GENERAL INFORMATION FOR PASSENGERS

CONDITIONS OF CARRIAGE AND REGULATIONS The carriage of passengers, baggage and cargo is subject to BEA or British Air Services (BAS) General Conditions of Carriage Regulations which may be seen on request at any Sales Office. The notes below are for general guidance and reference should be made to the appropriate Conditions or Regulations for full details. It is impossible in the space available here to give more than an outline of points for your guidance. Your Travel Agent, BEA or BAS Office, will gladly supply additional information and offer you every possible assistance in connection with your journey

RESERVATIONS AND CANCELLATIONS Seats should be reserved as far in advance as possible through any BEA or BAS Booking Office or Agent. If you have to cancel or defer your reservation, please let us know as early as possible and return your ticket

We cannot guarantee refund of fare for a reservation cancelled or transferred at short notice. A passenger failing either to cancel his/her reservation or to check-in in time to join the international flight on which he/she is booked will incur a forfeiture of 25 per cent of the single fare (minimum forfeiture £2 or full fare if less than £2). If seats for a return journey cannot be reserved within the validity of a return ticket, the full one-way fare will apply to the outward journey and any application for refund will only be dealt with on this basis. Passengers travelling to Cyprus, or to points in the Middle East and North Africa, must re-confirm their return or onward reservations. You will be given full details when buying your ticket

SKYCOTS Arrangements may be made in advance for Skycots to be available on BEA aircraft for infants of up to 12 months old. Skycots can be provided on certain Trident, Comet and Vanguard international flights of not less than 90 minutes duration, operating from and to London, Heathrow Airport. Full details on request

UNACCOMPANIED CHILDREN Children aged between 6 and 11 years inclusive may travel unaccompanied with the permission of their parent or guardian. In the child's interest, we require that he/she be escorted to the airport of departure and met at the airport of arrival and that the names and addresses of the escorts be given at time of reservation. For children under 6 years of age, special regulations apply

BEA FLY/DRIVE Facilities are available at over 100 centres on the Continent and in most cities in the UK. You can have a self-drive or chauffeur driven car awaiting you at the airport or your hotel. The charges vary according to country and make of car

AIR/SEA TICKET INTERCHANGE There are arrangements with a number of steamship lines for the interchange of return tickets between the United Kingdom and various places abroad. Details may be obtained on application

CURRENCY CONTROL The movement of money into and out of many countries is subject to Government control and you should consult your Travel Agent or Bank about regulations applicable to your journey well before the date of travel

TRAVEL DOCUMENTS It is the passenger's responsibility to ensure that the documents necessary for travel are in order, and the carrier cannot accept responsibility for the consequences of any irregularity

Passports and Visas Your passport, containing any necessary visas, will have to be shown during your journey, so please carry it; do not pack it!

The Passport Office recommends that applications for UK passports should whenever possible be made at least 14 days before the date of travel

Health Certificates Certain countries require valid certificates of inoculation and/or vaccination. Please enquire well in advance whether any such certificates are needed for your journey

Passengers originating from Egypt, Israel, Lebanon, Libya, Morocco and Tunisia arriving in the UK must hold a valid certificate of vaccination against smallpox

BAGGAGE Your baggage should contain personal effects only, but you may carry commercial samples, provided you arrange to be at the airport for international flights not later than the time specified by the local Customs; in the United Kingdom this is 40 minutes before aircraft departure time

Dangerous Articles: Certain articles are potentially dangerous when carried by air. These include articles made from or containing inflammable or explosive material, such as containers of lighter fuel, cylinders of compressed gas for picnic or camping stoves, aqualungs, diving

GENERAL INFORMATION FOR PASSENGERS

BAGGAGE (contd.)

equipment, etc, bullets, cartridges, fireworks, etc. Matches may be carried on the person but must not be packed in baggage. Instruments containing mercury (quicksilver) must be sealed in a strong polythene bag in order to prevent leakage.

Free Allowance On International flights (including Domestic sectors forming part of an International journey) the free allowance for each adult or child paying half the adult fare is:-

Tourist class 44lb. (20kg.). First class 66lb. (30kg.)

