FLYOVER MOTORING HOLIDAYS

Dan Air, Europe's leading independent airline, and Hertz Rent-a-Car, the world leader in car rental, have combined their resources to bring you a series of Flyover Holidays based on the Fly and Drive concept, by combining air travel and car rental at an inclusive price.

Flyover Holidays are available to Eire, France, Germany, Holland, Norway and Switzerland. You travel in the comfort of a regular scheduled Dan-Air flight to the holiday destination of your choice, where your Hertz Rent-a-Car is waiting. On completion of a few formalities, you are ready to drive away.

What do you get for your money?

Tourist class air transportation on the scheduled services of Dan-Air; meals and refreshments on board and free baggage allowances as specified in our published time-tables, Hertz self-drive car with unlimited mileage and all taxes and service charges.

Not included in the price

Collision Damage Waiver cover, Personal Accident Insurance and car parking of your own car at your airport of departure. Alternatively, Dan-Air are able to offer you an economic One Way One Day unlimited mileage rate with Hertz. Ask for information when booking your Flyover holiday.

Dan-Air strongly recommends that you take the Collision Damage Waiver cover, as in the event of loss or damage to the vehicle, you are liable to pay a limited sum of money to Hertz. Non acceptance by the renter of Collision Damage Waiver cover will result in a higher deposit.

Flyover Holidays are easily arranged – simply call your Travel Agent or local Dan-Air office and say when you want to go – and where. Remember too, that you can use your American Express, Access, Barclaycard and Diners Club International credit cards to pay.
