DAN-AIR

SCHEDULED SERVICES

Scheduled service timetable.

Summer 1991. 31 Mar-30 June
(first edition)

INTRODUCTION

Two new London Gatwick routes, increased frequencies and extra capacity are key features of this Dan-Air Scheduled Services Summer 1991 timetable.

Continuing its reputation as one of Europe's leading Scheduled Airlines, Dan-Air Scheduled Services are introducing two new routes this Summer between **London Gatwick** and **Amsterdam** with up to three round trips daily and the re-introduction of a weekly service to **Mahon**.

Both our new services will offer *Class Elite* our business class.

Designed specifically for the executive traveller, *Class Elite* is now well established as a European business class service offering an outstanding high quality of exclusive services and facilities.

On the ground there are dedicated check-in facilities, executive lounges at most airports, and priority baggage reclaim.

On the aircraft, *Class Elite* cabins are designed to give passengers maximum room and comfort. The special Space Generator seats create a spacious 2-2 configuration, with the middle seat (guaranteed unsold) converting to a wide table. Free champagne or orange juice greets *Class Elite* travellers and they can enjoy specially prepared meals with menus created by leading chefs.

Two new products will be launched this Summer when you fly Dan-Air Scheduled Services.

PLUS POINTS

From this Summer, Dan-Air Scheduled Services frequent flyers will be able to benefit from a new rewards programme giving you the opportunity to collect points towards anything from European flights, to a two week tour to the Great Wall of China.

PRESTIGE PRIVILEGE

This is a new passenger service primarily intended for regular domestic route passengers, but also of benefit to European passengers as well.

For an annual membership fee of £95, members can make use of the airline's executive lounges at London Gatwick, Manchester and Newcastle, and in addition when holding a valid Dan-Air Scheduled Services boarding card, may use the Dan-Air executive class lounges at Continental destinations.

COACH SERVICES

Connecting coach services are shown in this timetable between these destinations:

Interlaken Ost – Spiez – Berne Airport

Meran – Bozen – Innsbruck Airport

Advance reservations are required for all services and can be made through any Dan-Air office or your local travel agent. Passengers without reservations will be accepted on services from the arrival airport on a space available basis. Firm reservations, however, are required for travel to the departure airport and may be made through local reservations offices. *See inside back cover for telephone details.*

Touch down & drive away

When you fly, you expect the highest standards of service with schedules to meet your needs. Dan-Air Scheduled Services has built its reputation as Britain's leading independent airline by offering you more than you would expect. Both on the ground and in the air.

Because your journey seldom ends at the airport, we want to offer you the best service all the way to your final destination.

That's why we've developed a car rental package with Europcar, Europe's largest car rental company.

It offers maximum convenience at highly competitive rates with a car to suit every occasion. From a Ford Fiesta to a Ford Granada. And if you're not planning a return journey, ask about our one way rental options.

All-inclusive rates

All Driveaway rates, both in the UK and overseas, are fully inclusive of Unlimited Mileage, Collision Damage Waiver and Tax. With international rates guaranteed in Sterling when prepaid in the UK, you'll know before you travel exactly what your car hire will cost. And as there are no hidden extras, all you need allow for is the petrol you use.

For business or pleasure

Whether you're travelling for business or pleasure, Driveaway gives you added confidence and flexibility.

Making an international reservation before you leave means the all-inclusive Sterling price is guaranteed. But if renting a car has been a last minute decision we'll be more than happy to help you on your way.

Why not drive away the moment you touch down!

Driveaway rates for longer rental periods are available on request. Please contact either Dan-Air or Europcar's reservation office for details.
