GENERAL INFORMATION

PUNCTUALITY

Every effort is made to ensure punctuality of our services, but AIR UK cannot accept responsibility for the consequences of a delay to, or a cancellation of, any flight and cannot guarantee making connections.

DEPARTURE/CHECK-IN TIMES

Passengers must arrive at the airport early enough for all formalities to be completed. The formalities must be completed on Domestic flights 20 minutes before departure and International flights 30 minutes before departure. AIR UK cannot guarantee re-issue of tickets for a journey other than stated on the ticket unless that ticket is presented to us not later than 2 hours prior to departure.

RESERVATIONS

Seats to be reserved as far in advance as possible through AIR UK or any Travel Agent. Passengers are warned that reservations will be only held until the check-in close out time. After this time they will be automatically cancelled including any return or onward flights.

CONDITIONS OF CARRIAGE

Your ticket is subject to the Conditions of Contract printed inside the ticket and to AIR UK's Conditions of Carriage of Passengers and Baggage, copies of which can be obtained at any AIR UK office. A brief summary of information useful to passengers is given below, but for full details apply to any AIR UK office or Appointed Travel Agent.

Passport, Visa, Health and Currency Regulations

Whilst AIR UK or any Appointed Travel Agent will gladly advise and assist on all matters relating to travel documentation and regulations, it is the responsibility of the passenger to ensure that all necessary regulations are observed, since AIR UK cannot accept any responsibility for the consequences of any irregularity.

Denied Boarding Compensation

Carrier undertakes to use its best efforts to provide space on the flight for which reservation has been made. The expressions reservation, confirmed space, and booking and reservations notations on a flight coupon do not necessarily denote a guarantee of seat availability. When provided in Carrier's Tariffs, Conditions of Carriage, Regulations or Timetables, Denied Boarding Compensation may be payable in the event that carrier is unable to provide reserved space.

Lost Tickets

In the event of a passenger losing a ticket an indemnity form may be issued covering the documents as long as the number of the ticket is known. A service charge of £15 will be made.

Credit Facilities

Credit facilities are available for all AIR UK services. Please ask for details. Credit cards of the Universal Air Travel Plan and certain other credit card companies can be used on most AIR UK scheduled services, however authorisation must be obtained from the Credit Card Company before we issue a ticket. If authorisation is refused, a time limit of 24 hours will be put on the booking for passengers to pay by other means.

Prohibited Articles

Government regulations prohibit the carriage of certain articles, such as explosive, compressed gases, radioactive or magnetic materials, etc. Instruments or articles containing mercury must be so packed as to avoid spillage. If in doubt as to which other articles may be carried, please contact any AIR UK office or Appointed Travel Agent.

Personal Items

In addition to the free allowance, a lady's handbag, an overcoat or wrap, an umbrella or walking stick, a small camera, a pair of binoculars and a reasonable amount of reading matter for the journey may be carried free of charge in the cabin of the aircraft. In connection with infants travelling free or at 10% fare, a reasonable amount of food for consumption in flight and carry-cot may be carried free of charge. A fully collapsible invalid's wheelchair, a pair of crutches and/or braces may be carried free of charge provided that the passenger is dependent upon them. Any other item not specifically mentioned will be weighed (or measured) as part of the free allowance.

Baggage

Baggage should contain personal effects only, and checked baggage must not include fragile or perishable articles, money, jewellery, securities or other valuable, business documents, etc. Details of AIR UK's excess value charges for checked and unchecked baggage are available on request. Exceptionally, commercial samples may be carried (subject to weight/size) provided you arrange to be at the airport for international flights not later than the time specified by the local Customs.

Free Allowance (International Services)

30 Kilos (66 lbs.) per person when First Class fare is paid.

20 Kilos (44 lbs.) per person when any other fare is paid.

There is no free allowance for infants.

Free Allowance (UK Domestic Services) and between the United Kingdom and France.

A piece of baggage exceeding such dimensions will be charged as an additional piece. There is no free allowance for infants.

Pets

On all routes, prior arrangement is necessary. On international routes, pets are carried as cargo. On UK domestic routes (and to and from Ireland), pets can be carried as cargo or as accompanied baggage. We regret that we cannot carry pets in the passenger cabin.

Cargo

AIR UK offers capacity on all scheduled service flights. Restrictions on certain services on weight and volume may apply.

Reduced Fares

Reduced fares are available for certain categories of passengers including blind persons and accompanying attendants, children and infants, students and youths.
