

A white Air UK quad-jet aircraft is shown in flight, angled towards the bottom left. The aircraft has four engines, two on each wing. The tail features the Air UK logo, which includes a stylized red and white 'A' and the text 'Air UK'. The fuselage has a blue and white livery with 'Air UK' written on the side. In the background, a map of the United Kingdom is visible, with the landmasses in green and the surrounding waters in light blue. The entire scene is set against a solid light blue background.

The following notes and those within your ticket are for general guidance only.

TIMINGS AND FARES

These should always be checked when making a reservation.

If you require to cancel your reservation please do so as early as possible, as failure to cancel may cause you to forfeit any possible refund. Also any further travel arrangements may be cancelled.

PUBLISHED TIMES

Published times are 'local' and it should be noted that Amsterdam, Bergen, Brussels, Paris and Stavanger are generally one hour ahead of the UK.

SPECIAL REQUIREMENTS

At the time of making your reservation it is advisable to request any special needs you may have, for example, special meals, wheelchair, unaccompanied minors etc. In any event these should be notified to Air UK a minimum of twenty four hours before scheduled time of travel.

CHECK-IN TIMES

The minimum check-in time for domestic flights is 20 minutes, international 30 minutes, however there are some exceptions which should be checked and passengers should be sure to check-in at the airport in plenty of time prior to departure.

FASTPAK

THE SHORTCUT TO FAST PARCEL DELIVERY

Now you can airlift urgent parcels to ten countrywide destinations by simply taking them to the Air UK check-in desk at your local airport.

Cuts the paperwork

Fastpak cuts paperwork down to size with a simple one-form procedure. All you need to do is hand in the completed form, together with your parcel at the Air UK check-in desk (no later than 30 minutes before departure) and despatch is complete. What's more, you'll know the number of the flight on which it is travelling.

Cuts the time

Fastpak delivers your parcel direct to the baggage carousel at the chosen destination, so there are no time-wasting detours or formalities. The collecting courier simply claims it as he would an item of passenger baggage.

Fastpak is available from ten countrywide airports on Air UK's route network within mainland Britain.

For more information phone Cargo Marketing on (0279) 755950.
