passenger information

your ticket and conditions of contract

Your ticket is subject to the Conditions of Contract printed on the reverse side of passenger coupon. Except as stated therein, these Conditions incorporate our General Conditions of Carriage of passengers and baggage. These Conditions of Carriage are exhibited in full at all British Airways offices, copies of which will be supplied on request.

your fare includes

meals

On British Airways services your fare includes all meals and gratuities in flight and on the ground from the departure of the aircraft until arrival at the airport of destination shown on the flight coupon of your ticket. Moslem, Kosher, salt-free and vegetarian diets are available, provided they are requested in advance. Alcoholic drinks, provided free in flight for First Class passengers, are available on board for sale to Economy Class passengers. Cigarettes may be purchased in all classes.

hotel accommodation

In some cases meals and/or hotel accommodation may be provided for onward passengers where necessary, in accordance with the regulations of British Airways or other airlines concerned. However, there are cases where these facilities are prohibited. Regulations governing travel by other carriers may differ especially in respect of hotel accommodation, meals and baggage allowance.

ground transport

At certain places in the eastern hemisphere transport between town terminal and airport is provided free for originating, terminating and stopover passengers, but elsewhere such passengers are charged for ground transport.

stopovers

In most cases, you may break your journey at one or more places en route, and retain the benefit of the through fare, provided notice is given at the time of reservation. Hotel expenses at each stopover will be your responsibility.

validity

First, Economy, or Economy (Skycoach) Class tickets at normal fares are usually valid for one year.

reduced fares

Excursion fares. *Family* fares and reductions for *Students* are available on some routes.
Youth fares, There are special all year *Youth* fares between USA and Europe as well as Canada/Mexico.
Group travel offers big reductions for members of an organization travelling together. Full details on request. Interchange arrangements between British Airways and most other airlines enable passengers to use the combined services at the through fares.

children and infants

An infant under two accompanied by an adult, and not occupying a separate seat, is normally charged 10% of the applicable First or Economy adult fare. Additional infants under two accompanying the same adult, an infant under two occupying a separate seat, and children of two years of age and over, who have not yet reached their twelfth birthday, are normally charged 50% of the applicable First or Economy adult fare. Age is taken as that at the beginning of the outward journey. Unaccompanied children under the age of six are not normally accepted for travel. Any requirements should be advised at the time of booking.

passports, permits and visas

Any British Airways or Travel Agent's office will gladly assist you to obtain the travel documents required for your journey. Some Consulates, however, insist on personal attendance.

health regulations

Valid certificates of inoculation and/or vaccination, issued on a special international form, are definitely required by most countries.

Any ticket, transportation or other taxes or charges imposed by Government regulations are additional to the fare and payable by you, either with the fare or in local currency on arrival or departure.

currency

For any small purchases required aboard British Airways aircraft, travellers may utilise most currencies in their possession. For their requirements during transit stops passengers are advised to obtain from their Bankers currency notes of, or Travellers' Cheques endorsed for use in, the countries they will transit.

credit cards

Credit cards accepted by British Airways offices include: Access, AC/CN, American Express, BankAmericard, Barclaycard, Carte Blanche, Carte Bleu, Chargex, Diners Club, Eurocard, Interbank, Mastercharge, Pan American Take-off Card, Universal Air Travel Plan.

portable electronic equipment

Please do not switch on portable radio receivers, transmitters or television sets whilst on board as they can cause serious interference with the aircraft radio navigation equipment. Portable recorders, hearing aids, and heart pace-makers may be used on board.

punctuality

While every effort is made to ensure the punctuality of our services, British Airways cannot accept responsibility for the delay or suspension of a service, nor guarantee that connections will be made with other services.

