DAN-AIR SCHEDULED SERVICES,
NEWMAN HOUSE, VICTORIA ROAD,
HORLEY, SURREY RH6 7QG, ENGLAND.

INTRODUCTION

The Dan-Air Scheduled Services network continues to expand and subject to government approval we will operate flights between London Gatwick, Oslo and Stockholm this Winter.

Improvements have taken place to the schedules throughout our network for winter 1991/92. These have been designed to meet market demands and highlights include:-

- Up to 8 flights daily between London Gatwick and Manchester.
- Extra flights during the peak morning times to Paris.
- Increased capacity on many flights.
- Day return opportunities on the majority of routes.

Expansion will continue and future plans are to operate flights to Rome, Malta, Palma, Barcelona, Istanbul, Cairo and Athens 1992.

Designed specifically for the executive traveller, *Class Elite* is now well established as a European business class service offering an outstanding high quality of exclusive services and facilities.

On the ground there are dedicated check-in facilities, executive lounges at most airports, and priority baggage reclaim.

On the aircraft, *Class Elite* cabins are designed to give passengers maximum room and comfort. The special Space Generator seats create a spacious 2-2 configuration, with the middle seat (guaranteed unsold) converting to a wide table. Free champagne or orange juice greets *Class Elite* travellers and they can enjoy specially prepared meals with menus created by leading chefs.

PLUS POINTS

Dan-Air Scheduled Services frequent flyers are able to benefit from a rewards programme giving the opportunity to collect points towards anything from European flights, to a two week tour to the Great Wall of China.

PRESTIGE PRIVILEGE

For an annual membership fee of £95, members can make use of the airline's executive lounges at London Gatwick, Manchester and Newcastle, and in addition when holding a valid Dan-Air Scheduled Services boarding card, may use the Dan-Air executive class lounges at Continental destinations.
