GENERAL NOTES

PUNCTUALITY

Every effort is made to ensure punctuality of our services, but Air UK cannot accept responsibility for the consequences of a delay to or cancellation of any flight and cannot guarantee making connections.

DEPARTURE/CHECK-IN TIMES

Passengers must arrive at the airport early enough for all formalities to be completed. The formalities must be completed on Domestic flights 20 minutes before departure and International flights originating in the UK 30 minutes before departure. All other departures 40 minutes. AIR UK cannot guarantee re-issue of tickets for a journey other than stated on the ticket unless that ticket is presented to us not later than 2 hours prior to departure.

RESERVATIONS

Seats to be reserved as far in advance as possible through AIR UK or any Travel Agent. Passengers are warned that reservations will only be held until the check-in close out time. After this time they will be automatically cancelled including any onward or return flights.

CONDITIONS OF CARRIAGE

Your ticket is subject to the Conditions of Contract printed inside the ticket and to AIR UK's Conditions of Carriage of Passengers and Baggage, copies of which can be obtained at any AIR UK office. A brief summary of information useful to passengers is given below but for full details apply to any AIR UK office or Appointed Travel Agent.

PASSPORT, VISA, HEALTH AND CURRENCY REGULATIONS

Whilst AIR UK or any appointed Travel Agent will gladly advise and assist on all matters relating to travel documentation and regulations, it is the responsibility of the passenger to ensure all necessary regulations are observed, since Air UK cannot accept any responsibility for the consequences of any irregularity.

DENIED BOARDING COMPENSATION

Carrier undertakes to use its best efforts to provide space on the flight for which reservation has been made. The expressions reservation, confirmed space and booking and reservation notations on a flight coupon do not necessarily denote a guarantee of seat availability. When provided in Carrier's Tariffs, Conditions of Carriage, Regulations or Timetables, Denied Boarding Compensation may be payable in the event that carrier is unable to provide reserved space.

LOST TICKETS

In the event of a passenger losing a ticket an indemnity form may be issued covering the documents as long as the ticket number is known. An administration charge of £15 will be made.

CREDIT FACILITIES

Credit facilities are available for all AIR UK services. Please ask for details. Credit cards of the Universal Air Travel Plan and certain other credit card companies can be used on most AIR UK scheduled services, however authorisation must be obtained from the Credit Card Company before we issue a ticket. If authorisation is refused, a time limit of 24 hours will be put on the booking for passengers to pay by other means.

PROHIBITED ARTICLES

Government regulations prohibit the carriage of certain articles, such as explosives, compressed gases, radioactive or magnetic materials, etc. Instruments or articles containing mercury must be so packed as to avoid spillage. If in doubt as to whether other articles may be carried, please contact any AIR UK office or Appointed Travel Agent.

PERSONAL ITEMS

In addition to the free allowance, a lady's handbag, an overcoat or wrap, an umbrella or walking stick, a small camera, a pair of binoculars, a small piece of hand luggage suitable for stowing in the cabin and a reasonable amount of reading matter for the journey may be carried free of charge in the cabin of the aircraft. In connection with infants travelling free or at 10% fare, a reasonable amount of food for consumption in flight and carry-cot may be carried free of charge. A fully collapsible invalid's wheelchair, a pair of crutches and/or braces may be carried free of charge provided that the passenger is dependant upon them. Any other item not specifically mentioned will be weighed (or measured) as part of the free allowance.

BAGGAGE

Baggage should contain personal effects only and should not contain articles which are likely to endanger the aircraft or persons or property on board the aircraft, (but without limitation) explosives, compressed gases, corrosives, oxydising radio-active or magnetized materials, materials that are easily ignited, poisonous, offensive or irritating substances, and liquids (other than liquids in the passengers unchecked baggage for his use in the course of the journey). Details of AIR UK's excess value charges for checked and unchecked baggage are available on request.

FREE ALLOWANCE (INTERNATIONAL SERVICES)

20 Kilos (44 lbs.) per person when any other fare is paid.

There is no free allowance for infants.

FREE ALLOWANCE (UK DOMESTIC SERVICES)

The free baggage allowance per person will be 20 kg. There is no free allowance for infants.

PETS

On all routes, prior arrangement is necessary. On international routes, pets are carried as cargo. On UK domestic routes pets can be carried as cargo or as accompanied baggage. We regret that we cannot carry pets in the passenger cabin.

CARGO

AIR UK offers capacity on most scheduled service flights. Restrictions on certain services on weight and volume may apply.

REDUCED FARES

Reduced fares are available on some flights for certain categories of passengers including blind passengers and accompanying attendants, children and infants, students and youths. No guarantee is given for the carriage of standby passengers on any particular flight due to local seat restrictions or carriage of freight. Full details are available from your nearest AIR UK office or Appointed Travel Agent.
