CHARTER SERVICES

Our services are designed to make chartering an aircraft for business purposes, social clubs, common interest group parties and freight, as easy as possible. Chartering a BUIA aircraft is not nearly as expensive as many people believe. Just think of one of the advantages – chartering your own aircraft means that you and your colleagues can travel direct to most airports in the U.K. or Europe in the minimum time, and you arrive fresh and ready for business or social occasions. Our fleet of reliable, comfortable Dart Herald aircraft are

capable of carrying up to 50 passengers or 5,000 kilos of freight, our C47 Freighters up to 3,000 kilos of freight. Every aircraft is scrupulously well looked after.
All you have to do to charter a BUIA aircraft is to contact your Travel Agent or telephone our Charter Department at Gatwick Airport–London, Crawley 31177 (Telex 87218) or your nearest BUIA office, see list of addresses and telephone numbers page 25.

Alcoholic drinks, cigarettes, perfumes and bottled spirits may be purchased by passengers on these Tourist-class services where applicable.

Reconfirmation Regulations
If you break your International journey for more than 72 hours at any point, please reconfirm your intention of using your continuing or return reservation. To do so, please inform the airline office at the point where you intend to resume your journey at least 72 hours before departure of your flight. Failure to reconfirm will result in the cancellation of your reservation(s). If your journey is wholly within Europe these regulations do not apply.

Ticketing Time Limit (International Services)
When making your reservation(s) you will be advised the latest time by which you should purchase your ticket; if you already hold a ticket, you will be advised the latest time by which the appropriate details should be inserted on your ticket. Failure to comply with these time limitations may lead to your reservation(s) being cancelled.

Important Note
When a passenger fails to secure his ticket within the limit stated, BUIA or its appointed Travel Agents may cancel any reservations made on its own scheduled services and also recommend the cancellations of any other reservations made on the services of other carriers.

Ticketing Time Limit (Services within the British Isles)
(i) TWO MONTHS OR MORE before date of travel. A deposit of at least £1 per seat must be paid within two weeks of making the booking to secure the reservation. The balance of the fare must be paid not later than six weeks prior to date of travel. Alternatively, the full fare may be paid within two weeks of making the booking.
(ii) LESS THAN TWO MONTHS before date of travel. The full fare must be paid not later than two weeks before date of travel.
(iii) LESS THAN TWO WEEKS before date of travel. The full fare should be paid at the time of booking, or as soon as possible thereafter.
If payment is not received by the time specified, the reservations will automatically be cancelled.

Cancellations and ‘No-Show’ Passengers (Services within the British Isles)
CANCELLATION FEE: A charge will be made for all reservations cancelled except:
(a) the booking is transferred to another BUIA domestic service;
(b) the booking is transferred to another carrier for travel wholly within the British Isles; or
(c) the booking is cancelled prior to the time limits stated under ‘Ticketing Time Limit’.
The amount will be £1 per seat (or full fare if less than £1), except in cases of cancellation within two days of the intended date of travel when the fee will be £2 per seat (or full fare if less than £2). Children (and infants for whom a seat has been reserved) will be charged half the full cancellation fee. Any expenses incurred in connection with the original reservation and the cancellation will be charged in addition to the cancellation fee. ‘NO-SHOW’: A passenger failing to join the flight on which he is booked will incur a forfeiture of £3 or the fare,

whichever is the lower. (Children and infants paying 50% of the adult fare will incur a forfeiture of 50% of the No-Show charge.) Please apply to any BUIA office or Appointed Travel Agent for further details.

Baggage
Passengers on international journeys are permitted to carry at no extra charge 30 kgs. (66 lb.) of baggage on First Class and 20 kgs. (44 lb.) on Tourist and Economy Class services.
Passengers on domestic services within the British Isles are permitted to carry at no extra charge one piece of baggage. For this purpose a suitcase, the three dimensions of which when added together do not exceed 67 inches, is counted as one piece of baggage. A suitcase, the three dimensions of which exceed 67 inches, is counted as two pieces.
Baggage should contain personal effects only, but you may carry commercial samples provided you arrange to be at the airport for international flights not later than the time specified by the local Customs; in the United Kingdom this is 40 minutes before the flight departure time. Fragile or perishable articles, money, jewellery, securities or other valuables, business documents, etc., will not be accepted as checked baggage. Passengers may declare a value in excess of:
(i) £7 per kg. of checked baggage, and
(ii) £140 per passenger in respect of unchecked baggage.
Excess value charges will be levied in accordance with BUIA regulations.

Children and infants travelling at full or half fare receive the full adult baggage allowance. Infants travelling free or at 10% fare have no free allowance, but a reasonable amount of food for consumption during flights and a carry-cot may be carried free of charge.

Personal Items
In addition to the free allowance, a lady’s handbag, an overcoat or wrap, an umbrella or walking-stick, a small camera, a pair of binoculars, and a reasonable amount of reading matter for the journey may be carried free in the cabin of the aircraft. A fully collapsible invalid’s wheelchair, a pair of crutches and/or braces will also be carried free of charge provided that the passenger is dependent upon them. Briefcases, typewriters, radios, night-stop bags, ladies’ vanity or cosmetic cases, hat boxes, heavy cameras, excessive reading matter and other parcels will be weighed as part of the allowance.
On domestic services within the British Isles passengers are also permitted to carry at no extra charge one small case to be stowed under the passenger’s seat during flight. The dimensions of this piece must not exceed 18 in. by 14 in. by 6 in.