Weigh-in of baggage is only applied on BEA services FROM the UK if the baggage is in excess of one large piece, of which the three dimensions when added together do not exceed 67 inches, and/or one other case, of which the three dimensions when added together do not exceed 39 inches. The latter may be taken into the cabin, if the measurements do not exceed 18" X 14" X 6".

This weigh-in exception also applies to BEA services FROM France, Germany (Berlin to London and all German Internal Services), Gibraltar, Greece (Athens, Corfu, Rhodes only), Italy, Malta, the Republic of Ireland and Turkey (Ankara and Istanbul). It does not apply to services to Nicosia and Tel Aviv.

In addition the following will be carried free of charge; a lady's handbag, an overcoat, wrap or blanket, an umbrella or walking stick, a small camera, a pair of binoculars, a reasonable amount of reading matter and any prosthetic device(s) provided that the passenger is dependent on it (them). There is no free allowance for an infant paying 10 per cent of the adult fare, although food for consumption *en route* and a carry cot will be carried free of charge

Excess Baggage will be carried at the published rates, subject to space availability on the aircraft

Unaccompanied Baggage: By arrangement with Cargo Offices unaccompanied baggage may be sent as cargo at normal cargo rates. In addition customs clearance, handling and/or cartage charges are payable

CAMERAS The use of cameras in aircraft is subject to restrictions over some countries. If you wish to take photographs from the air please ask the steward

PORTABLE ELECTRONIC EQUIPMENT Passengers may use hearing aids or heart pace-makers; in addition dictating machines or tape recorders may be used provided that they are not used for playing music. The use of all other forms of portable electronic equipment, including radio sets, is not allowed, because of possible interference with the aircraft's radio equipment

ANIMALS We regret that we cannot carry animals in the passenger cabins. Livestock can be carried on most routes by prior arrangement

PUNCTUALITY Every effort is made to ensure punctuality of our services, but we cannot accept responsibility for the consequences of a delay to, or a cancellation of, any flight and cannot guarantee making connections

INSURANCE Under the Conditions of Carriage we accept no liability for the loss of jewellery and money contained in checked (registered) baggage. You are advised to keep valuable articles and money either on your person or in your hand baggage. You can purchase Personal and Baggage Insurance at BEA or BAS offices in the United Kingdom and in most countries abroad

DEPARTURES/CHECK-IN TIMES Passengers must arrive at the Town Terminal or Airport early enough for all formalities to be completed. On your ticket you will find an indication of the check-in time; this is the time by which passengers must have presented themselves and their baggage at the airline desk and have been accepted for the flight. Check-in times are shown above each table on the schedules pages of this timetable, and passengers joining at the Airport must have been accepted at the airline check-in desk before this limit is reached. Departures cannot be delayed for passengers who arrive late

SERVICES IN CO-OPERATION Most BEA services shown are in co-operation with one or more of the following airlines: Aer Lingus, Aeroflot, Air France, Alitalia, Austrian Airlines, Balkan, BOAC, CSA, Finnair, Iberia, Icelandair, JAT, KLM, LOT, Lufthansa, Malev, Olympic Airways, Sabena, SAS, Swissair, TAP, Tarom, THY. Cyprus Airways, Gibair and Malta Airlines services are in association with BEA

The information contained in this timetable is based on the latest information available at the time of going to press and is subject to alteration without notice. Services may be modified, e.g. during national public holidays. Services and fares may be subject to A.T.L.B. or Government approval.

Every Tuesday and Friday BEA flies non-stop to Sofia from Belgrade. The journey takes a little under an hour; and our first-class Sovereign Service is available on all flights.

Enjoy your flight with us. Then spend the night with us.

Here's another No.1 service from BEA.

We've formed the BEA Sovereign Hotel Group: Plaza Athénée, George V and the La Trémouille in Paris, the Phoenicia and the Imperial in Malta, and the Excelsior in Manchester and Birmingham. Other hotels in the group are still being built - the Golden Sands in Cyprus, the Excelsior in Glasgow, the Excelsior in Malta and the Schiphol Hilton in Amsterdam.

These special hotels will make it far easier for businessmen to find top-flight accommodation in Britain and Europe; and most of the hotels have excellent facilities for conferences.

