SCHEDULED SERVICES

CELEBRATING **30 Years of Service**
1969 - 1999

Valid from 31 October 1999

WINTER '99/00
Edition 1

Gill Airways sees in the new millennium with a continuation of the programme of scheduled service expansion that has marked 1999, the airline's 30th birthday year.

This has seen the introduction of Gill Airways' first jets, operating under the "Air France by Gill Airways" banner on services from Newcastle to Paris CDG.

Gill Airways' own scheduled services are operated by modern ATR 42 and 72 regional airliners and Shorts 360 commuter aircraft.

Air France by Gill Airways services are operated by Fokker 100 jets and ATR 42 and 72s. All Air France by Gill Airways services from the UK are included in this timetable, but all reservations should be made directly to Air France on the number shown.

Our partner in Germany is the independent airline, Eurowings, and services from Newcastle to Düsseldorf are operated under codeshare with Eurowings, which acts as sales agent for these flights in Germany.

Our mailing list is aimed at keeping our customers abreast of developments at Gill Airways and to inform you about any special offers that we may be running. If you are not on our lists, please put your business card in one of the collecting boxes on our ticket and check-in desks or use our FREEPOST address: Gill Airways (mailing list), FREEPOST NEA5638, Newcastle upon Tyne NE13 6BR. Please supply home address and daytime telephone number.
