggage allowance, golfing equipment up to 15 kg contained in not more than one golf bag and including one pair of golfing shoes may be carried at a special rate equivalent to 4 kg of excess baggage.

ANGLING EQUIPMENT On routes between the United Kingdom and the Republic of Ireland, in addition to the normal free baggage allowance, angling equipment up to 15 kg contained in not more than one tackle bag, haversack, or angler's basket, and one rod bag or box, may be carried at a special rate equivalent to 4 kg of excess baggage (Aer Lingus accept rods in a rigid container only).