GENERAL INFORMATION ON INTERNATIONAL FARES

FARES All fares and rates are subject to alteration without notice, and the publication of a fare does not necessarily imply that BEA operates such a service. The fares shown apply to the schedules shown in this timetable.

Fares shown are from airport to airport only, and are available via London unless otherwise indicated.

Details of surface transport charges between town terminals and airports are shown above the relevant schedule table, and a list of airport service charges is shown following the fares tables.

The fare for a journey is normally shown in the currency of the country in which the journey commences. Payment may be accepted in other currencies subject to the existing currency regulations. Details of regulations affecting the payment of fares in any particular country may be obtained from BEA offices in the country concerned. Through fares to destinations beyond points served by BEA and any fares which are not shown in the following tables will be quoted on request.

CREDIT CARDS accepted by BEA offices: American Express, American Torch Club, Barclaycard, BankAmericard, Carte Blanche, Chargex, Diners Club, Eurocard, Interbank, Sottomayor and Sumitomo, for purchases of BEA tickets. (Many of our Travel Agents will also accept these cards.) For Golden Wing and Silver Wing Holidays, Barclaycard can be used, through BEA offices only.

CREDIT TRAVEL ORDERS Credit Travel Orders are available to individuals, commercial firms and organisations which hold credit accounts with BEA.

UNIVERSAL AIR TRAVEL PLAN Any BEA Office or Agent will be pleased to honour Air Travel Cards issued under this Plan.

CHILDREN An infant under 2 years of age accompanied by an adult and not occupying a separate seat is carried at 10 per cent of the adult fare. Additional infants under 2 years of age accompanying the same adult, infants under 2 years of age occupying a separate seat, and children between the ages of 2 and 11 inclusive are carried at half of the adult fare.

STUDENTS Students over 12 years of age and under 26 (students resident in Iceland under 31) years of age are eligible for special reduced fares provided a BEA certificate, or one that supplies equivalent information, is submitted from an Educational Authority certifying the student's age and the enrolment requirements, etc. Students are also eligible for Youth fares.

YOUTH FARES Passengers over 12 years of age and under 22 years of age will be given a discount of 25 per cent on all Normal Tourist Single, Return or Circle Trip fares (not Excursion fares). The discount is not available for journeys between the U.K. and the Republic of Ireland or on German Internal Services, or outside Europe. Proof of age may be needed at the time of purchase of the ticket, e.g. birth certificate, passport or other official document.

PARTY TRAVEL When a party of 10 or more adult members (two children at half fare count as one adult) of a sports club, society or other similar group travel together to the same destination, a rebate will be granted on receipt of written application well before the date of travel. The amount of the rebate is 5 per cent on each ticket for parties of 10 to 14 adults: 10 per cent for parties of 15 or more. This rebate, which is available for travel between most European countries and within the British Isles, can be applied to normal single, return, circle trip or open jaw tickets and to most excursion fares.

STOPOVERS You may break your journey at most places *en route* without losing the benefit of the through fare, provided you give notice when you make the reservation. Hotel expenses at each stopover are your responsibility.

GOLFING EQUIPMENT In addition to the normal free baggage allowance, golfing equipment up to 15 kg contained in not more than one golf bag and including one pair of golfing shoes may be carried at a special rate equivalent to 4 kg of excess baggage.

ANGLING EQUIPMENT On routes between the United Kingdom and the Republic of Ireland, in addition to the normal free baggage allowance, angling equipment up to 15 kg contained in not more than one tackle box, haversack, or angler's basket, and one rod bag or box, may be carried at a special rate equivalent to 4 kg of excess baggage (Aer Lingus accept rods in a rigid container only).

Passengers purchasing return tickets will be charged either the sum of half the return fares in effect at the date of commencement of outward travel, or the sum of half the return fares applicable on the dates of outward and inward travel, whichever combination is the cheaper. Additionally,

in cases where outward travel is made in a period when travel may be on any day of the week, inward travel may also take place on any day of the week within the validity of the ticket, irrespective of date of travel. Any exceptions to the above are noted against the respective fares.
