Summer Timetable (including Cambrian services)

1 April—31 October 1973

Northeast... the fast and friendly way.

In the 20 years since we started flying as BKS, Northeast has won a reputation as one of Britain's most progressive airlines. Today, our operation spans a large and ever-growing network of important routes, and together with our sister airline Cambrian Airways, we are now part of British Airways, one of the biggest and most comprehensive airlines in the world.

This timetable lists the services for both Northeast and Cambrian.

The backbone of our service consists of the high frequency service between London and the north east of Britain—fast, link-ups between Heathrow and Newcastle or Leeds/Bradford, two of the busiest trunk routes in Britain.

But we don't restrict ourselves to domestic flights. Our international destinations include Bilbao, Bordeaux, Klagenfurt and Luxembourg from Heathrow and Amsterdam from Leeds/Bradford.

On most of our routes, we fly Trident IE's. Built by Hawker Siddeley, powered by Rolls Royce, these superb jets cruise at over 600 m.p.h. Indeed, they are the fastest medium-range jets operating in Europe.

And because we're not one of the big, impersonal airlines we take a particular pride in the way we look after you. Our ground staff and cabin crew will do everything possible to make your flight smooth, relaxed and comfortable.

International Reservations and Cancellations. Seats should be reserved as far in advance as possible through any Cambrian, Northeast or BEA Booking Office or Agent. If you have to cancel or defer your reservation please let us know as early as possible and return your ticket. We cannot guarantee refund of fare for a reservation cancelled or transferred at short notice. A passenger failing to check-in in time to join the flight on which he is booked will incur a forfeiture of 25% of the single fare (minimum forfeiture £2 or full fare if less than £2). If seats for a return journey cannot be reserved within the validity of a return ticket the full one-way fare will apply to the outward journey and any application for refund will only be dealt with on this basis. Return or onward reservations for travel between certain countries must be reconfirmed. You will be given full details when buying your ticket.

Tickets. Your ticket contains important, information concerning your journey; please examine it carefully.

Passport and Visas. Cambrian, Northeast or their Agents will gladly provide on request information regarding Passports or any visa required for your journey, but you must ensure personally that these documents are in order, because the carrier cannot accept responsibility for the consequences of any irregularity. You will have to show your passport during your journey, so please carry it with you; do not pack it.

Health Certificates. Certain countries require valid certificates of inoculation and/or vaccination. Please enquire well in advance whether any such certificates are required for your journey.

Currency Control. The movement of money into and out of many countries is subject to Government control and you should consult your Travel Agent or Bank about regulations applicable to your journey well before the date of travel.

Credit Travel Orders and Timesaver Tickets. Credit Travel Orders and Timesaver Ticket facilities are available. For further information enquiries should be made at any Cambrian or Northeast Office.

You can purchase personal and baggage insurance through your insurance company or broker or your local Travel Agent.

Cameras. On international journeys cameras must normally be packed in your checked baggage which is not taken into the cabin with you, as the use of cameras in aircraft is subject to restrictions over some countries.

Portable Electronic Equipment. The use of Portable Electronic Equipment during flight is restricted because of possible interference with the Aircraft Radio Equipment. Further details available from any Cambrian or Northeast Office.

On your ticket you will find an indication of the check-in time; this is the time by which passengers must have presented themselves and their baggage at the airline desk and have been accepted for the flight. Departures cannot be delayed for passengers who arrive late and Cambrian/Northeast cannot accept responsibility in such cases.

Stopovers. You may break your journey at most places en route without losing the benefit of the through fare, provided you give notice when you make the reservation. Hotel expenses at each stopover are your responsibility.

Road Transport. Road transport between town and airport is normally available and in most countries is charged for separately. Passengers are advised to enquire locally for fares and services.

Punctuality. Every effort is made to ensure punctuality of our services, but Cambrian/Northeast cannot accept responsibility for the consequences of a delay to, or a cancellation of, any flight and cannot guarantee making connections.

Bar Service. A bar service for the sale of drinks and cigarettes is available on all flights. On certain international routes the supplies available may be restricted by local customs regulations. In the event of unforeseen delays or other alterations to schedules these catering arrangements may be adjusted as necessary.