Excess Baggage
Excess baggage will be carried if there is space in the aircraft and will be charged for at the appropriate rate.

Prohibited Articles
Government regulations do not permit the carriage on aircraft of a number of articles, including inflammable, explosive, corrosive, oxidising, radio-active or magnetic materials, and you are asked not to carry with you or in your baggage such things as cylinders of compressed gas for picnic or camping stoves, cylinders of compressed air for use with aqua-lungs and underwater equipment, containers of cigarette lighter fuel, firearms or explosives including blank cartridges. On all BUIA aircraft, except during take-off and landing, and in the toilets, smoking is permitted and you may carry a box of SAFETY

matches or a lighter with you for use on the journey. If you are in any doubt as to whether any article or thing is acceptable for carriage in the aircraft our traffic staff will be pleased to advise you.

Portable Electronic Equipment

Passengers may not use any portable electronic equipment such as radios and tape recorders during the flight because of possible effects on the aircraft's equipment.

Pets

We regret that we cannot carry pets in the passenger cabin. They can, however, be carried as cargo on most routes by prior arrangement.

Children and Infants

One infant under two years, accompanied by an adult and not occupying a separate seat, may travel at 10% of the full applicable adult fare. (One infant under three years, accompanied by an adult and not occupying a separate seat, travelling on services within the British Isles, travels free of charge.) Any additional infants accompanied by the same adult travel at 50% of the full applicable adult fare. Children over two (over three on services within the British Isles) and under 12 years of age travel at 50% of the full applicable adult fare. (See also under Unaccompanied Children.)

Fares for Students

Special reduced rates are available for students between the ages of 12 and 25 inclusive, attending full-time school, college, university courses or other educational institutes, when travelling between place of education and home. Please apply for details.

Fares for Young Persons

International Youth Fares are permitted only when travel on BUIA services forms part of an international through journey wholly within Europe to/from places beyond Paris or London. Such Youth Fares are available to persons between the ages of 12 and 21 inclusive, when a discount of 25% off the normal one-way or year return fare will apply. Proof of date of birth will be required at time of purchasing the ticket.

Young Persons' fares are not available for travel on BUIA domestic services to and/or from the Channel Islands, the Isle of Man and between Belfast/Exeter, Belfast/Blackpool and Exeter/Southampton.

Passport Requirements

All passports must carry endorsements covering the countries through which you pass. An endorsement 'All Countries of the World' will suffice. Although any BUIA office or Appointed Travel Agent will gladly offer advice and assistance regarding the travel documents and visas required for your journey, you must personally ensure that you are in possession of the necessary travel documents and visas since BUIA cannot accept any responsibility for the consequences of any irregularity. It should be noted, however, that some Consulates require a personal application before granting visas.

Currency

Your travel agent or your bank will inform you of prevailing currency regulations in the United Kingdom and/or countries you are visiting and it is advisable to carry Traveller's Cheques endorsed for the places you will visit.

Taxes

Taxes and transportation charges are sometimes charged on air tickets and at international airports. Any BUIA office or Appointed

Travel Agent will gladly advise where these charges are applicable. For details of Airport Service Charges, see page 22.

Departures

Services cannot be delayed for latecomers, so please check-in at the town terminal or at the airport by the time specified. The check-in time shown on your ticket should be regarded as the latest time for joining; it only allows for the minimum time needed to complete all the necessary formalities.

Stop-overs

You may break your journey at certain points *en route* including transfer points listed in the fare tables, in most cases retaining the benefit of the through fare, provided you give notice at the time the reservation is made. Hotel expenses, surface transport and meals at every stop-over will be your own responsibility. These facilities are NOT available at Guernsey or Jersey to passengers paying the through fare from/to points in the United Kingdom and Guernsey or Jersey. Stop-over facilities are not available to passengers travelling at Student or Forces fares.

Surface Transport

Surface transport is usually available between town terminals and airports (and *vice versa*) at an added cost to your air fare. Normally such charges are payable locally and you are advised to ensure that you have sufficient local currency available in cash to meet this cost. Information regarding such transportation and its cost may be obtained at the time of making your reservations. See also Local Transport information on page 26.

Unless otherwise specifically stated, surface transport is not provided by BUIA but by a local carrier contracting directly with the passenger.

Empty Seats on Fully Booked Aircraft

There is normally a good reason for any empty seats which may be seen on an aircraft stated to be fully booked. Sometimes seats are cancelled at the last moment and cannot be re-sold, and in other instances the equivalent weight has been reserved for additional mail or urgent cargo, which of course cannot be seen from the passenger cabin.

Punctuality

Naturally every effort is made to ensure the punctuality of our services, but BUIA cannot accept responsibility for the consequences involved by the delay or suspension of a service. Similarly, we cannot guarantee that connections will be made with the services of other air or surface carriers.

Unaccompanied Children

Children who have reached their sixth birthday but have not reached their twelfth birthday, and who are not accompanied, may travel, provided that arrangements are made by their parents/guardians for them to be escorted at point of departure and arrival. A special form must be completed by the parent/guardian and returned to the office making the reservation at the time of purchase of the ticket.

These facilities are also available to children over 12 years of age but under 16 years of age upon request from the parent/guardian. Children and infants under six years of age will normally not be accepted for travel unless accompanied by an adult passenger who must assume responsibility for them during the journey. However, where this is not possible such children and infants may travel if accompanied by an official escort provided by BUIA exclusively for that purpose. The charge for the services of escort will be the applicable adult return fare (this is in addition to the child's fare).
