DRIVEAWAY

Touch down & drive away

When you fly, you expect the highest standards of service with schedules to meet your needs. Dan-Air Scheduled Services has built its reputation as Britain's leading independent airline by offering you more than you would expect. Both on the ground and in the air.

Because your journey seldom ends at the airport, we want to offer you the very best service all the way to your final destination.

That's why we've developed a car rental package with Europcar, Europe's largest car rental company.

It offers maximum convenience at highly attractive rates with a car to suit every occasion. From a Metro to a Rover Sterling. And if you're not planning a return journey, ask about our one way rental options.

All-inclusive rates

All Driveaway rates, both in the UK and overseas, are fully inclusive of Unlimited Mileage, Collision Damage Waiver and Tax. With international rates guaranteed in Sterling when prepaid in the UK, you'll know before you travel exactly what your car hire will cost. And as there are no hidden extras, all you need allow for is the petrol you use.

For business or pleasure

Whether you're travelling for business or pleasure, Driveaway gives you added convenience and flexibility.

Making an international reservation before you leave means the all-inclusive Sterling price is guaranteed. But if renting a car has been a last minute decision we'll be more than happy to help you your way.

Why not drive away the moment you touch down?

Driveaway rates for longer rental periods are available on request. Please contact either Dan-Air or Europcar's reservation office for details. In most countries, special weekend rates are also available. Full details are available on request.
