Scheduled Services Timetable

SUMMER 1992

29TH MARCH - 24TH OCTOBER

Dan-Air Scheduled Services
Newman House, Victoria Road
Horley, Surrey RH6 7QG, England

INTRODUCTION

The Dan-Air Scheduled Services network is expanding all the time. Our new routes to Oslo, Stockholm and Athens are now open. More new routes to Barcelona, Rome and Istanbul are planned for Spring this year.

Our domestic network provides connections between Manchester, Newcastle, Aberdeen, Jersey and London Gatwick, as well as between Inverness and London Heathrow. With frequent flights these important UK airports are linked with the whole of our international network.

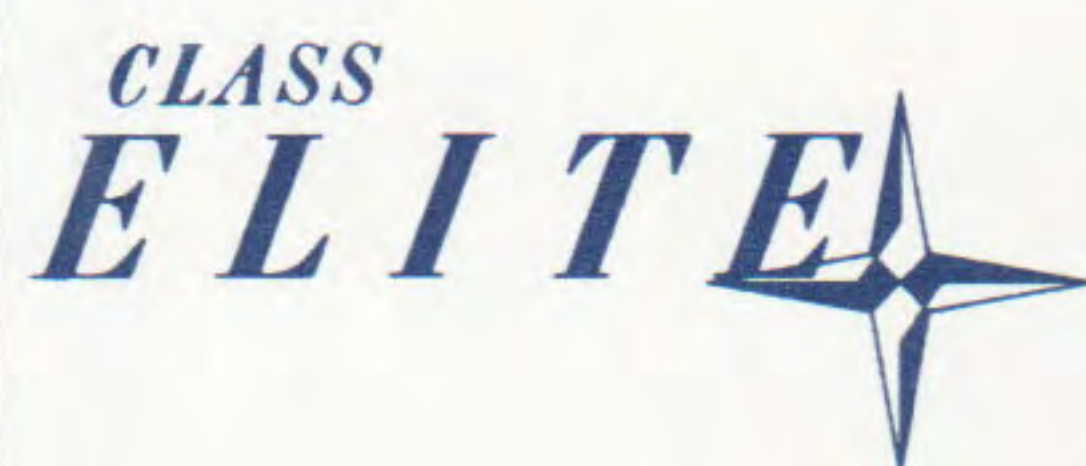

Flights are thoughtfully timetabled to enable travellers to make day returns on the majority of our routes, which is especially convenient for business travellers.

Furthermore, we have increased the frequency of flights on many of our existing routes. The result is more choice and greater flexibility for our passengers.

For example we now fly 8 return flights a day between London Gatwick and Paris.

Our commitment is to provide our customers with the best possible service, a service designed to meet the demands of the market.

With that commitment, we look forward to another year of continued expansion and growth.

Designed specifically for the executive traveller, *Class Elite* is now well established as a European business class service offering an outstanding high quality of exclusive services and facilities.

On the ground there are dedicated check-in facilities, executive lounges at most airports, and priority baggage reclaim.

On the aircraft, *Class Elite* cabins are designed to give passengers maximum room and comfort. The special Space Generator seats create a spacious 2-2 configuration, with the middle seat (guaranteed unsold) converting to a wide table. Free champagne or orange juice greets *Class Elite* travellers and they can enjoy specially prepared meals with menus created by leading chefs.

FREEWAY™

Freeway is the frequent flier programme operated by Dan-Air and Virgin Atlantic. Members get the opportunity to collect points from other companies like Holiday Inn, Inter-Continental and Avis. Points can be redeemed for activities and holidays from European flights to powerboating, or even a photo safari in Kenya. For more details call the Freeway Helpline 9am-6pm weekdays on 0293 538888.