baggage

free allowance

On First Class services the free baggage allowance is 30 kilos (66 lb). On Economy Class services it is 20 kilos (44 lb). There are exceptions for domestic services within the UK and for certain services within Europe. Passengers travelling part-way by one class of service and part-way by another are given the free baggage allowance applicable to the class of fare paid. Personal articles, i.e. a lady's handbag, an overcoat or wrap, or blanket, an umbrella or walking stick, a small camera, binoculars and reading matter for the flight may be carried free. Other reading matter, brief cases, cabin bags, attaché cases, parcels, typewriters, heavy cameras, vanity or cosmetic cases, hat boxes and personal radios are weighed as part of your free allowance. If this is exceeded, you become liable to excess charges.

excess charges

Baggage in excess of the free allowance is charged at 1% of the First Class single fare per kilo.

golfing equipment

In addition to the normal free baggage allowance, golfing equipment up to 15 kg contained in not more than one golf bag and including one pair of golfing shoes may be carried at a special rate equivalent to 4kg of excess baggage.

excess value charge

Passengers have the option of making a separate declaration of value for baggage. Registered baggage valued at more than £8.73 (US $20.00) per kilo and unregistered baggage valued at more than £174.47 (US $400.00) per passenger is subject to an excess value charge, details of which will be supplied on application. The maximum declaration per passenger is limited to £1,500 (US $3,910).

children and infants

Children at half fare get the adult allowance. Infants travelling at 10% fare have no free allowance, but a carry-cot and infants' food for consumption in flight may be carried without charge.

unaccompanied baggage

Special rates are available on most routes for the carriage of unaccompanied personal baggage as cargo. Certain items such as jewellery and furs may not be included. Full details are available from any British Airways office.

cameras

Over certain sectors of your journey restrictions may be applied to the use of cameras and binoculars.

domestic animals

Domestic animals may, subject to certain conditions, travel at the excess baggage rate in the hold of the same aircraft as their owners. The carriage of pets in the cabin is not permitted. Ask for British Airways leaflet 'Dogs by Air'.

prohibited articles

Government regulations do not permit the carriage of inflammable or explosive material in aircraft. Articles which are easily ignited, such as cigarette lighter fluid, etc., must not be packed in baggage or carried personally. However, where smoking is allowed on aircraft, you may carry safety matches or a lighter on your person.

your departure

checking-in

The departure time shown in this timetable and on your ticket-coupon is the scheduled take-off time. The check-in time at the airport or town terminal shown on your ticket-cover allows *minimum* time to complete all the formalities. In your own interests you should plan to arrive at the town terminal or airport in good time as this will help to ensure that your aircraft operates on schedule. You are advised to check local road conditions to avoid possible delay.

reconfirmation-cancellations

If you hold an onward or return reservation, it is necessary to reconfirm your intention to travel with the local Reservations Office of the Carrier at least 72 hours before departure, except when the journey is wholly performed within Europe, including the adjacent islands, the U.K., Ireland, and the whole of Turkey. Failure to reconfirm will result in the cancellation of your reservation. Passengers who do not travel on the service for which they hold a reservation, and who have not cancelled in advance, are liable to payment of a 'no-show' charge. Refund of fare for reservations cancelled or transferred at short notice cannot be guaranteed.

seat reservations

Reservation of specific seats in aircraft cannot be guaranteed, although at terminal stations every effort will be made to meet passengers' requirements.

no smoking areas

Certain areas on aircraft are reserved for passengers who wish to be seated where smoking is not permitted. In areas where smoking is permitted, cigarettes are allowed when airborne.

travel advice

Let us know your contact address or telephone number up to departure time. Pack all you need during flight in a small cabin bag. All other articles should be packed in registered baggage, one case containing all that is required at night-stops. Cabin baggage should be kept at a minimum. Carry your passport, and health certificates with you. Do not pack them. Carry any valuables, such as jewellery, personally whenever possible. These are some of the main points concerning your journey. For further details please see our booklet 'Before You Take-Off.' Any British Airways Appointed Travel Agent or British Airways office will gladly supply further information and offer you every possible assistance.
